**Semiannual Regulatory Agenda**

**SMALL BUSINESS ADMINISTRATION (SBA)**

**SMALL BUSINESS ADMINISTRATION**

**13 CFR Ch. I**

**Semiannual Regulatory Agenda**

**AGENCY:** U.S. Small Business Administration (SBA).

**ACTION:** Semiannual regulatory agenda.

**SUMMARY:** The Regulatory Flexibility Act (RFA) and Executive Order 12866 require each agency to publish semiannually a regulatory agenda (agenda) that includes an inventory of all current and projected rulemakings, including regulations the agency expects to develop during the next 12 months and regulations completed since the last publication of the agency’s agenda. SBA is publishing this agenda to provide the public with notice about SBA’s regulatory activities and to provide specific information about those activities. This information will promote the public’s participation in SBA’s regulatory activities.

**FOR FURTHER INFORMATION CONTACT:** For additional information about specific regulatory actions listed in the agenda, you should direct your comments and inquiries to the appropriate agency contact identified in each entry. For general information about the agenda, you should direct your comments or inquiries to Martin “Sparky” Conrey, Assistant General Counsel for Legislation and Appropriations, U.S. Small Business Administration, 409 Third Street SW., Washington, DC 20416, (202) 619-0638, martin.conrey@sba.gov.

**SUPPLEMENTARY INFORMATION:** This agenda announces the proposed

regulatory actions that SBA plans for the next 12 months and those that were completed since the fall 2008 edition of the Agenda. As permitted by law, SBA is combining the publication of its agenda as required by statute and Executive order and conforming them to the Unified Agenda of Federal Regulatory and Deregulatory Actions format developed by the Regulatory Information Service Center.

The purpose of the agenda is to provide information to the public on regulations currently under review, being proposed, completed, or withdrawn by SBA. Accordingly, rulemaking action in SBA’s agenda is grouped according to its stage of development. The stages of development are prerulemaking, proposed rules, final rules, and rulemaking actions completed since the fall 2008 Agenda. The agenda is intended to facilitate comments and views by interested members of the public. SBA encourages public participation in its rulemaking process through various mediums including www.regulations.gov. This Web site allows SBA to place rules on the Web site and receive public comments through that medium. SBA also provides a link from www.sba.gov to that Web site.

SBA’s regulations promote statutory mandates and Presidential directives linked to SBA’s goals to improve the economic environment for small business, increase small business success by bridging competitive opportunity gaps, restore homes and businesses affected by disaster, and to

operate and manage SBA’s programs and resources efficiently and effectively.

Publication of proposed rulemaking actions in the agenda does not impose any obligation on SBA to take any final action with regard to any specific item. Furthermore, SBA is not precluded from rulemaking activities that are not listed in this agenda. The dates listed in the timetables for specific actions are estimates and not commitments to act on or by the particular date.

Since the fall 2008 edition, the Internet is the basic means for disseminating the Unified Agenda. The complete Unified Agenda will be available online at www.reginfo.gov in a format that offers users a greatly enhanced ability to obtain information from the Agenda database.

Because publication in the **Federal Register** is mandated for the regulatory flexibility agendas required by the Regulatory Flexibility Act (5 U.S.C. 602), SBA’s printed agenda entries include only rules that are in the Agency’s regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities.

Printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act’s Agenda requirements. Additional information on these entries is available in the Unified Agenda published on the Internet.

This rule would amend: (1) Procedures for approving and funding of SBDCs; (2) approval procedures for travel outside the continental U.S. and U.S. territories; (3) procedures and requirements regarding findings and disputes resulting from financial exams, programmatic reviews, accreditation reviews, and other SBA oversight activities; (4) requirements for new and renewal applications for SBDC awards, including the requirements for electronic submission through the approved electronic Government submission facility; and (5) provisions regarding the collection and use of individual SBDC client data.

**279. 8(A) BUSINESS DEVELOPMENT**

**Legal Authority:** 15 USC 634(b)(6), 636(j), 637(a) and (d)

**Abstract:** This rule proposes to make a number of changes to the regulations governing the 8(a) BD Program and several changes to SBA’s size regulations. Some of the changes involve technical issues, such as changing the term “SIC code” to “NAICS code” to reflect the national conversion to the North American Industry Classification system. SBA has learned through experience that certain of its rules governing the 8(a) BD program are too restrictive and serve to unfairly preclude firms from being admitted to the program. In other cases, SBA has determined that a rule is too expansive or indefinite and has sought to restrict or clarify that rule. Changes are also being proposed to correct past public or agency misinterpretation. Also, new situations have arisen that were not anticipated when the current rules were drafted and the proposed rule seeks to cover those situations. Finally, one of the changes, involving Native Hawaiian Organizations, implements recently enacted legislation.

**288. DEFINITION OF "EMPLOYEE" FOR PURPOSES OF THE HUBZONE PROGRAM**

**Legal Authority:** 15 USC 657 (a)

**Abstract:** The purpose of this final rule is to amend the definition of "employee" under 13 CFR 126.103. The definition of "employee" in part 126 is relevant to SBA's determination of whether a concern is eligible for certification as a HUBZone small business concern. On May 13, 2004, SBA issued an Advance Notice of Proposed Rulemaking requesting comments on, among other things, specific issues related to the definition of "employee," including the status of part-time, leased, and temporary employees, and the use of the term "full-time equivalent" in the definition of "employee." After careful consideration of the comments received, SBA has decided to amend the definition of "employee" to reflect current business operations, market

conditions, and personnel practices within the small business community.
