COMMISSION****Proposed Collection; Comment
Request**

Upon written request, copies available from: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Rule 27f-1 and Form N-27F-1, SEC File No. 270-487, OMB Control No. 3235-0546.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Section 27(f) of the Investment Company Act of 1940 ("Act") (15 U.S.C. 80a-27(f)) provides that "[w]ith respect to any periodic payment plan (other than a plan under which the amount of sales load deducted from any payment thereon does not exceed 9 per centum of such payment), the custodian bank for such plan shall mail to each certificate holder, within sixty days after the issuance of the certificate, a statement of charges to be deducted from the projected payments on the certificate and a notice of his right of withdrawal as specified in this section."¹ The certificate holder then has forty-five days from the mailing of the notice to surrender his or her certificate and receive "in payment thereof, in cash, the sum of (1) the value of his account, and (2) an amount, from the underwriter or depositor, equal to the difference between the gross payments made and the net amount invested."

Section 27(f) authorizes the Securities and Exchange Commission ("Commission") to "make rules specifying the method, form, and contents of the notice required by this subsection." Rule 27f-1 (17 CFR 270.27f-1) under the Act, entitled "Notice of Right of Withdrawal Required to be Mailed to Periodic Payment Plan Certificate Holders and Exemption from Section 27(f) for Certain Periodic Payment Plan Certificates," provides instructions for the delivery of the notice required by section 27(f).

¹ As discussed below, the Military Personnel Financial Services Protection Act banned the issuance or sale of new periodic payment plans, effective October 2006.

Rule 27f-1(d) prescribes Form N-27F-1 (17 CFR 274.127f-1), which sets forth the language that custodian banks for periodic payment plans must use in informing certificate holders of their withdrawal right pursuant to section 27(f). The instructions to the form provide that the notice must be on the sender's letterhead. The Commission does not receive a copy of the form N-27F-1 notice.

The Form N-27F-1 notice informs certificate holders of their rights in connection with the certificates they hold. Specifically, it is intended to encourage new purchasers of plan certificates to reassess the costs and benefits of their investment and to provide them with an opportunity to recover their initial investment without penalty. The disclosure assists certificate holders in making careful and fully informed decisions about whether to invest in periodic payment plan certificates.

Complying with the collection of information requirements of rule 27f-1 is mandatory for custodian banks of periodic payment plans for which the sales load deducted from any payment exceeds 9 percent of the payment.² The information provided pursuant to rule 27f-1 will be provided to third parties and, therefore, will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Effective October 27, 2006, the Military Personnel Financial Services Protection Act banned the issuance or sale of new periodic payment plans. Accordingly, the staff estimates that there is no information collection burden associated with rule 27f-1 and Form N-27F-1. For administrative purposes, however, we are requesting approval for an information collection burden of one hour per year. This estimate of burden hours is not derived from a comprehensive or necessarily even representative study of the cost of the Commission's rules and forms.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to

² The rule also permits the issuer, its principal underwriter, its depositor, or its record-keeping agent to mail the notice if the custodian bank has delegated the mailing of the notice to any of them or if the issuer has been permitted to operate without a custodian bank by Commission order. See 17 CFR 270.27f-1.

enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Arca, Inc. That Suspends NYSE Arca's Stock Price Continued Listing Standard

May 1, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 17, 2009, NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is

publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange, through its wholly-owned subsidiary NYSE Arca Equities, Inc. ("NYSE Arca Equities"), proposes to amend its rules governing NYSE Arca, LLC (also referred to as the "NYSE Arca Marketplace") by suspending through June 30, 2009, the application of its price criteria for capital and common stock set forth in NYSE Arca Equities Rule 5.5(b)(2). The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In recent months, the U.S. and global equities markets have experienced extreme volatility and a precipitous decline in trading prices of many securities. In response to these unusual market conditions, the NYSE and NASDAQ have suspended the application of their respective dollar price continued listing requirements.³

³ See Securities Exchange Act Release No. 59510 (March 4, 2009), 74 FR 10636 (March 11, 2009) (SR-NYSE-2009-21), which suspends the NYSE's dollar price continued listing requirement set forth in Section 802.01C of the Listed Company Manual through [sic] June 30, 2009 (the "NYSE Amendment"). See Securities Exchange Act Release 58809 (October 17, 2008), 73 FR 63222 (October 23, 2008) (SR-NASDAQ-2008-082) for the suspension of NASDAQ's bid price and market value of publicly held shares through January 16, 2009 (the "NASDAQ Amendment"). See, also, Securities Exchange Act Release 59219 (January 8, 2009), 74 FR 2640 (January 15, 2009), extending the application of the NASDAQ Amendment to April 19, 2009. See, also, SR-NASDAQ-2009-026 (filed March 18, 2009), proposing to further extend the application of the NASDAQ Amendment through

NYSE Arca proposes to suspend through June 30, 2009, its own dollar price requirement as set forth in NYSE Arca Equities Rule 5.5(b)(2). This proposed suspension will provide temporary relief to companies in response to the extreme volatility and a precipitous decline in trading prices of many securities experienced in the U.S. and global equities markets, which the Commission had acknowledged constituted a threat to the fair and orderly functioning of the securities markets and could lead to a crisis of confidence among investors regarding the viability of companies whose stock prices have declined significantly.⁴

Under the proposed suspension of the Exchange's stock price continued listing standard, companies will not be notified of new events of noncompliance with the price requirement during the suspension period. Companies that are in a compliance period at the time of commencement of the suspension⁵ will still be deemed to have regained compliance during the rule suspension period if, at the expiration of their respective six-month cure periods

July 19, 2009. NASDAQ's continued listing requirements relating to bid price are set forth in NASDAQ Marketplace Rules 4310(c)(4), 4320(e)(2)(E)(ii), 4450(a)(5), 4450(b)(4), and 4450(h)(3) and the related compliance periods are set forth in NASDAQ Marketplace Rules 4310(c)(8)(D), 4320(e)(2)(E)(ii), and 4450(e)(2). NASDAQ's continued listing requirements relating to market value of publicly held shares are set forth in NASDAQ Marketplace Rules 4310(c)(7), 4320(e)(5), 450(a)(2), 4450(b)(3) and 4450(h)(2) and the related compliance periods are set forth in Rules 4310(c)(8)(B) and 4450(e)(1).

⁴ See, e.g., Securities Exchange Act Release No. 58588 (September 18, 2008), 73 FR 55174 (September 24, 2008) ("The Commission is aware of the continued potential of sudden and excessive fluctuations of securities prices and disruption in the functioning of the securities markets that could threaten fair and orderly markets. Given the importance of confidence in our financial markets as a whole, we have also become concerned about sudden and unexplained declines in the prices of securities. Such price declines can give rise to questions about the underlying financial condition of an issuer, which in turn can create a crisis of confidence without a fundamental underlying basis. This crisis of confidence can impair the liquidity and ultimate viability of an issuer, with potentially broad market consequences.").

⁵ The Exchange notes that there is currently one company in a compliance period for noncompliance with the dollar price requirement and there are not currently any companies in the Exchange's delisting appeal process that have been sent a delisting notification for noncompliance with the dollar price continued listing requirement. The Exchange also notes that it would continue to identify companies in a compliance period as below compliance for price, including by continuing to append an indicator to the company's stock ticker to identify it as being below compliance for price and including the company on a list of companies that are below compliance for price posted to the Exchange's Web site, unless the company regains compliance during the suspension. A company would continue to be subject to delisting for failure to comply with other listing requirements.
