

conformity with other obvious error provisions previously approved by the Commission.⁸ The amendments relating to non-CBOE market-makers and ROS and HOSS rotations also conform CBOE's rule to rules already approved by the Commission.⁹ The Commission believes that expanding the applicability of the extended customer obvious error notification provision for transactions involving certain non-broker-dealer customer orders that are entered before the opening rotation and that are executed as part of HAL on the opening process or that are executed immediately following the opening rotation through the Complex Order Book would give those customers a reasonable amount of time to discover an obvious error transaction and to request an obvious error review. The Commission believes that limiting the price adjustment for binary options is reasonable and objective in light of the payout structure of those options.

Catastrophic Error

The Commission believes that the proposed catastrophic error provision balances the need for certainty of trades and mitigating large losses due to errors in extreme circumstances through clear and objective procedures.¹⁰ Moreover, the Commission believes that the proposed Catastrophic Error Panel, the streamlined review process, and the proposed fee for unsuccessful claims are appropriate to accomplish this balance.

Erroneous Prints and Quotes in the Underlying

The Commission deems that the provision allowing CBOE to designate the applicable underlying securities (or related instruments) and relevant markets for any option is beneficial to members in determining whether an erroneous print or quote has occurred. The provision takes into account the fact that members often base their options prices on various products in various markets and that erroneous options transactions may be a result of erroneous prints or quotes in markets other than the primary market for an underlying security. The changes to the calculation of average quote width and allowing adjustments in addition to nullifications are appropriate and

consistent with other rules previously approved by the Commission.¹¹

Trading Officials and Obvious Error Panel

The Commission believes that the change to the definition of "Trading Officials" is appropriate and does not negatively impact the objectiveness or fairness of CBOE's obvious error provisions. Lastly, the Commission notes that deleting "non-DPM" from the definition of floor brokers is a non-substantive technical change and is appropriate.

IT IS THEREFORE ORDERED, pursuant to Section 19(b)(2) of the Act,¹² that the proposed rule change (SR-CBOE-2009-024) is hereby approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹³

Deputy Secretary.

May 26, 2009.

I. Introduction

On March 9, 2009, the NYSE Alternext LLC (n/k/a NYSE Amex LLC) ("NYSE Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to make changes to certain NYSE Amex Equities rules, to be effective retroactively to December 15, 2008, to conform them with changes to corresponding rules filed by the New York Stock Exchange LLC ("NYSE") on

March 9, 2009,³ and approved by the Commission on May 21, 2009.⁴ NYSE had proposed the rule changes described in the NYSE Notice to harmonize NYSE rules with corresponding rules that were filed by the Financial Industry Regulatory Authority, Inc. ("FINRA"), and approved by the Commission or were effective upon filing with the Commission.⁵ On March 27, 2009, the Exchange filed Amendment No. 1 to the proposed rule change.⁶ The proposed rule change was published in the **Federal Register** on April 6, 2009.⁷ The Commission received no comments on the proposal. On May 11, 2009, the Exchange filed Amendment No. 2 to the proposed rule change.⁸ This order provides notice of the proposed rule change, as modified by Amendment No. 2, and approves the proposed rule change, as amended, on an accelerated basis.

The effective date of the Merger was October 1, 2008.

In connection with the Merger, on December 1, 2008, the Exchange relocated all equities trading conducted on the Exchange legacy trading systems and facilities located at 86 Trinity Place, New York, New York, to trading systems and facilities located at 11 Wall Street, New York, New York ("Equities Relocation"). The Exchange's equity trading systems and facilities at 11 Wall Street ("NYSE Amex Trading Systems") are operated by the NYSE on behalf of the Exchange.¹¹

As part of the Equities Relocation, NYSE Amex adopted NYSE Rules 1–1004, subject to such changes as necessary to apply those rules to the Exchange as the NYSE Amex Equities Rules to govern trading on the NYSE Amex Trading Systems.¹² The NYSE Amex Equities Rules, which became operative on December 1, 2008, are substantially identical to the current NYSE Rules 1–1004 and the Exchange continues to update the NYSE Amex Equities Rules as necessary to conform them with rule changes to corresponding NYSE Rules filed by the NYSE.

As noted above, the Exchange proposes to change certain NYSE Amex Equities Rules to conform them with changes to corresponding NYSE Rules that were described in the NYSE Notice.¹³ On July 30, 2007, the National Association of Securities Dealers, Inc. ("NASD"), and NYSE Regulation, Inc., the regulatory subsidiary of the NYSE, consolidated their member firm regulation operations into FINRA. In connection with that consolidation, FINRA is in the process of establishing a consolidated FINRA rulebook ("Consolidated FINRA Rulebook")¹⁴

¹³ See NYSE Notice, *supra* note 3.

¹⁴ The current FINRA rulebook consists of three sets of rules: (1) NASD Rules, (2) rules and rule

that will harmonize NASD rules and certain NYSE rules related to member firm regulation.¹⁵ All of these rules will be identified as "FINRA Rules" when the rule consolidation process is completed.

To reduce regulatory duplication, the Exchange proposes to conform several NYSE Amex Equities rules with changes to corresponding rules that were filed by the NYSE¹⁶ and recently approved by the Commission.¹⁷ The Notice provides a more detailed description of the Exchange's proposed rule changes.¹⁸

IV. Discussion and Commission's Findings

The Commission has carefully reviewed the proposed rule change, as amended, and finds that it is consistent with the requirements of Section 6 of the Act¹⁹ and the rules and regulations thereunder applicable to a national securities exchange.²⁰ In particular, the Commission finds that the proposed rule change, as amended, is consistent with Section 6(b)(5) of the Act,²¹ which requires, among other things, that the Exchange's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

NYSE Amex is deleting certain rules pertaining to: (1) Compensation or gratuities to employees of others; (2) business conduct, trading against firm

¹⁹ 15 U.S.C. 78f.

²⁰ In approving this proposed rule change, as amended, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

²¹ 15 U.S.C. 78f(b)(5).

recommendations, and private sales; (3) excessive trading by members, excessive trading in discretionary accounts, successive transactions by members, manipulative operations, reopening contracts, and loans for accounts of non-members; (4) disciplinary proceedings concerning conduct that is inconsistent with just and equitable principles of trade; (5) reporting of certain information concerning short sales and proprietary transactions; (6) reporting and certification of member or member organization's supervision and compliance efforts; (7) formation and approval or merger organizations; (8) reporting of short positions; (9) notification requirements for listed securities; and (10) disclosure and monitoring of non-managed fee based accounts. In place of the deleted rules and interpretations, NYSE Amex proposes to adopt rules that conform the NYSE Amex Equities Rules with changes made to the corresponding NYSE Rules on which they are based.²²

The Commission believes that the proposed rule change, as amended, is appropriate and would provide greater harmonization among NYSE Rules, NYSE Amex Equities Rules and FINRA Rules, thereby resulting in less burdensome and more efficient regulatory compliance for their common members and member organizations. With respect to the Exchange's proposal to delete NYSE Amex Equities Rule 350 and to adopt NYSE Amex Equities Rule 3220, (relating to influencing or rewarding employees of others), the Commission notes that NYSE Amex has stated that, immediately upon Commission approval of new NYSE Amex Equities Rule 3220, it will issue an Information Memorandum to its members and member organizations including NYSE Amex-only members and those members registered with FINRA, clarifying that FINRA's interpretive guidance related to FINRA Rule 3220 is considered part of NYSE Amex Equities Rule 3220, and that such members and member organizations are required to regulate their conduct according to Rule 3220 and the interpretive guidance related to FINRA Rule 3220.²³ Accordingly, the Commission believes that the proposed rule change, as amended, is consistent with the requirements of the Act.

The Commission also finds good cause for approving the proposed rule change as modified by Amendment No.

2 prior to the thirtieth day after the date of publication of notice in the **Federal Register**. Amendment No. 2 simply clarifies certain points relating to proposed changes to NYSE Amex Equities Rules. Because Amendment No. 2 does not significantly alter the proposed rule change, which was subject to a full notice and comment period, the Commission finds that it is in the public interest to approve the proposed rule change, as modified by Amendment No. 2, without delay to expedite implementation. Accordingly, the Commission finds that there is good cause, consistent with and in furtherance of the objectives of Sections 6²⁴ and 19(b)(2)²⁵ of the Exchange Act, to approve Amendment No. 2 on an accelerated basis.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²⁶ that the proposed rule change (SR-NYSEALTR-2009-26) be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²⁷

Deputy Secretary.
