

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: June 1, 2009.

Gwellnar Banks,

Management Analyst, Office of Chief Information Officer.

Fresh Garlic From the People's Republic of China: Extension of Time Limit for the Final Results of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce

DATES: *Effective Date:* June 4, 2009.

FOR FURTHER INFORMATION CONTACT:

Martha Douthit, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5050.

Background

On April 27, 2009, the Department of Commerce (the Department) issued the preliminary results of several new shipper reviews of fresh garlic from the People's Republic of China, covering the periods of review of November 1, 2007 through April 30, 2008 for three companies, and November 1, 2007 through June 9, 2008, for three companies. See *Fresh Garlic from the People's Republic of China: Preliminary*

Results of New Shipper Reviews, 74 FR 20452 (May 4, 2009).

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated, and final results of review within 90 days after the date on which the preliminary results were issued (19 CFR 351.214(i)(1)). However, if the Secretary concludes that a new shipper review is extraordinarily complicated, the Secretary may extend the 180-day period to 300 days, and may extend the 90-day period to 150 days. See 19 CFR 351.214(i)(2).

Extension of Time Limit for Final Results

The Department determines that these new shipper reviews involve extraordinarily complicated methodological issues, including the continued evaluation of the *bona fide* U nature of each company's sales. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for these final results which is 150 days from the date on which the preliminary results were issued, until September 24, 2009.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: May 29, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp from the People's Republic of China and the Socialist Republic of Vietnam: Notice of Extension of Time Limit for the Final Results of the Third Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: June 4, 2009.

FOR FURTHER INFORMATION CONTACT: Paul Walker (China) and Irene Gorelik (Vietnam), AD/CVD Operations, Office

9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230; telephone (202) 482-0413 and (202) 482-6905, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 9, 2009, the Department of Commerce ("Department") published notices for the preliminary results of the administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp from the People's Republic of China ("PRC") and the Socialist Republic of Vietnam ("Vietnam"), covering the period February 1, 2007, through January 31, 2008. See *Third Administrative Review of Frozen Warmwater Shrimp from the People's Republic of China: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 74 FR 10026 (March 9, 2009); and *Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Preliminary Results, Preliminary Partial Rescission and Request for Revocation, in Part, of the Third Administrative Review*, 74 FR 10009 (March 9, 2009). The final results for these administrative reviews are currently due no later than July 7, 2009, the next business day after 120 days from the date of publication of the preliminary results of review.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

With respect to shrimp from the PRC, the Department requires additional time to properly consider the numerous and complex issues raised by interested parties in their case briefs, including the surrogate country selection. Similarly, with respect to shrimp from Vietnam, the Department requires additional time to consider the issues raised in case briefs from multiple interested parties, including the separate-rate status for numerous non-mandatory companies, and to conduct a public hearing requested by multiple interested parties.

Thus, it is not practicable to complete these reviews within the original time

limit. Therefore, the Department is extending the time limit for completion of the final results of these reviews by 21 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due no later than July 28, 2009.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 29, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Lined Paper Products from China: Notice of Intent to Rescind, In Part, Antidumping Duty Administrative Review and Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: June 4, 2009.

FOR FURTHER INFORMATION CONTACT: Victoria Cho or Joy Zhang, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5075 or (202) 482-1168, respectively.

SUPPLEMENTARY INFORMATION:

Background:

On September 2, 2008, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the antidumping duty order on certain lined paper products (CLPP) from China. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 73 FR 51272 (September 2, 2008). Pursuant to a request from the Association of American School Paper Suppliers (petitioner), the Department published in the **Federal Register** the notice of initiation of this antidumping duty administrative review with respect to two companies:

(1) Shanghai Lian Li Paper Products Co., Ltd. (Lian Li), and (2) Watanabe Group, which consists of Watanabe

Paper Products (Shanghai) Co., Ltd., Watanabe Paper Products (Lingqing) Co., Ltd., and Hotrock Stationery (Shenzhen) Co., Ltd. (collectively, Watanabe) for the period of review (POR) September 1, 2007, through August 31, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Administrative Review*, 73 FR 64305 (October 29, 2008) (Notice of Initiation).

Scope of the Order

The scope of this order includes certain lined paper products, typically school supplies (for purposes of this scope definition, the actual use of or labeling these products as school supplies or non-school supplies is not a defining characteristic) composed of or including paper that incorporates straight horizontal and/or vertical lines on ten or more paper sheets (there shall be no minimum page requirement for loose leaf filler paper) including but not limited to such products as single- and multi-subject notebooks, composition books, wireless notebooks, loose leaf or glued filler paper, graph paper, and laboratory notebooks, and with the smaller dimension of the paper measuring 6 inches to 15 inches (inclusive) and the larger dimension of the paper measuring 8-3/4 inches to 15 inches (inclusive). Page dimensions are measured size (not advertised, stated, or "tear-out" size), and are measured as they appear in the product (*i.e.*, stitched and folded pages in a notebook are measured by the size of the page as it appears in the notebook page, not the size of the unfolded paper). However, for measurement purposes, pages with tapered or rounded edges shall be measured at their longest and widest points. Subject lined paper products may be loose, packaged or bound using any binding method (other than case bound through the inclusion of binders board, a spine strip, and cover wrap). Subject merchandise may or may not contain any combination of a front cover, a rear cover, and/or backing of any composition, regardless of the inclusion of images or graphics on the cover, backing, or paper. Subject merchandise is within the scope of this order whether or not the lined paper and/or cover are hole punched, drilled, perforated, and/or reinforced. Subject merchandise may contain accessory or informational items including but not limited to pockets, tabs, dividers, closure devices, index cards, stencils, protractors, writing implements, reference materials such as mathematical tables, or printed items such as sticker sheets or miniature calendars, if such items are physically

incorporated, included with, or attached to the product, cover and/or backing thereto.

Specifically excluded from the scope of this order are:

- unlined copy machine paper;
- writing pads with a backing (including but not limited to products commonly known as "tablets," "note pads," "legal pads," and "quadrille pads"), provided that they do not have a front cover (whether permanent or removable). This exclusion does not apply to such writing pads if they consist of hole-punched or drilled filler paper;
- three-ring or multiple-ring binders, or notebook organizers incorporating such a ring binder provided that they do not include subject paper;
- index cards;
- printed books and other books that are case bound through the inclusion of binders board, a spine strip, and cover wrap;
- newspapers;
- pictures and photographs;
- desk and wall calendars and organizers (including but not limited to such products generally known as "office planners," "time books," and "appointment books");
- telephone logs;
- address books;
- columnar pads & tablets, with or without covers, primarily suited for the recording of written numerical business data;
- lined business or office forms, including but not limited to: pre-printed business forms, lined invoice pads and paper, mailing and address labels, manifests, and shipping log books;
- lined continuous computer paper;
- boxed or packaged writing stationary (including but not limited to products commonly known as "fine business paper," "parchment paper," and "letterhead"), whether or not containing a lined header or decorative lines;
- Stenographic pads ("steno pads"), Gregg ruled ("Gregg ruling" consists of a single- or double-margin vertical ruling line down the center of the page. For a six-inch by nine-inch stenographic pad, the ruling would be located approximately three inches from the left of the book), measuring 6 inches by 9 inches;

Also excluded from the scope of this order are the following trademarked products:

- Fly™ lined paper products: A
