SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of Patriot Energy Corp.; Order of Suspension of Trading

June 2, 2009.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Patriot Energy Corporation because of questions regarding the accuracy of assertions by Patriot Energy Corporation in press releases to investors concerning, among other things: (1) The company's business agreements and (2) a tender offer for Patriot Energy Corporation's outstanding shares.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of Patriot Energy Corp.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities Patriot Energy Corp. is suspended for the period from 9:30 a.m. EDT on June 2, 2009, through 11:59 p.m. EDT, on June 15, 2009.

By the Commission.

Jill M. Peterson,

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59990; File No. SR-BATS-2009-016]

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to Fees for Use of BATS Exchange, Inc.

May 28, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 21, 2009, BATS Exchange, Inc. ("BATS" or the "Exchange") filed with the

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. BATS has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify its fee schedule applicable to use of the Exchange. While changes to the fee schedule pursuant to this proposal will be effective upon filing, the changes will become operative on May 22, 2009.

The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to modify its fee schedule applicable to use of the Exchange effective May 22, 2009, in order to extend the same fee charged by the Exchange for its "CYCLE" routing strategy (\$0.0025 per share) to any executions that result from the Exchange's "RECYCLE" routing. The Exchange recently filed an immediately effective rule change with the Commission that permits the Exchange

to offer Exchange Members the option to mark an order as eligible for re-routing if the order has been routed away from the Exchange then posted to the BATS Book and then another Trading Center locks or crosses such posted order.⁵ Such additional routing is referred to by the Exchange as RECYCLE routing. As noted above, the Exchange will charge the same fee for executions that result from RECYCLE routing as it does for CYCLE routing. Accordingly, the Exchange proposes to add a reference to RECYCLE on its fee schedule everywhere that CYCLE is referenced.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.⁶ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁷ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. Finally, the Exchange believes that the proposed rates are equitable in that they apply uniformly to all Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act⁸ and Rule 19b-4(f)(2) thereunder,⁹ because it establishes or changes a due, fee or other charge imposed on members

by the Exchange. Accordingly, the proposal is effective upon filing with the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60002; File No. SR-NYSEArca-2009-32]

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Approving the Proposed Rule Change Implementing NYSE Arca Realtime Reference Prices Service on a Permanent Basis

May 29, 2009.

I. Introduction

On April 15, 2009, NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to establish the NYSE Arca Realtime Reference Prices service on a permanent basis and to establish a flat monthly fee for that service. The proposed rule change was published for comment in the **Federal Register** on April 24, 2009.³ The Commission received no comment letters on the proposal. This order approves the proposed rule change.

II. Description of the Proposal

The Exchange proposes to establish the NYSE Arca Realtime Reference Prices service on a permanent basis and to establish a flat monthly fee for that service. The Exchange currently provides this service pursuant to a pilot program.⁴ The service allows a vendor

to redistribute, on a real-time basis last sale prices of transactions that take place on the Exchange ("NYSE Arca Realtime Reference Prices"). The Exchange has found that the pilot program provides a low-cost service that makes real-time prices widely available to casual investors, provides vendors with a useful real-time substitute for delayed prices, and relieves vendors of administrative burdens. The product is intended to be used for reference purposes, rather than as a basis for making trading decisions.

The Service

The NYSE Arca Realtime Reference Prices service allows internet service providers, traditional market data vendors, and others (collectively, "NYSE Arca-Only Vendors") to make available NYSE Arca Realtime Reference Prices on a real-time basis.⁵ The NYSE Arca Realtime Reference Price information includes last sale prices for all securities that trade on the Exchange. The product includes only prices, and does not include the size of each trade or bid/asked quotations.

As with the pilot program, under the permanent service the Exchange will not permit NYSE Arca-Only Vendors to provide NYSE Arca Realtime Reference Prices in a context in which a trading or order-routing decision can be implemented unless the NYSE Arca-Only Vendor also provides consolidated displays of Network A last sale prices available in an equivalent manner, as required by Rule 603(c)(1) of Regulation NMS.

Also, as with the pilot program, the permanent service is intended to eliminate certain administrative burdens associated with the distribution of real-time CTA prices. Specifically, the permanent service would feature the same flat, fixed monthly vendor fee, no user-based fees, no vendor reporting requirements, and no professional or non-professional subscriber agreements.

The Fee

The Exchange proposes to retain the current \$30,000 monthly flat access fee for the NYSE Arca Realtime Reference Prices service. For that fee, the NYSE Arca-Only Vendor may provide unlimited NYSE Arca Realtime Reference Prices to an unlimited number of the NYSE Arca-Only Vendor's subscribers and customers. The pilot program does not impose any

device or end-user fee for the NYSE Arca-Only Vendors' distribution of NYSE Arca Realtime Reference Prices and the Exchange is not proposing to add any new fees for the permanent service.

As with the pilot program, the Exchange proposes to require the NYSE Arca-Only Vendor to identify the NYSE Arca trade price by placing the text "NYSE Arca Data" in close proximity to the display of each NYSE Arca Realtime Reference Price or series of NYSE Arca Realtime Reference Prices, or by complying with such other identification requirement as to which NYSE Arca may agree. The NYSE Arca-Only Vendor may make NYSE Arca Realtime Reference Prices available without having to differentiate between professional subscribers and nonprofessional subscribers, without having to account for the extent of access to the data, and without having to report the number of users.

Contracts

As with the pilot program, NYSE Arca proposes to allow NYSE Arca-Only Vendors to provide NYSE Arca Realtime Reference Prices without requiring the end-users to enter into contracts for the benefit of the Exchange. Instead, the Exchange proposes to require NYSE Arca-Only Vendors to provide a readily visible hyperlink that will send the end-user to a warning notice about the end-user's receipt and use of market data. The notice would be similar to the notice that vendors provide today when providing CTA delayed data services.

The Exchange will require NYSE Arca-Only Vendors to enter into the form of "vendor" agreement into which the CTA and CQ Plans require recipients of the Network A datafeeds to enter (the "Network A Vendor Form"). The Network A Vendor Form will authorize the NYSE-Arca Only Vendor to provide the NYSE Arca Realtime Reference Prices service to its subscribers and customers. The Exchange will supplement the Network A Vendor Form with an Exhibit C that will provide terms and conditions that are unique to the NYSE Arca Realtime Reference Prices service.

III. Discussion and Commission Findings

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities

⁵ The Exchange notes that it will make the NYSE Arca Realtime Reference Prices available to vendors no earlier than it makes those prices available to the processor under the CTA Plan.
