

## II. Discussion and Findings

After careful review of the proposal, the Commission finds that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,<sup>9</sup> which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.<sup>10</sup> The Commission believes that the proposed rule change will continue to provide FINRA with an important tool in regulating members' sales of mutual fund shares, consistent with the goals of protecting investors and the public interest.

## III. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act,<sup>11</sup> that the proposed rule change (SR-FINRA-2009-018) be, and hereby is, approved.

For the Commission by the Division of Trading and Markets, pursuant to delegated authority.<sup>12</sup>
