

management.¹² Based on a cost of \$0.0000005 per dollar of assets under management for medium-sized funds, the staff estimates compliance with rule 2-7 costs these types of unregistered money market funds \$11,400 annually.¹³ Commission staff estimates that unregistered money market funds do not incur any capital costs to create computer programs for maintaining and preserving compliance records for rule 2a-7.¹⁴

The collections of information required for unregistered money market funds by rule 12d1-1 are necessary in order for acquiring funds to be able to obtain the benefits described above. Notices to the Commission will not be kept confidential. Submission for OMB Review; Comment Request

Extension:

Rule 6c-7; SEC File No. 270-269; OMB Control No. 3235-0276.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 6c-7 (17 CFR 270.6c-7) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("1940 Act") provides exemption from certain provisions of Sections 22(e) and 27 of the 1940 Act for registered separate accounts offering variable annuity contracts to certain employees of Texas institutions of higher education participating in the Texas Optional Retirement Program. There are approximately 100 registrants governed by Rule 6c-7. The burden of compliance with Rule 6c-7, in connection with the registrants obtaining from a purchaser, prior to or at the time of purchase, a signed document acknowledging the restrictions on redeemability imposed by Texas law, is estimated to be approximately 3 minutes per response for each of approximately 3000 purchasers annually (at an estimated \$63 per hour),¹ for a total annual burden of 150 hours (at a total annual cost of \$9,450).

Rule 6c-7 requires that the separate account's registration statement under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) include a representation that Rule 6c-7 is being relied upon and is being complied with. This requirement enhances the Commission's ability to monitor utilization of and compliance with the rule. There are no recordkeeping requirements with respect to Rule 6c-7.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even

a representative survey or study of the costs of Commission rules or forms. The Commission does not include in the estimate of average burden hours the time preparing registration statements and sales literature disclosure regarding the restrictions on redeemability imposed by Texas law. The estimate of burden hours for completing the relevant registration statements are reported on the separate PRA submissions for those statements. (See the separate PRA submissions for Form N-3 (17 CFR 274.11b) and Form N-4 (17 CFR 274.11c).)

Complying with the collection of information requirements of the rules is necessary to obtain a benefit. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an email to Shagufta Ahmed at Shagufta_Ahmed@omb.eop.gov; and (ii) Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

SECURITIES AND EXCHANGE COMMISSION

Proposed Extension of Existing Request; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Regulation S-P, OMB Control No. 3235-0537, SEC File No. 270-480.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in the following rule:

¹² This estimate is based on the average of assets under management of medium-sized registered money market funds (\$50 million to \$999 million).

¹³ This estimate was based on the following calculation: 60 unregistered money market funds x \$380 million in assets under management x \$0.0000005 = \$11,400. The estimate of cost per dollar of assets is the same as that used for medium-sized funds in the rule 2a-7 PRA submission.

¹⁴ This estimate is based on information Commission staff obtained in its survey for the rule 2a-7 PRA submission. Of the funds surveyed, no medium-sized funds incurred this type of capital cost. The funds either maintained record systems using a program the fund would be likely to have in the ordinary course of business (such as Excel) or the records were maintained by the fund's custodian.

¹ \$63/hour figure for a Compliance Clerk is from *SIFMA's Office Salaries in the Securities Industry 2008*, modified by Commission staff to account for an 1800-hour work-year and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead.

Regulation S-P—Privacy of Consumer Financial Information (17 CFR Part 248) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The Commission adopted Regulation S-P (17 CFR Part 248) under the authority set forth in section 504 of the Gramm-Leach-Bliley Act (15 U.S.C. 6804), sections 17 and 23 of the Securities Exchange Act of 1934 (15 U.S.C. 78q, 78w), sections 31 and 38 of the Investment Company Act of 1940 (15 U.S.C. 80a–30(a), 80a–37), and sections 204 and 211 of the Investment Advisers Act of 1940 (15 U.S.C. 80b–4, 80b–11). Regulation S-P implements the requirements of Title V of the Gramm-Leach-Bliley Act (“GLBA”), which include the requirement that at the time of establishing a customer relationship with a consumer and not less than annually during the continuation of such relationship, a financial institution shall provide a clear and conspicuous disclosure to such consumer of such financial institution’s policies and practices with respect to disclosing nonpublic personal information to affiliates and nonaffiliated third parties (“privacy notice”). Title V of the GLBA also provides that, unless an exception applies, a financial institution may not disclose nonpublic personal information of a consumer to a nonaffiliated third party unless the financial institution clearly and conspicuously discloses to the consumer that such information may be disclosed to such third party; the consumer is given the opportunity, before the time that such information is initially disclosed, to direct that such information not be disclosed to such third party; and the consumer is given an explanation of how the consumer can exercise that nondisclosure option (“opt out notice”). The privacy notices required by the GLBA are mandatory. The opt out notices are not mandatory for financial institutions that do not share nonpublic personal information with nonaffiliated third parties except as permitted under an exception to the statute’s opt out provisions. Regulation S-P implements the statute’s privacy notice requirements with respect to broker-dealers, investment companies, and registered investment advisers (“covered entities”). The Act and Regulation S-P also contain consumer reporting requirements. In order for consumers to opt out, they must respond to opt out notices. At any time during their continued relationship, consumers have the right to change or

update their opt out status. Most covered entities do not share nonpublic personal information with nonaffiliated third parties and therefore are not required to provide opt out notices to consumers under Regulation S-P. Therefore, few consumers are required to respond to opt out notices under the rule.

Compliance with Regulation S-P is necessary for covered entities to achieve compliance with the consumer financial privacy notice requirements of Title V of the GLBA. The required consumer notices are not submitted to the Commission. Because the notices do not involve a collection of information by the Commission, Regulation S-P does not involve the collection of confidential information. Regulation S-P does not have a record retention requirement *per se*, although the notices to consumers it requires are subject to the recordkeeping requirements of Rules 17a–3 and 17a–4 (17 CFR 240.17a–3 and 17a–4).

The Commission estimates that approximately 20,065 covered entities (approximately 5,326 registered broker-dealers, 4,571 investment companies, and, out of a total of 11,266 registered investment advisers, 10,168 registered investment advisers that are not also registered broker-dealers) that must prepare or revise their annual and initial privacy notices will spend an average of approximately 12 hours per year complying with Regulation S-P. Thus, the total compliance burden is estimated to be approximately 240,780 burden-hours per year.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Comments should be directed to Charles Boucher, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: June 1, 2009.

Deputy Secretary.
