BILLING CODE 4410-15-P

DEPARTMENT OF JUSTICE

[CPCLO Order No. 001-2009]

Privacy Act of 1974; System of Records

AGENCY: Criminal Division, Department of Justice.

ACTION: Notice of a modification of a system of records.

SUMMARY: Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), the Criminal Division (CRM), Department of Justice, proposes to modify an existing system of records entitled "Organized Crime Drug Enforcement Task Force Fusion Center System," JUSTICE/CRM-028, which covers the records maintained by the Organized Crime Drug Enforcement Task Force (OCDETF) Fusion Center, Executive Office for the Organized Crime Drug Enforcement Task Force, Criminal Division, and rename it the "Organized Crime Drug Enforcement Task Force Fusion Center and International Organized Crime Intelligence and Operations Center System." In recognition of the demonstrated interrelationship between criminal organizations that engage in illicit drug trafficking (and related criminal activities) and those that engage in international organized crime, involving a broader variety of criminal activity, the International Organized Crime Intelligence and Operations Center (IOC-2) and OCDETF formed a partnership. This partnership will facilitate both OCDETF and IOC-2 mission needs by collocating multi-source criminal law enforcement and intelligence data into one central system in order to assist OCDETF and IOC-2 in executing their responsibilities with respect to drug trafficking, international organized crime, money laundering, firearms trafficking, alien smuggling, terrorism, and other enforcement efforts, including the identification, location, arrest and prosecution of suspects, and civil proceedings and other activities related to such enforcement activities. Additionally, two new routine use disclosures are being added to the system notice. Routine use (t) pertains to the suitability/eligibility of an individual for a license or permit and routine use (u) includes notification of a terrorist threat.

DATES: In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment; and the Office of Management and Budget (OMB), which has oversight responsibility under the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments by July 13, 2009.

ADDRESSES: The public, OMB, and Congress are invited to submit any comments to the Department of Justice, ATTN: Robin Moss, Privacy Analyst, Office of Privacy and Civil Liberties, Department of Justice, National Place Building, 1331 Pennsylvania Avenue NW., Suite 940, Washington, DC 20530.

FOR FURTHER INFORMATION CONTACT: Director, Executive Office for the Organized Crime Drug Enforcement Task Force, Criminal Division, U.S. Department of Justice, 950 Pennsylvania Avenue NW., Washington, DC 20530-0001.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress on the modified system of records.

Dated: May 28, 2009.

Acting Chief Privacy and Civil Liberties Officer.

JUSTICE/CRM-028

SYSTEM NAME:

Organized Crime Drug Enforcement Task Force Fusion Center and International Organized Crime Intelligence and Operations Center System.

SECURITY CLASSIFICATION:

Classified, sensitive.

SYSTEM LOCATION:

U.S. Department of Justice, 950 Pennsylvania Avenue NW., Washington, DC 20530-0001.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

1. Individuals charged with, convicted of, or known, suspected, or alleged to be involved with, illicit narcotic trafficking or other potentially related criminal activity, including but not limited to facilitating the transportation of narcotics proceeds, money laundering, firearms trafficking, alien smuggling, and terrorist activity, or involved with international organized crime. For these purposes international organized crime refers to those self-perpetuating associations of individuals who operate internationally for the purpose of obtaining power, influence, monetary and/or commercial gains, wholly or in part by illegal means, while protecting their activities through a pattern of corruption and/or violence, or while protecting their illegal activities through an international organizational structure and the exploitation of international commerce or communication mechanisms. 2. Individuals with pertinent knowledge of some circumstances or aspect of a case

or record subject, such as witnesses, associates of record subjects, informants, and law enforcement or intelligence personnel. 3. Individuals, reasonably suspected of engaging in money laundering, other financial crimes, terrorism, and other criminal activity, including individuals referenced in information provided to the Financial Crimes Enforcement Network from financial institutions and other sources. 4. Individuals identified in or involved with the filing, evaluation, or investigation of reports under the Bank Secrecy Act and its implementing regulations. 5. Information about relevant immigrant and nonimmigrant visa applicants, including visa adjudication, issuance, and refusal information is also collected.

CATEGORIES OF RECORDS IN THE SYSTEM:

Records may contain investigative and intelligence information about the individuals in this system, including their identifying information such as, but not limited to, name, social security number, address, physical descriptions of appearance, license plate information, bank account number, location and activities, as well as other data which may assist the Organized Crime Drug Enforcement Task Force (OCDETF) Fusion Center in fulfilling its responsibilities and/or the International Organized Crime Intelligence and Operations Center (IOC-2) in fulfilling its responsibilities. Information includes multi-source data that may assist law enforcement agencies, regulatory agencies, and agencies of the U.S. foreign intelligence community or military community in executing their responsibilities with respect to drug trafficking, international organized crime, money laundering, firearms trafficking, alien smuggling, terrorism, and other enforcement efforts, including the identification, location, arrest and prosecution of suspects, and civil proceedings and other activities related to such enforcement activities. This system of records will not contain Federal tax returns and return information as defined by 26 U.S.C. 6103.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Consolidated Appropriations Act, 2004, Public Law 108-199, 118 Stat. 3 (2004); Comprehensive Drug Abuse Prevention and Control Act of 1970, Public Law 91-513 (84 Stat. 1236); the Single Convention on Narcotic Drugs, 1961; the Organized Crime Control Act of 1970, Public Law 91-452 (84 Stat. 922); the Convention on Transnational Organized Crime, 2004; Executive Order

11396 (1968). Additional authority is derived from Treaties, Statutes, Executive Orders and Presidential Proclamations which the Department of Justice (DOJ) has been charged with administering.

PURPOSE(S):

This system of records will serve two primary purposes. The first purpose of this system of records is to facilitate the mission of the OCDETF Program, which is to reduce the drug supply by identifying, disrupting and dismantling the most significant international and domestic drug supply and money laundering organizations and related criminal operations (e.g., arms traffickers, alien smugglers, terrorists). By establishing a central data warehouse for the compilation, fusion, storage, and comprehensive analysis of drug, financial, and related investigative information, OCDETF expects to produce a more complete picture of the activities of drug trafficking, money laundering, firearms trafficking, alien smuggling, terrorist, and other criminal organizations and their memberships than any one such agency can produce by itself. Specifically, the OCDETF Fusion Center will develop investigative leads, operational intelligence products and strategic intelligence assessments on new or evolving threats. The OCDETF Fusion Center intends to disseminate these analytical products, as appropriate, to Federal, state, local, tribal, territorial, and foreign law enforcement and regulatory agencies and to agencies of the U.S. foreign intelligence community and the military community, to assist them in enforcing criminal, civil, and regulatory laws related to drug trafficking, money laundering, firearms trafficking, alien smuggling, terrorism, and other crimes, including the identification, apprehension, and prosecution of individuals who threaten the United States national and international security and interests through their involvement in such crimes.

The second purpose of this system of records is to facilitate the mission of IOC-2 and its member agencies to significantly disrupt and dismantle those international criminal organizations posing the greatest threat to the United States. By establishing a central data warehouse for the compilation, fusion, storage, and comprehensive analysis of international organized crime, financial, and related investigative information, IOC-2 expects to produce a more complete picture of the activities of international criminal organizations and their memberships than any one such agency

can produce by itself. Specifically, IOC-2 will develop investigative leads, operational intelligence products and strategic intelligence assessments on new or evolving threats. IOC-2 intends to disseminate these analytical products, as appropriate, to Federal, state, local, tribal, territorial, and foreign law enforcement and regulatory agencies and to agencies of the U.S. foreign intelligence community and the military community, to assist them in enforcing criminal, civil, and regulatory laws related to organized crime, terrorism, and other crimes, including the identification, apprehension, and prosecution of individuals who threaten the United States national and international security and interests through their involvement in such crimes.
