Animal and Plant Health Inspection Service

Title: Requirements for Request To Amend 7 CFR Part 319 Import Regulations.

OMB Control Number: 0579-0261.

Summary of Collection: As authorized by the Plant Protection Act (PPA) (7 U.S.C. 7701—*et seq.*), the Secretary of Agriculture may prohibit or restrict the importation, entry, exportation, or movement in interstate commerce of any plant, plant product, biological control organism, noxious weed, means of conveyance, or other article if the Secretary determines that the prohibition or restriction is necessary to prevent a plant pest or noxious weed from being introduced into and disseminated within the United States. The Animal and Plant Health Inspection Service (APHIS) has established regulations governing the submission of requests for changes in its regulations that restrict the importation of plants, plant parts, and products.

Need and Use of the Information: APHIS will collect required information to properly consider requests and helps to ensure that the information required to prepare a risk analysis and/or other analyses that evaluate the risks and other effects associated with a final ruling to change a regulation. This process requires the use of collecting information about the requestor, information about the commodity to be imported, shipping information, a description of pests and diseases associated with the commodity, risk mitigation or management strategies, and additional information as determined by APHIS to complete a pest risk analysis in accordance with international standards.

Description of Respondents: Business or other for-profit.

Number of Respondents: 36.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 4,200.

Animal and Plant Health Inspection Service

Title: Importation of Baby Corn and Baby Carrots from Zambia.

OMB Control Number: 0579-0284.

Summary of Collection: Under the Plant Protection Act (PPA) (7 U.S.C.

7701—*et seq.*) the Secretary of Agriculture is authorized to carry out operations or measures to detect, eradicate, suppress, control, prevent, or retard the spread of plant pests new to the United States or not known to be widely distributed throughout the United States. Regulations authorized by the PPA concerning the importation of fruits and vegetables into the United States from certain parts of the world are contained in "Subpart Fruits and Vegetables" (7 CFR 319.56-1 through 319.56-47). Under these regulations, baby corn and baby carrots from Zambia are subject to certain conditions before entering the United States to prevent the introduction of plant pests into the United States.

Need and Use of the Information: The Animal and Plant Health Inspection Service (APHIS) requires that some plants or plant products are accompanied by a phytosanitary inspection certificate that is completed by plant health officials in the originating or transiting country. APHIS uses the information on the certificate to determine the pest condition of the shipment at the time of inspection in the foreign country. This information is used as a guide to the intensity of the inspection APHIS conducts when the shipment arrives.

Without this information, all shipments would need to be inspected very thoroughly, thereby requiring considerably more time.

Description of Respondents: Business or other for-profit; Federal Government.

Number of Respondents: 7.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 64.

Overview Information

Federal Agency Name: Rural Housing Service.

Funding Opportunity Title: Notice of Funds Availability for Section 514 Farm Labor Housing Loans and Section 516 Farm Labor Housing Grants for Off-Farm Housing.

Announcement Type: Initial Notice inviting applications from qualified applicants for FY 2009.

Catalog of Federal Domestic Assistance Numbers (CFDA): 10.405 and 10.427.

DATES: The deadline for receipt of all applications in response to this is 5 p.m., appropriate local time to each Rural Development State Office, on July 20, 2009. The application closing deadline is firm as to date and hour. Rural Development will not consider any application that is received after the closing deadline unless date and time is

extended by another Notice published in the **Federal Register**. Applicants intending to mail applications must provide sufficient time to permit delivery on or before the closing deadline. Acceptance by a post office or private mailer does not constitute delivery. Facsimile (FAX), and postage due applications will not be accepted.

I. Funding Opportunities Description

Housing that is constructed with FLH loans and grants must meet Rural Development's design and construction standards contained in 7 CFR part 1924, subparts A and C. Once constructed, off-farm FLH must be managed in accordance with the program's management regulation, 7 CFR part 3560. Tenant eligibility is limited to persons who meet the definition of a "disabled domestic farm laborer", "domestic farm laborer", or "retired domestic farm laborer," as defined in 7 CFR 3560.11. Farmworkers who are admitted to this country on a temporary basis under the Temporary Agricultural Workers (H-2A Visa) program are not eligible to occupy Section 514/516 off-farm FLH.

In addition, off-farm FLH must be operated on a non-profit basis and tenancy must be open to all qualified domestic farm laborers, regardless at which farm they work. Section 514(f)(3) of the Housing Act of 1949 (42 U.S.C. 1484(f)(3)) amended the definition of domestic farm laborers to include any person regardless of the person's source of employment, who receives a substantial portion of his or her income from the primary production of agricultural or aquacultural commodities in the unprocessed stage, and also includes the person's family.

Operating assistance may be used in lieu of tenant-specific rental assistance (RA) in off-farm labor housing projects that serve migrant farmworkers as defined in 7 CFR 3560.11 that are financed under section 514 or section 516(h) of the Housing Act of 1949 (42 U.S.C. 1486(h)), and otherwise meet the requirements of 7 CFR 3560.574. Owners of eligible projects may choose tenant-specific RA or operating assistance, or a combination of both; however, any tenant or unit assisted with operating assistance may not also receive RA. It is anticipated that operating assistance will not be available for new construction in FY 2009.

II. Award Information

Applications for FY 2009 will only be accepted through the date and time listed in this notice. Since USDA Rural Development has the ability to adjust

loan and grant levels, final loan and grant levels will fluctuate, and are subject to the availability of funding. The funds available for FY 2009 for Off-Farm Labor Housing are: Section 514 \$22,977,147, Section 516 \$8,586,430 and Rental Assistance \$3,400,000.

Individual requests may not exceed \$3 million (total loan and grant). At this time, there is no available operating assistance. Section 516 off-farm FLH grants may not exceed 90 percent of the total development cost (TDC) of the housing as defined in 7 CFR 3560.11. Applications that require leveraged funding must have firm commitments in place for all of the leveraged funding within one year of the Agency issuance of Form AD-622, "Notice of Pre-application Review Action," to the applicant. If leverage funds are in the form of tax credits, the applicant must document a history of receiving tax credits.

Only those proposals that are selected for funding will be invited to submit final applications. In the event that a proposal is selected for further processing and the applicant declines, the next highest ranked unfunded pre-application may be selected.

All pre-applications for Sections 514 and 516 funds must be filed with the appropriate Rural Development State Office and must meet the requirements of this notice. Incomplete pre-applications will not be reviewed and will be returned to the applicant. No pre-application will be accepted after 5 p.m., local time to the appropriate Rural Development State Office on July 20, 2009 unless date and time is extended by another Notice published in the **Federal Register**.

If a pre-application is accepted for further processing, the applicant must

Documentation must be provided to justify a need within the intended market area for the housing of "domestic farm laborers", as defined in 7 CFR 3560.11. The documentation must take into account disabled and retired farm workers. The preliminary survey should address or include the following items:

- (a) The annual income level of farmworker families in the area and the probable income of the farm workers

who are apt to occupy the proposed housing;

(b) A realistic estimate of the number of farm workers who remain in the area where they harvest and the number of farm workers who normally migrate into the area. Information on migratory workers should indicate the average number of months the migrants reside in the area and an indication of what type of family groups are represented by the migrants (*i.e.*, single individuals as opposed to families);

(c) General information concerning the type of labor-intensive crops grown in the area and prospects for continued demand for farm laborers;

(d) The overall occupancy rate for comparable rental units in the area and the rents charged and customary rental practices for these units (*i.e.*, will they rent to large families, do they require annual leases, *etc.*);

(e) The number, condition, adequacy, rental rates and ownership of units currently used or available to farm workers;

(f) A description of the units proposed, including the number, type, size, rental rates, amenities such as carpets and drapes, related facilities such as a laundry room or community room and other facilities providing supportive services in connection with the housing and the needs of the prospective tenants, such as a health clinic or day care facility, estimated development timeline, estimated total development cost, and applicant contribution; and

(g) The applicant must also identify all other sources of funds, including the dollar amount, source, and commitment status. (Note: A Section 516 grant may not exceed 90 percent of the total development cost of the housing.)

The form can be found at <http://www.hud.gov/offices/adm/hudclips/forms/files/935-2a.pdf>. The plan will reflect that occupancy is open to all qualified “domestic farm laborers,” regardless of which farming operation they work and that they will not discriminate on the basis of race, color, sex, age, disability, marital or familial status or National origin in regard to the occupancy or use of the units.

(14) Evidence of site control, such as an option contract or sales contract. In addition, a map and description of the proposed site, including the availability of water, sewer, and utilities and the proximity to community facilities and services such as shopping, schools, transportation, doctors, dentists, and hospitals.

(15) Preliminary plans and specifications, including plot plans, building layouts, and type of construction and materials. The housing must meet Rural Development’s design and construction standards contained in 7 CFR part 1924, subparts A and C and must also meet all applicable Federal, State, and local accessibility standards.

(16) A supportive services plan, which describes services that will be provided on-site or made available to tenants through cooperative agreements with service providers in the community, such as a health clinic or day care facility. Off-site services must be accessible and affordable to farm workers and their families. Letters of intent from service providers are acceptable documentation at the pre-application stage.

(22) A sources and uses statement which shows all sources of funding included in the proposed project. The terms and schedules of all sources included in the project should be included in the sources and uses statement.

(23) A separate one-page information sheet listing each of the “Pre-

Application Scoring Criteria” contained in this notice, followed by a reference to the page numbers of all relevant material and documentation that is contained in the proposal that supports the criteria.

(24) Applicants are encouraged, but not required, to include a checklist of all of the pre-application requirements and to have their pre-application indexed and tabbed to facilitate the review process;

(25) Evidence of compliance with Executive Order 12372. The applicant must send a copy of Form SF–424 to the applicant’s state clearinghouse for intergovernmental review. If the applicant is located in a state that does not have a clearing house, the applicant is not required to submit the form.

(27) Form RD 400–4, “Assurance Agreement,” can be found at <http://forms.sc.egov.usda.gov/eforms/mainserv/let>. Applications for revitalization, repair and rehab are to apply through the Multi-Family Housing Revitalization Demonstration Program.

V. Pre-Application Review Information

All applications for Sections 514 and 516 funds must be filed with the appropriate Rural Development State Office and must meet the requirements of this notice. The Rural Development State Office will base its determination of completeness of the application and the eligibility of each applicant on the information provided in the pre-application.

Selection Criteria. Section 514 loan funds and Section 516 grant funds will be distributed to States based on a national competition, as follows:

(1) Rural Development States will accept, review, and score pre-applications in accordance with this notice. The scoring factors are:

(a) The presence and extent of leveraged assistance, including donated land, for the units that will serve program-eligible tenants, calculated as a percentage of the Rural Development TDC. Rural Development TDC excludes non-Rural Development eligible costs such as a developer’s fee. Leveraged assistance includes, but is not limited to, funds for hard construction costs, Section 8 or other non-Rural Development tenant subsidies, and State or Federal funds. A minimum of ten percent leveraged assistance is required

to earn points; however, if the total percentage of leveraged assistance is less than ten percent and the proposal includes donated land, two points will be awarded for the donated land. To count as leveraged funds for purposes of the selection criteria, a commitment of funds must be provided with the pre-application. Points will be awarded in accordance with the following table using rounding to the nearest whole number.

Percentage points	
75% or more leveraged funds	20
60–74% leveraged funds	18
50–59% leveraged funds	16
40–49% leveraged funds	12
30–39% leveraged funds	10
20–29% leveraged funds	8
10–19% leveraged funds	5
0–9% leveraged funds	0

Donated land in proposals with less than ten percent total leveraged assistance: Two points.

(b) Percent of units for seasonal, temporary, migrant housing.

(1) Five points for up to and including 50 percent of the units; and

(2) 10 points for 51 percent or more units used for seasonal, temporary, or migrant housing.

(c) The selection criteria include one optional criterion set by the National Office. For FY 2009, the National Office selection criterion is as follows: (1) Up to 10 points will be awarded based on the presence of and extent to which a tenant services plan exists that clearly outlines services that will be provided to the residents of the proposed project. These services may include, but are not limited to, transportation related services, on-site English as a Second Language (ESL) classes, move-in funds, emergency assistance funds, homeownership counseling, food pantries, after school tutoring, and computer learning centers. (2) Two points will be awarded for each resident service included in the tenant services plan up to a maximum of 10 points. Plans must detail how the services are to be administered, who will administer them, and where they will be administered. All tenant service plans must include letters of intent that clearly state the service that will be provided at the project for the benefit of the residents from any party administering each service, including the applicant.

(2) Rural Development State Offices will conduct the preliminary eligibility review, score the pre-applications, and forward them to the National Office.

(3) The National Office will rank all pre-applications nationwide and

distribute funds to States in rank order, within funding and RA limits. A lottery in accordance with 7 CFR 3560.56(c)(2) will be used for applications with tied point scores when they all cannot be funded. If insufficient funds or RA remain for the next ranked proposal, that applicant will be given a chance to modify their pre-application to bring it within remaining funding levels. This will be repeated for each next ranked eligible proposal until an award can be made or the list is exhausted. Rural Development will notify all applicants on whether their applications have been accepted or rejected.

VI. Award Administration Information

1. Award Notices

Loan applicants must submit their initial applications by the due date specified in this notice. State Offices will review applications and provide a list to the National Office. Once the applications have been scored and ranked by the National Office the National Office, will advise States Offices of the proposals selected for further processing, State Offices will respond to applicants by letter. If the application is not accepted for further processing, the applicant will be notified of appeal rights under 7 CFR part 11.

2. Administrative and National Policy

All Farm Labor Housing loans and grant made pursuant to a contract entered into on or after the effective date of 7 CFR part 3560 are subject to the restrictive-use provisions contained in 7 CFR 3560.72(a)(2).

3. Reporting

Borrowers must maintain separate financial records for the operation and maintenance of the project and the service component. Funds allocated to the operation and maintenance of the project may not be used to supplement the cost of services, nor may service component funds be used to supplement the project operation and maintenance. Detailed financial reports on the service component will not be required unless specifically requested by Rural Development, and then only to the extent necessary for Rural Development and the borrower to discuss the affordability (and competitiveness) of the service component by the tenant.

The project audit, or verification of accounts on Form RD 3560–10, “Borrower Balance Sheet”, together with an accompanying Form RD 3560–7 “Multiple Family Housing Project Budget/Utility Allowance” showing

actuals, must allocate revenue and expense between project operations and the service component.
