

the Docket Management Facility. The DEIS is also available online at <http://www.goethalseis.com/eis/> and is available for inspection at the First Coast Guard District address given under **ADDRESSES**.

Copies of all written communications from the public meetings will be available for review by interested persons after the meetings on the Internet at <http://www.goethalseis.com> as well as on the Federal rulemaking docket at <http://www.regulations.gov>. Transcripts of the meetings will be available for public review approximately 30 days after the meetings. All comments will be made part of the rulemaking docket.

Privacy Act: Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act, system of records notice regarding our public dockets in the January 17, 2008 issue of the **Federal Register** (73 FR 3316).

Background and Purpose

The PANYNJ, a transportation and development agency in the Port of New York and New Jersey, has proposed replacement of the functionally and physically obsolete Goethals Bridge, which carries I-278 vehicular traffic between Staten Island, NY, and Elizabeth, NJ. Over the past two decades, PANYNJ studies have shown the need to: Address design deficiencies of the existing bridge; provide safer operating conditions and reduce accidents on the bridge; provide for safe and reliable truck access as part of the regional commercial network; reduce life-cycle costs; provide transportation system redundancy; and improve traffic service. The project consists of a new cable-stayed bridge to replace the existing bridge, which is proposed for demolition. The new bridge would consist of six 12-foot travel lanes, three on each roadway deck, inner and outer shoulders, a bikeway/sidewalk and a central area of sufficient width to accommodate the potential for a future transit system.

As a structure over navigable waters of the United States, any replacement bridge requires a U.S. Coast Guard Bridge Permit pursuant to the General Bridge Act of 1946 (Title 33 U.S.C. 525–533). Additionally, the bridge permit would be the major Federal action in this undertaking since Federal funds will not be used, and therefore the Department of Homeland Security, through the United States Coast Guard

is the Federal lead agency for review of potential effects on the human environment, including historic properties, pursuant to the National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 *et seq.*) and the National Historic Preservation Act (NHPA), as amended (16 U.S.C. 470). The Coast Guard has prepared a DEIS. See “Viewing the comments and DEIS” above. The DEIS identifies and examines the reasonable alternatives (including No Build) and assesses the potential for impact to the human environment, including historic properties, of the alternative proposals. The DEIS provides an in-depth analysis of four alternative build sites, two north and two south of the existing bridge.

We are requesting your comments on environmental and historic preservation concerns that you may have related to the DEIS. This includes suggesting analyses and methodologies for use in the DEIS or possible sources of data or information not included in the DEIS. Your comments will be considered in preparing the final Environmental Impact Statement.

Information on Service for Individuals With Disabilities

For information on facilities or services for individuals with disabilities or to request special assistance at the public meetings, contact Gary Kassof, Bridge Program Manager, First Coast Guard District, U.S. Coast Guard; at the telephone number or e-mail address indicated under the **FOR FURTHER INFORMATION CONTACT** section of this notice. Any requests for an oral or sign language interpreter must be received by June 24, 2009.

Public Meeting

The Coast Guard will hold two public meetings regarding the DEIS:

1. On Wednesday, July 8, 2009, from 4 p.m. to 8 p.m. in the Council Chambers of Elizabeth City Hall, 50 Winfield Scott Plaza, Elizabeth, NJ;
2. On Thursday, July 9, 2009, from 4 p.m. to 8 p.m. in the Harbor Room of The Staten Island Hotel, 1415 Richmond Avenue, Staten Island, NY.

The purpose of these meetings is to consider an application by the PANYNJ for Coast Guard approval of the location and plans of a proposed six lane fixed, vehicular bridge across Arthur Kill, mile 11.5 between Staten Island, NY, and Elizabeth, NJ, which would replace the existing Goethals Bridge. All interested parties may present data, views and comments, orally or in writing, concerning the impact of the proposed bridge project on navigation and the human environment. Of particular

concern at this time is the impact the proposed action will have on the human environment and historic properties.

The public meetings will be informal. A representative of the Coast Guard will preside, make a brief opening statement and announce the procedure to be followed at the meetings. Attendees who request an opportunity to present oral comments at a public meeting must sign up to speak at the meeting site at the designated time of the meeting. Speakers will be called in the order of receipt of the request. Attendees at the meeting, who wish to present testimony, and have not previously made a request to do so, will follow those having submitted a request, as time permits. All oral presentations will be limited to three minutes. Please note that the meetings may close early if all business is finished.

This notice is issued under authority of the Administrative Procedure Act (5 U.S.C. 553 (c)); the General Bridge Act of 1946 (Title 33 U.S.C. 525–533); and the National Environmental Policy Act of 1969 (Section 102 (2)(c)), as implemented by the Council on Environmental Quality regulations (40 CFR parts 1500–1508), Department of Homeland Security Directive 023–01, and Coast Guard Commandant Instruction M16475.1D.

Dated: May 21, 2009.

Hala Elgaaly,

Administrator, Bridge Program, United States Coast Guard.

BILLING CODE 4910–15–P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–5281–N–38]

Mortgagee's Certification of Fees and Escrow and Surety Bond Against Defects Due to Defective Materials and/or Faulty Workmanship

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

Mortgagees provide this information to ensure that fees are within acceptable limits and the required escrows will be collected. HUD determines the reasonableness of the fees and uses the

information in calculating the financial requirement for closing.

DATES: *Comments Due Date:* June 29, 2009.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB approval Number (2502-0468) and should be sent to: HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-6974.

FOR FURTHER INFORMATION CONTACT: Lillian Deitzer, Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410; e-mail Lillian Deitzer at Lillian_L_Deitzer@HUD.gov or telephone (202) 402-8048. This is not a toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Deitzer.

SUPPLEMENTARY INFORMATION: This notice informs the public that the Department of Housing and Urban Development has submitted to OMB a request for approval of the Information collection described below. This notice is soliciting comments from members of the public and affecting agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology,

e.g., permitting electronic submission of responses.

This notice also lists the following information:

Title of Proposal: Mortgagee's Certification of Fees and Escrow and Surety Bond Against defects Due to Defective Materials and/or Faulty Workmanship.

OMB Approval Number: 2502-0468.

Form Numbers: HUD-2434, HUD-3259.

Description of the Need for the Information and Its Proposed Use:

Mortgagees provide this information to ensure that fees are within acceptable limits and the required escrows will be collected. HUD determines the reasonableness of the fees and uses the information in calculating the financial requirement for closing.

Frequency of Submission: On occasion.

	Number of respondents	Annual responses	×	Hours per response	=	Burden hours
Reporting Burden	1,000	1		0.75		750

Total Estimated Burden Hours: 750.
Status: Extension of a currently approved collection.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. 35, as amended.

Dated: May 21, 2009.

Lillian Deitzer,
*Departmental Reports Management Officer,
Office of the Chief Information Officer.*
