**ACTION:** Notice of request for comments regarding a renewal to an existing OMB clearance.

**SUMMARY:** Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the General Services Administration will be submitting to the Office of Management and Budget (OMB) a request to review and approve a renewal of a currently approved information collection requirement

regarding preparation, submission, and negotiation of subcontracting plans. A request for public comments was published at 74 FR 446, January 6, 2009. No comments were received.

This information collection will ensure that small and small disadvantaged business concerns are afforded the maximum practicable opportunity to participate as subcontractors in construction, repair, and alteration or lease contracts. Preparation, submission, and negotiation of subcontracting plans requires for all negotiated solicitations having an anticipated award value over \$500,000 (\$1,000,000 for construction), submission of a subcontracting plan with other than small business concerns when a negotiated acquisition meets all four of the following conditions.

1. When the contracting officer anticipates receiving individual subcontracting plans (not commercial plans).

2. When the award is based on trade-offs among cost or price and technical and/or management factors under FAR 15.101-1.

3. The acquisition is not a commercial item acquisition.

4. The acquisition offers more than minimal subcontracting opportunities.

Public comments are particularly invited on: Whether this collection of information is necessary and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected.
