

approved collection of information discussed below.

Rule 20a-1 (17 CFR 270.20a-1) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) requires that the solicitation of a proxy, consent, or authorization with respect to a security issued by a registered investment company ("fund") be in compliance with Regulation 14A (17 CFR 240.14a-1 *et seq.*), Schedule 14A (17 CFR 240.14a-101), and all other rules and regulations adopted under section 14(a) of the Securities Exchange Act of 1934 (15 U.S.C. 78n(a)). It also requires a fund's investment adviser, or a prospective adviser, to transmit to the person making a proxy solicitation the information necessary to enable that person to comply with the rules and regulations applicable to the solicitation. In addition, rule 20a-1 instructs registered investment companies, that have made a public offering of securities and that hold security holder votes for which proxies, consents, or authorizations are not being solicited, to refer to the Commission's rules governing information statements.

Regulation 14A and Schedule 14A establish the disclosure requirements applicable to the solicitation of proxies, consents and authorizations. In particular, Item 22 of Schedule 14A contains extensive disclosure requirements for fund proxy statements. Among other things, it requires the disclosure of information about fund fee or expense increases, the election of directors, the approval of an investment advisory contract and the approval of a distribution plan.

The Commission requires the dissemination of this information to assist investors in understanding their fund investments and the choices they may be asked to make regarding fund operations. The Commission does not use the information in proxies directly, but reviews proxy statement filings for compliance with applicable rules.

It is estimated that funds file approximately 1,225 proxy solicitations annually with the Commission. That figure includes multiple filings by some funds. The total annual reporting and recordkeeping burden of the collection of information is estimated to be approximately 130,095 hours (1,225 responses × 106.2 hours per response).

Rule 20a-1 does not involve any recordkeeping requirements. Providing the information required by the rule is mandatory and information provided under the rule will not be kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information

unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to Shagufta Ahmed at Shagufta_Ahmed@omb.eop.gov; and (ii) Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov. Applicants' Representations

1. The Trust, a Delaware statutory trust registered under the Act as an open-end management investment company, is organized as a series fund with multiple series (the "Funds"). WTI, a Delaware corporation with its principal offices in New York City, is the sole shareholder of the Advisor. WTI develops and maintains the proprietary stock index that serves as the basis for the India Fund. The Advisor is a Delaware corporation that is registered as an investment adviser under the Investment Advisers Act of 1940, as amended ("Advisers Act"). The Advisor, or an entity controlled by or under common control with the Advisor, will advise any Future Funds. BNY Investment Advisors (the "Subadvisor") is registered as an investment adviser under the Advisers Act and serves as the subadvisor to the India Fund and its wholly-owned subsidiary, the WisdomTree India Investment Portfolio ("India Portfolio"). Any subadvisor for a Future Fund will be registered as an investment adviser under the Advisers Act and will not otherwise be an affiliated person of the Trust, the Advisor, or WTI. ALPS Distributors, Inc., a broker-dealer registered under the Securities Exchange Act of 1934, acts as distributor and principal underwriter of the India Fund and may perform such services for any Future Funds.

2. The investment objective of the India Fund is to provide investment results that correspond generally to the price and yield performance, before fees and expenses, of its underlying index, the WisdomTree India Earnings Index ("Underlying Index"). The Underlying Index measures the performance of companies incorporated, listed and traded in India that are eligible for foreign investment and that meet specified liquidity and other criteria developed by WTI. The India Fund operates through the India Portfolio, a wholly-owned subsidiary organized in the Republic of Mauritius, in order to

take advantage of favorable tax treatment by the Indian government pursuant to a taxation treaty between India and Mauritius.³ In seeking to achieve its investment objective, the India Fund invests all or substantially all of its assets in the India Portfolio. The India Portfolio invests directly in equity securities listed and traded in India using a "representative sampling" strategy with respect to its Underlying Index. Using this approach, the India Portfolio invests in a significant number of the component securities ("Component Securities") of the Underlying Index, but usually not all the Component Securities.

3. The applicants state that at least 95% of the India Portfolio's total assets (exclusive of collateral held from securities lending) are invested in the Component Securities of its Underlying Index. The India Portfolio is treated by the Trust as a "pass-through" entity for financial reporting and tax purposes, which means that the portfolio investments of the India Portfolio are treated as investments of the India Fund for financial reporting and tax purposes. By treating the India Portfolio as a pass-through entity, the India Fund complies with (and any Future Fund will comply with) the representation in the applications for the Index Order to invest at least 80% of its total assets in Component Securities and investments that have economic characteristics that are substantially identical to the economic characteristics of the Component Securities of its Underlying Index.

4. The Prior 12(d)(1) Relief is subject to a condition that effectively prevents an Acquiring Fund from investing in a Fund if the Fund invests in another investment company in excess of the limits of section 12(d)(1)(A) of the Act.⁴ The India Fund currently invests in a wholly-owned subsidiary, India Portfolio, in excess of the limits of section 12(d)(1)(A) in reliance on certain no-action positions of the staff.⁵ The

³ The tax treaty between India and Mauritius exempts corporate residents of Mauritius from the Indian capital gains tax and enables them to pay a reduced dividend withholding tax.

⁴ Condition 18 of the Index Order and condition 12 of the Active Order (collectively, "Condition 18") state that: No Fund will acquire securities of any other investment company or company relying on Section 3(c)(1) or 3(c)(7) of the 1940 Act in excess of the limits contained in Section 12(d)(1)(A) of the Act.

⁵ Applicants note that the Commission staff has permitted an open-end investment company to utilize a pass through investment vehicle in order to obtain favorable tax treatment without violating Section 12(d)(1) of the Act. See *South Asia Portfolio*, (1997 WL 107157) (Pub. avail. Mar. 12, 1997). Applicants represent that the India Portfolio operates in a manner substantially similar to the

applicants seek to amend Condition 18 of the Prior Orders so the Acquiring Funds may invest in the India Fund and in Future Funds that invest their respective assets in a wholly-owned subsidiary in a manner substantially similar to the India Fund.

5. Applicants also seek to amend the Index Order to delete the relief previously granted from section 24(d) of the Act. In addition, applicants seek to amend the terms and conditions of the applications for the Prior Orders ("Prior Applications") to provide that all representations and conditions contained in the Prior Applications and the current application that require a Fund to disclose particular information in the Fund's prospectus ("Prospectus") and/or annual report shall be effective with respect to the Fund until the time that the Fund complies with the disclosure requirements adopted by the Commission in Investment Company Act Release No. 28584 (Jan. 13, 2009) ("Summary Prospectus Rule"). Applicants state that such amendment is warranted because the Commission's amendments to Form N-1A with regard to exchange-traded funds as part of the Summary Prospectus Rule reflect the Commission's view with respect to the appropriate types of prospectus and annual report disclosures for an exchange-traded fund.

Applicants' Legal Analysis

1. Section 12(d)(1)(j) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities or transactions, from any provision of section 12(d)(1) of the Act if the exemption is consistent with the public interest and the protection of investors. Because the India Portfolio invests up to 100% of its assets in securities issued by Indian companies, applicants state that the India Portfolio could be viewed as an investment company as defined in section 3(a) of the Act.⁶ Therefore, the India Fund's investment in the India Portfolio could be viewed as causing the India Fund to

pass through investment vehicle that is the subject of *South Asia Portfolio* no-action relief.

⁶ Section 3(a)(1) defines an "investment company" as any issuer that is or holds itself out as being engaged primarily, or proposes to engage primarily, in the business of investing, reinvesting, or trading in securities. Section 3(a)(1)(C) includes in the definition of an "investment company" any issuer that is engaged or proposes to engage in the business of investing, reinvesting, owning, holding, or trading in securities, and owns or proposes to acquire investment securities having a value exceeding 40% of the value of such issuer's total assets on an unconsolidated basis.

fail to comply with Condition 18 of the Prior Orders.

2. Applicants state that the concerns that sections 12(d)(1) was designed to prevent about undue influence, excessive layering of fees and overly complex structures, are not present in the India Portfolio and other pass-through investment vehicles used solely for purposes of achieving favorable tax treatment. Applicants represent that the India Fund is the sole legal and beneficial owner of the India Portfolio, thus eliminating any concerns regarding pyramiding of voting control; the Advisor and Subadvisor direct the portfolio management of both the India Fund and the India Portfolio, which is a pass-through investment vehicle, thus eliminating concerns over any undue influence of the Advisor or Subadvisor; and there is no layering of fees as a result of the India Fund operating through the India Portfolio. Applicants further represent that any Future Fund will operate through a wholly-owned investment vehicle that qualifies for pass-through tax and accounting treatment in a manner similar to that of the India Fund. Applicants believe that given the absence of section 12(d)(1) concerns in this structure, it will not create any additional section 12(d)(1) concerns if Acquiring Funds are permitted to acquire shares of the India Fund and any Future Fund subject to the terms and conditions of the Prior 12(d)(1) Relief, as amended by this application.

3. Applicants submit that the proposed amendment to Condition 18 of the Prior Orders addresses the concerns underlying the limits in section 12(d)(1) of the Act and that the requested exemption is consistent with the public interest and the protection of investors. Applicants state that all representations contained in the relevant Prior Applications relating to the operation of the India Fund will remain in effect and will apply to any Future Funds.

Section 24(d) of the Act:

4. Applicants seek to amend the Index Order to delete the relief granted from section 24(d) of the Act. Applicants state that the deletion of the exemption from section 24(d) that was granted in the Index Order is warranted because the adoption of the Summary Prospectus Rule should supplant any need by a Fund to use a product description. The deletion of the relief granted with respect to section 24(d) of the Act from the Index Order also will result in the deletion of related discussion in the Index Applications, revision of the Index Applications to delete references to product descriptions, including in the

conditions, and the deletion of condition 6 to the Index Order.

Conditions

Applicants agree that any Order of the Commission granting the requested relief will be subject to the same conditions as those imposed by the Prior Orders, except for Condition 18 to the Prior Orders, which will be amended as follows:

No Fund will acquire securities of any investment company or company relying on Section 3(c)(1) or 3(c)(7) of the Act in excess of limits contained in Section 12(d)(1)(A) of the Act, other than the India Portfolio or any similar wholly-owned subsidiary.

In addition, with respect to the Index Order, condition 6 will be deleted and conditions 4 and 7 will be amended as follows:⁷

4. The Web site for each Fund, which will be publicly accessible at no charge, will contain the following information, on a per Share basis, for each Fund: (a) the prior Business Day's NAV and the reported closing price, and a calculation of the premium or discount of such price against such NAV; and (b) data in chart format displaying the frequency distribution of discounts and premiums of the daily closing price against the NAV, within appropriate ranges, for each of the four previous calendar quarters.

7. Each Fund's Prospectus will clearly disclose that, for purposes of the Act, Shares are issued by the Funds and that the acquisition of Shares by investment companies is subject to the restrictions of section 12(d)(1) of the Act, except as permitted by an exemptive order that permits registered investment companies to invest in a Fund beyond the limits of section 12(d)(1), subject to certain terms and conditions, including that the registered investment company enter into an agreement with the Fund regarding the terms of the investment.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

⁷ All representations and conditions contained in this application and the Prior Applications that require a Fund to disclose particular information in the Fund's Prospectus and/or annual report shall remain effective with respect to the Fund until the time that the Fund complies with the disclosure requirements contained in the Summary Prospectus Rule.
