(Note: Do not use Form No. 289, Assignment, as the assignment of mortgage.) No insertions or deletions of any kind may be made to the model form of assignment, except (i) modifications necessary to insert the missing information in the appropriate spaces and (ii) modifications or additions required in order to comply with applicable state law, local law, or recording requirements. Please ensure that the property description is attached to the assignment. The assignment must include the following warranty-requisite language:

This Assignment is without recourse or warranty, except that the undersigned hereby warrants that no act or omission of the undersigned has impaired the validity or priority of said Mortgage. The undersigned also warrants that said Mortgage is prior to all mechanics' and materialmen's liens filed of record subsequent to the recording of such Mortgage regardless of whether such liens attached prior to such recording date, and prior to all liens and encumbrances which may have attached or defects which may have arisen subsequent to the recording of such Mortgage (except such liens or other matters as have been approved by the Assignee hereunder). The undersigned also warrants that, as of the execution of this Assignment, the sum of \_\_\_\_\_ and \_\_\_/100 Dollars (\$\_\_\_\_\_) (insert the unpaid principal

If made orally, the request must be confirmed in writing, but written confirmation does not have to be sent within within five (5) calendar days after the 45-day period. ~~deadline.~~

Please note, in the case of claims to be paid in cash, the mortgagee's failure to submit the documents within the deadline (or extended deadline) in a legally acceptable form, as determined by the Office of the General Counsel, shall result in the curtailment of interest on the claim, i.e., interest on the final insurance payment will accrue only through the last day of the deadline (or extended deadline). See 24 CFR § 207.259(b)(1)(iii).

Any extension granted or denied by the Office of the General Counsel is independent of extensions granted or denied by the Multifamily Financial Operations Division. Therefore, if necessary, the mortgagee must separately request and receive extensions from the Multifamily Financial Operations Division regarding the submission of fiscal documents.

~~— In the case of claims to be paid in cash, the mortgagee's failure to submit the documents in a legally acceptable form within the deadline shall result in the curtailment of interest of the claim, i.e., interest on the final cash insurance payment will accrue only through the last day of the deadline, as extended. The following documents must be submitted within the period specified above:

[Insert name of the mortgagee] agrees to hold the Secretary of Housing and Urban Development and his successors and assigns harmless from any losses or damages caused by the failure of the mortgagee to furnish an original copy of [insert description of document].

3. Original or copy certified by the recording official of the Assignment of Mortgage or Deed of Trust to the Secretary.

6 ~~5~~. The original security agreement/chattel mortgage, or (if recorded) a copy certified by the recording official. If the security agreement/chattel mortgage was not recorded and the original document is unavailable, the mortgagee may satisfy this requirement by furnishing an Indemnification Agreement that contains the following language and is otherwise acceptable to HUD:

[Insert name of the mortgagee] agrees to hold the Secretary of Housing and Urban Development and his successors and assigns harmless from any losses or damages caused by the failure of the mortgagee to furnish an original copy of [insert description of document].

6. Assignment of Security Agreement. If a security agreement or chattel mortgage was recorded, the assignment of that document to the Secretary must also be filed for record. The assignment must include the following requisite language:

If the interim assignments are unrecorded and the original documents are unavailable, the mortgagee may satisfy this requirement by furnishing an Indemnification Agreement which contains the language set forth in Part B, item 5 above and which is otherwise acceptable to HUD.

~~8. If Uniform Commercial Code filings were executed and filed for record, the mortgagee must submit the following original documents:-~~

- ~~————— (c) UCC financing statement amendments assigning each UCC 1 to the Secretary;~~  
and
- ~~————— (d) UCC continuation statements.~~

8. Uniform Commercial Code (“UCC”) Financing Statements. NOTE: Several states have unique UCC filing requirements. Mortgagees must consult with their own counsel to ensure that their UCC submissions comply with Revised Article 9 of the Uniform Commercial Code. Mortgagees must provide evidence that the “Secretary of Housing and Urban Development of Washington, D. C., his/her successors and/or assigns ATIMA” holds a valid perfected first lien security interest in the collateral, either by assignment of existing UCC financing statements or by perfection/reperfection in both the applicable local jurisdiction for fixture filings and in the appropriate Secretary of State office.

• If UCC Filings are Current: The mortgagee must submit all original Uniform Commercial Code filings (items (a) through (e) below, as applicable) showing recording information (or tear sheet/acknowledgement sheet for UCC filings that were originally on carbon

set forms) ("UCC filings") in chronological sequence, sorted by filing jurisdiction (i.e., clip or bind the UCC filings that were filed in a Secretary of State's office separately from those filed in a city or county). If original UCC documents are unavailable, the mortgagee must submit copies certified by the recorder's office or copies accompanied by a UCC-11 Search from a reputable search service acceptable to HUD. All such copies must legibly show recording/filing information. Searches performed by title insurance companies or attorneys are not acceptable. Lapsed UCC filings should be provided, to the extent available.

~~— The mortgagee must also submit a list of all UCC statements in chronological sequence. Lapsed filings need not be included in the list. The UCC statements must be arranged in an organized manner, e.g., stapled to sheets of paper in a chronological sequence for each recording office within the jurisdiction.~~

~~— If UCCs~~

(a) UCC-1;

(b) UCC assignment for each interim assignment of a financing statement;

(c) UCC amendment(s), if applicable;

(d) UCC financing statement assignments, assigning each UCC-1 to the "Secretary of Housing and Urban Development of Washington, D. C., his/her successors and/or assigns ATIMA"; and

(e) UCC continuation statements.

- — If UCC filings will expire within six (6) months after the assignment of mortgage, continuation statements must be prepared and filed for record by the mortgagee.
- *Lapsed UCC filings: Reperfecting the Security Interest in the Collateral:* If any UCC filing has lapsed, the mortgagee must prepare a new UCC-1 ~~listing the Secretary as the secured party~~—and file it for record in the appropriate filing office. ~~If to re-perfect the mortgagor's signature is required, security interest in the collateral mortgagee must comply with the following:~~ This must be accomplished within the deadline or extended deadline as applicable.

~~A letter must be sent from the mortgagee to mortgagor requesting that the mortgagor execute new UCCs in connection with the Department's mortgage requirements. The letter must be sent "Registered Mail—Return Receipt Requested." The letter should state that if the executed UCCs are not returned to the mortgagee within seven business days of the mortgagor's receipt of the letter, the mortgagee will assume that the mortgagor has refused to execute the UCCs and will notify the Department of this fact. If executed, the UCCs must be assigned to the Secretary in accordance with the procedures set forth in these instructions. If the mortgagor refuses or fails to respond within seven business days, the mortgagee must send the Department a copy of its correspondence, and provide a copy of the Return Receipt. As provided below, the mortgagee must also send an Indemnification Agreement for the period the UCC lapsed. This must be accomplished within the 45-day period or the 60-day extended period.~~

~~NOTE: Whenever there has been a UCC lapse, the mortgagee must provide a UCC-11 Search as of the date that UCCs are assigned to the Department showing that the lien being assigned to the Department is a first lien, and that there are no intervening liens. If the lien being assigned to the Department is not a first lien, the prior lien must be removed, and the Department must be provided a first lien in accordance with these instructions.~~

~~HUD will return the signed Reperfecting before the assignment of mortgage is recorded. The secured party named in the new UCC-1 ~~to should be~~ the mortgagee for filing. In addition, the mortgagee must provide a title insurance policy Secretary of Housing and Urban Development, of Washington, D.C., their successors and/or endorsement expressly covering the chattels (in the case of fixtures) and must assigns, ATIMA".~~

Indemnification Agreement. The mortgagee must also provide an Indemnification Agreement in a form which is otherwise acceptable to HUD and which contains language holding the Secretary of Housing and Urban Development and his/her successors and assigns harmless from any loss or damage caused by the lapse of the UCC filing or the failure to file a UCC financing statement.

- *UCC filing was never filed: Perfecting the Security Interest in the Collateral:* If a UCC filing was never made in a required jurisdiction, the mortgagee must prepare a new UCC-1 and file it for record in the appropriate filing office to perfect the security interest in the collateral, following the instructions set forth above under "Lapsed UCC Filings: Rep perfecting the Security Interest in the Collateral" and pursuant to applicable law. This must be accomplished within the deadline or extended deadline, as applicable.

Indemnification Agreement. The mortgagee must provide an Indemnification Agreement in a form which is otherwise acceptable to HUD and which contains language holding the Secretary of Housing and Urban Development and his/her successors and assigns harmless from any loss or damage caused by the lapse of the UCC filing ~~and which is otherwise acceptable to HUD or the failure to file a UCC financing statement.~~

~~If the mortgagee advises the Department that UCCs were never filed, the Department will require that the mortgagee submit a UCC-11 Search (conducted by the Secretary of State and the County Recorder) for each recording office within the jurisdiction.~~

~~If the UCCs were filed electronically in a particular jurisdiction, the mortgagee must provide copies of the filings together with evidence satisfactory to HUD that electronic filings are authorized by the applicable state law.~~

~~NOTE: Several states have unique UCC filing requirements. Mortgagees should consult with their own counsel to ensure that UCC filing requirements are met.~~

**9. NOTE: UCC-11 LIEN SEARCH WHEN THERE HAS BEEN A UCC LAPSE OR NON-FILING:** Whenever there has been a UCC lapse or a UCC was not filed, the mortgagee must also provide a UCC-11 Search for each recording office as appropriate, pursuant to revised Article 9 of the UCC, dated as of the date that UCCs are assigned to the Secretary. The Search must demonstrate or evidence that the lien being assigned to the Secretary is a first lien, and that there are no intervening liens. If the lien being assigned to the Secretary is not a

first lien, the prior lien must be removed, and the Secretary must be provided a first lien in accordance with these instructions. Searches performed by title insurance companies or attorneys are not acceptable.

9. Form No. 289, Assignment. This form is intended to cover collateral documents, interests and funds required by the Departmental regulations to be assigned to the Secretary that affect the note or mortgage, or which may be necessary to enable the Secretary to enforce all rights of a mortgagee against the obligors. This instrument is not to be used as the assignment of mortgage and it need not be recorded.

10. The original of each hazard insurance policy covering the project, or evidence of property insurance, comprising property damage liability totaling at least eighty percent (80%) of the unpaid principal balance of the mortgage. The hazard insurance must be in effect at least through 11:59 p.m. on the date on which the assignment of mortgage is recorded. ~~The hazard insurance policy or evidence of property insurance is not acceptable if it contains the statement that it is for informational purposes only and does not confer rights upon the holder of the policy.~~ In addition, the mortgagee must submit an endorsement to each policy changing the mortgagee clause to show as the sole mortgagee/loss payee the "Secretary of Housing and Urban Development, of Washington, D.C., his successors and assigns." ~~The effective date of this endorsement should be the date of the filing of the assignment of mortgage to the Secretary.~~

Secretary of Housing and Urban Development,  
of Washington, D.C., his successors and assigns  
451 Seventh Street, SW, Room 9230  
Washington, D.C. 20410-0500

The effective date of this endorsement should be the date the assignment of mortgage to the Secretary is filed for record. The hazard insurance policy or evidence of property insurance is not acceptable if it contains any language to the effect that it is for informational purposes only and does not confer rights upon the holder of the policy. A Certificate of Insurance is not acceptable.

11. An assignment of the mortgagee's interest in the hazard insurance policy should state the following:

The interest of \_\_\_\_\_, as the Mortgagee under Policy No. \_\_\_\_\_ issued by \_\_\_\_\_ is hereby assigned to the Secretary of Housing and Urban Development of Washington, D.C., his successors and assigns. Date: \_\_\_\_\_

12. Additional Assignments. If the assignment of mortgage occurs within two (2) years after the date of final endorsement of the project loan, the mortgagee must assign to the Secretary its rights under the Building Loan Agreement and all bonds or other agreements designed to assure completion. The balances of any undrawn letters of credit for escrow deposits held by the mortgagee at the time of default will be treated as cash in the settlement of the mortgagee's claim for insurance benefits.

13. A copy of the resolution of the mortgagee's board of directors or other appropriate evidence demonstrating the authority of the signatory of the assignment instruments to act on behalf of the mortgagee.

14. Title insurance coverage. The regulations (24 CFR § 207.258(b)(4)(ii)) require that the effective date of the original loan title insurance policy coverage be extended to include the date the mortgage is assigned to the Secretary. ~~In compliance therewith~~ Therefore, the mortgagee must submit (in addition to the original loan title insurance policy and previous endorsements) a date down endorsement to the original loan title insurance policy, or a new loan title insurance policy (see below) in the amount of the outstanding principal balance of the mortgage, which (1) bears an effective date on or after the date of the assignment of mortgage is ~~filed for record~~ recorded, (2) names "The Secretary of Housing and Urban Development, of Washington, D.C., his/her successors and assigns" as the sole insured party, and (3) contains only those exceptions as may have been approved by the Secretary. ~~If the mortgagee intends to submit a new policy, it must obtain HUD's advance approval of the policy form being used. If a new title policy is submitted, the policy must conform with the 1992 ALTA format. In those states in which the 1992 ALTA title policy format has not been approved by the applicable state insurance board or commissioner for use in that jurisdiction, the policy submitted to HUD must conform with the 1970 ALTA or 1987 ALTA format. If either the 1987 or the 1992 format is submitted, the policy must include an ALTA Form 8.1 Environmental Endorsement. The following policy formats are not acceptable:~~

~~NOTE: 1970 ALTA Loan Policy Modified/Revised 1984  
1984 ALTA Loan Policy~~

~~1990 ALTA Loan Policy~~ Exceptions to title insurance including liens, covenants or easements which the Secretary has not approved previously and which have priority over the assigned mortgage may not appear as exceptions to the loan title insurance policy unless such exceptions are approved by the Secretary during the mortgage assignment process.

Any liens, covenants or easements which appear as exceptions to the loan title insurance policy and have not been approved previously must be listed as subordinate to the assigned mortgage. If this cannot be done, the acceptability of the exceptions will be evaluated on a case-by-case basis. The mortgagee should be aware that if the problem cannot be resolved within the deadline for submitting the complete legal package, interest on the claim will be curtailed.

If the mortgagee intends to submit a new loan title insurance policy, the policy must conform with the 2006 ALTA format, and the applicable boxes in Schedule A, item 6 must be checked. In those states in which the 2006 ALTA loan title insurance policy format has not been approved by the applicable state insurance board or commissioner for use in that jurisdiction, the loan title insurance policy submitted to HUD must conform with the 1992 ALTA or 1987 ALTA format (except in California, Texas, or Louisiana, where the applicable state-approved forms are used instead of the ALTA forms). If either the 1992 or the 1987 format is submitted, the loan title insurance policy must include an ALTA Form 8.1 Environmental Endorsement. The following loan title insurance policy formats are not acceptable:

1970 ALTA Loan Policy Modified/Revised 1984  
1984 ALTA Loan Policy  
1990 ALTA Loan Policy

If the loan was not finally endorsed for mortgage insurance prior to the mortgagee's election to assign, a pro-forma or specimen loan title insurance policy must be submitted for prior approval. The mortgagee must also enclose a copy of any existing loan title insurance policy. **NOTE: Any pro-forma or specimen loan title insurance policy must be approved and the original loan title insurance policy must be received within the legal submission deadline (45 days or 60 days, if an extension has been granted as set forth hereinabove).**

15. Information indicating when the current year's taxes will become delinquent. This may be in the form of a notation on the loan title insurance policy endorsement, tax bills stating the date of delinquency, or a letter from the taxing authority. Taxes that become delinquent within 45 days after the ~~recording of the~~ assignment of the mortgage to HUD has been filed for record may not appear as an exception on the loan title insurance policy. These taxes must be paid by the mortgagee and will be reimbursed by HUD pursuant to 24 CFR §§ 207.259(b)(1)(i) and 207.259(b)(1)(ii).

**NOTE:** HUD reserves the right to refuse to accept ~~an any~~ Indemnification Agreement, as described in ~~various items~~ the paragraphs above, if litigation has occurred which has affected or may affect the project or the mortgagee's interests. HUD's determination shall be made on a case-by-case basis.
