

outcome of this proceeding, it is the Commission's view that Governors' Decision 09–6 may be used to authorize future Priority Mail agreements that satisfy the broad parameters set out in Governors' Decision 09–6. Thus, for example, if, based on the parameters of Governors' Decision 09–6, the Postal Service seeks to add a future non-functionally equivalent Priority Mail contract to the Competitive Product List, it may file a new joint "MC" and "CP" docket that relies on Governors' Decision 09–6 to satisfy the requirements of 39 CFR 3020.31(b) and 39 U.S.C. 3642.

III. Supplemental Information

Pursuant to 39 CFR 3015.6, the Commission requests the Postal Service to provide the following supplemental information by June 1, 2009:

2. Please provide a timeframe of when NSA partner volumes and cubic feet measurements were collected for each contract. Also provide a unit of analysis for volumes in each contract, *e.g.*, whole numbers, thousands, etc.
3. In the Excel files accompanying all five contracts, unit transportation costs are hard coded (*See* tab: "Partner Unit Cost" rows 21 and 22). Please provide up-to-date sources and show all calculations.

The Commission establishes Docket No. MC2009–25 for consideration of the Postal Service's classification request and Docket Nos. CP2009–30 through CP2009–34 for consideration of the five proposed contracts. In keeping with practice, these dockets are addressed on a consolidated basis for purposes of this order.

Filing instructions. For administrative convenience, future filings addressing the issues raised in this notice and order should be filed in Docket No. MC2009–25. However, if interested parties identify issues relating only to one of the contracts at issue in Docket No. CP2009–30 through CP2009–34, such filings should be made in the specific docket in which those issues pertain.

Interested persons may submit comments on whether the Postal Service's filings in the captioned dockets are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642 and 39 CFR part 3015 and 39 CFR part 3020,

subpart B. Additionally, the Commission welcomes comments on the issues discussed above. Comments are due no later than June 8, 2009. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Michael J. Ravnitzky to serve as Public Representative in these dockets.
