

ACTION: Notice of intent to fund down the fiscal year (FY) 2008 grant slate for the GEAR UP Program.

SUMMARY: The Secretary intends to use the grant slate developed in FY 2008 for the GEAR UP Program authorized by Title IV, Part A, of the Higher Education Act of 1965, as amended (HEA), to make new grant awards in FY 2009. The Secretary takes this action because a significant number of high-quality applications remain on last year's grant slate. We expect to use an estimated \$9,789,000 for new awards in FY 2009.

SUPPLEMENTARY INFORMATION:

Background

On November 5, 2007, we published a notice in the **Federal Register** (72 FR 62499) inviting applications for new awards under the GEAR UP Program.

In response to this notice, we received a significant number of high-quality applications and made seven new State grant awards and 31 new Partnership grant awards. However, many applications that were awarded high scores by peer reviewers did not receive funding in FY 2008 due to the level of appropriations.

The Department's FY 2009 appropriation is sufficient to allow the Department to make continuation awards to the 38 current grantees, and have funds still available for new awards under this program for FY 2009. Rather than using program funds for a new peer review process, the Department has decided to use the remaining funds after continuation awards are made to select grantees in FY 2009 from the existing slate of applicants. This slate was developed during the FY 2008 competition using the selection criteria referenced in the **Federal Register** notice.

Note: To be eligible to receive a grant pursuant to this notice, all applicants being considered for funding based on the funding slate for the FY 2008 competition must meet

all statutory and regulatory eligibility criteria and other requirements for this program.

Sunshine Act Notice

AGENCY: U.S. Election Assistance Commission.

ACTION: Notice of Virtual Public Forum for EAC Board of Advisors (Amended).

DATE AND TIME: Monday, May 11, 2009, 9 a.m. EDT through Friday, May 15, 2009, 9 p.m. EDT.

PLACE: EAC Board of Advisors Virtual Meeting Room at <http://www.eac.gov>. Once at the main page of EAC's Web site, viewers should click the link to the Board of Advisors Virtual Meeting Room. The virtual meeting room will open on Monday, May 11, 2009, at 9 a.m. EDT and will close on Friday, May 15, 2009, at 9 p.m. EDT. The site will be available 24 hours per day during that 5-day period.

PURPOSE: The EAC Board of Advisors will review and provide comment on Phase I of the draft Election Operations Assessment. Phase I of the project is an information gathering and modeling phase designed to create the framework

for the remaining two phases of the project. The scope of the document and the project that created it are geared toward the procedures and equipment that move the ballot through the electoral process. The end goal of the election operations assessment is to create a work product that will allow the EAC to evaluate security risks to various types of voting systems (*i.e.* hand counted paper ballots, Precinct Based Optical Scan, or Remote Electronic Systems, etc.) and in order to better inform their work with future iterations of the Voluntary Voting System Guidelines. In addition, the assessment will allow policy makers and election officials to assess the potential risks to systems that they are looking to purchase in the future.

The EAC Board of Advisors Virtual Meeting Room was established to enable the Board of Advisors to conduct business in an efficient manner in a public forum, including being able to review and discuss draft documents, when it is not feasible for an in-person board meeting. The Board of Advisors will not take any votes or propose any resolutions during the 5-day forum of May 11-15, 2009.

This activity is open to the public. The public may view the Proceedings of this forum by visiting the eac board of advisors Virtual meeting room at <http://www.eac.gov> at any time between Monday, May 11, 2009, 9 a.m. EDT and Friday, May 15, 2009, 9 p.m. EDT. The public also may view the election operations assessment, which will be posted on EAC's Web site beginning May 11, 2009. The public may file written statements to the EAC board of advisors at boardofadvisors@eac.gov. Data on EAC's Web site is accessible to visitors with disabilities and meets the requirements of section 508 of the rehabilitation act.

This meeting will be open to the public.

STATEMENT OF EXCEPTIONAL

CIRCUMSTANCES: The May 5, 2009 notice of the EAC Board of Advisors Virtual Meeting inadvertently omitted the following important information: Notice of the special forum will not be published in the **Federal Register** 15 days prior to the dates that the forum will be open. Late notice was unavoidable due to the short timeline remaining in Phase I of the Elections Operation Assessment project. The timetable for the noticed forum was expedited to allow the EAC Board of Advisors an opportunity to review and comment on the draft document.

k. *Background:* On December 20, 2007, and supplemented on January 4, February 20, June 19, July 7, August 27, and October 3, 2008, PPL filed an application to amend its license for the Holtwood Project (sub docket P-1881-050). By letter filed December 8, 2008, PPL withdrew its license amendment application. The withdrawal became effective 15 days later, on December 23, 2008.

In its application, PPL proposed to: (1) Construct a new powerhouse and install new turbines that would increase the total installed capacity of the project from 107.2 megawatts (MW) to 195.5 MW; (2) construct a new skimmer wall and larger forebay; (3) reconfigure the existing fish lift, reroute the discharge of Unit 1 in the existing powerhouse, and excavate in the project tailrace and Piney Channel to improve migratory fish passage; (4) provide minimum flows and conduct studies of the effectiveness of the modified fish passage facilities and flow releases; (5) improve existing and construct new recreational facilities; and (6) establish protocols to ensure protection of special status plants, wildlife, and cultural resources during construction.

Because of the substantial costs associated with the proposed modifications, PPL also requested in its license amendment application a 16-year extension of the current license term through August 31, 2030.

l. *Description of Request:* In its renewed application for amendment of license, PPL requests that the Commission incorporate by reference the record fully developed in the proceeding for the previously withdrawn license amendment application (sub docket P-1881-050).

m. Since Commission staff recently completed the Final Environmental Impact Statement (FEIS) for the Holtwood Project No. 1881-050, we believe the environmental record is complete and are not seeking new recommendations, terms and conditions, or fishway prescriptions for the renewed license amendment

application. The fishway prescription previously filed by the U.S. Department of the Interior (Interior), as well as the recommendations previously filed by Interior and the Pennsylvania Fish and Boat Commission were analyzed in the FEIS and will remain as part of the renewed amendment application proceeding.

n. *Locations of the Application:* A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426, or by calling (202) 502-8371. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

q. Any entity who intervened in the prior license amendment proceeding (sub docket P-1881-050) need not intervene again.
