[xx] GSA requires OMB approval for this collection to ensure that contractors meet eligibility requirements. SUPPLEMENTARY INFORMATION:

A. Purpose

The U.S. Government conducts criminal checks to establish that applicants or incumbents working for the Government under contract may have unescorted access to GSA-controlled facilities. GSA will use the Temporary Contractor Information Worksheet and the FBI Form FD–258 Fingerprint Card to conduct an FBI National Criminal History Check (NCHC) for each temporary contractor (working on contract for six (6) months or less and require physical access only) to determine eligibility to work on GSA contracts including those awarded under the American Recovery and Reinvestment Act of 2009 (Public Law 111–5). GSA is anticipating a large influx in temporary contractors due to the American Recovery and Reinvestment Act of 2009.

The Office of Management and Budget (OMB) Guidance M–05–24 for Homeland Security Presidential Directive (HSPD) 12 authorizes Federal departments and agencies to ensure that temporary contractors have limited/controlled access to facilities and information systems. GSA Directive CIO P 2181.1 Homeland Security Presidential Directive-12 Personal Identity Verification and Credentialing (available at *http://www.gsa.gov/hspd12*) states that GSA temporary contractors must undergo a minimum of an FBI National Criminal History Check (NCHC) to receive unescorted physical access. Temporary contractors' Social Security Number is needed to keep records accurate, because other people may have the same name and birth date. Executive Order 9397 Numbering System for Federal Accounts Relating to Individual Persons also allows Federal agencies to use this number to help identify individuals in agency records. GSA describes how information will be maintained in the Privacy Act system of record notice published in the **Federal Register** at 73 FR 35690 on June 24, 2008.

This is a request to collect new information.

FOR FURTHER INFORMATION CONTACT: Mr. Warren Blankenship, Procurement Analyst, Contract Policy Division, GSA (202) 501–1900.

SUPPLEMENTARY INFORMATION:

A. Purpose

Incentive contracts are normally used when a firm fixed-price contract is not appropriate and the required supplies or services can be acquired at lower costs, and sometimes with improved delivery or technical performance, by relating the amount of profit or fee payable under the contract to the contractor's performance.

The information required periodically from the contractor, such as cost of work already performed, estimated costs of further performance necessary to complete all work, total contract price for supplies or services accepted by the Government for which final prices have been established, and estimated costs allocable to supplies or services accepted by the Government and for which final prices have not been established, is needed to negotiate the final prices of incentive-related items and services.

The contracting officer evaluates the information received to determine the contractor's performance in meeting the incentive target and the appropriate price revision, if any, for the items or services.

AGENCY: Office of the Assistant Secretary for Preparedness and Response, HHS.

ACTION: Notice.

SUMMARY: This notice sets forth the Secretary's decision to require Hospital Preparedness Program [HPP] cooperative agreement recipients to contribute non-Federal matching funds starting with the FY 2009 funding cycle and each year thereafter. The amount of the cost sharing requirement in FY 2009 will be five percent of the award amount and in FY 2010 and each year thereafter the amount of match will be ten percent of the award amount.

FOR FURTHER INFORMATION CONTACT: Robert Dugas, Team Leader, Hospital Preparedness Program, 202–245–0732.

SUPPLEMENTARY INFORMATION: Authorized by section 319C–2 of the Public Health Service (PHS) Act, as amended by the Pandemic and All-Hazards Preparedness Act (PAHPA) (Pub. L. 109–417), the HPP is a cooperative agreement program funded and administered by the Assistant Secretary for Preparedness and Response (ASPR).
