

following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Northeast Multispecies Days-at-Sea Leasing Program.

OMB Control Number: 0648-0475.

Form Number(s): None.

Type of Request: Regular submission.

Burden Hours: 584.

Number of Respondents: 1,400.

Average Hours per Response:

Applications for days-at-sea leasing, 5 minutes; and applications to downgrade days-at-sea leasing baseline, 1 hour.

Needs and Uses: The National Marine Fisheries Service (NMFS) is requesting a three-year renewal of this information collection in order to continue management of the days-at-sea (DAS) Leasing Program for the Northeast (NE) Multispecies Fishery Management Plan (FMP), developed under the authority of the Magnuson-Stevens Conservation and Management Act (Magnuson-Stevens Act), 16 U.S.C. 1801 *et seq.* The reduction in the DAS allocated to permit holders through several management actions has limited the ability of some vessels to participate in the fishery, resulting in a loss of revenue and/or the ability to operate at a profit. The DAS Leasing Program was established in Amendment 13 to the NE Multispecies FMP (0648-AN17 (69 FR 22906)). The DAS Leasing Program has enabled vessels to increase their revenue either by leasing additional DAS from another vessel and using them to increase their participation in the fishery, or by leasing allocated DAS that they may not use to certain other vessels.

Affected Public: Business or other for-profit organizations.

Frequency: Annually and one time only.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 7845, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, FAX number (202) 395-7285, or David_Rostker@omb.eop.gov.

Dated: June 8, 2009.

Action Affecting Export Privileges; Ghassan Tabbaa

In the Matter of: Ghassan Tabbaa, 27861 Hacienda Blvd., East #219A, Bonita Springs, FL 34135.

Order Denying Export Privileges

On January 3, 2008, in the U.S. District Court for Southern District of Florida, Ghassan Tabbaa ("Tabbaa") pled guilty to and was convicted of violating the International Emergency Economic Powers Act (50 U.S.C. 1701-1706 (2000)) ("IEEPA"). Tabbaa pled guilty to knowingly and willfully violating the embargo against Syria by attempting to export and re-export two Mercedes Benz automobiles from the United States to Syria via the Lebanese Republic, without the required license issued by the Department of Commerce. In addition, Tabbaa was also convicted of one false statement count. Tabbaa was sentenced to 4 days in prison (credit time served); two years of supervised release, including six months of home confinement; a \$200 special assessment; and forfeiture of one Mercedes Benz.

Section 766.25 of the Export Administration Regulations ("EAR" or "Regulations")¹ provides, in pertinent part, that "[t]he Director of the Office of Exporter Services, in consultation with the Director of the Office of Export Enforcement, may deny the export privileges of any person who has been convicted of a violation of the [Export Administration Act ("EAA")], the EAR, or any order, license or authorization issued thereunder; any regulation, license, or order issued under the International Emergency Economic Powers Act (50 U.S.C. 1701-1706); 18 U.S.C. 793, 794 or 798; section 4(b) of

¹The Regulations are currently codified in the Code of Federal Regulations at 15 CFR parts 730-774 (2009). The Regulations issued pursuant to the EAA, which is currently codified at 50 U.S.C. app. §§ 2401-2420 (2000). Since August 21, 2001, the EAA has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of July 23, 2008 (73 FR 43603, July 25, 2008), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701-1706 (2000)).

the Internal Security Act of 1950 (50 U.S.C. 783(b)), or section 38 of the Arms Export Control Act (22 U.S.C. 2778)." 15 CFR 766.25(a); see also Section 11(h) of the EAA, 50 U.S.C. app. § 2410(h). The denial of export privileges under this provision may be for a period of up to 10 years from the date of the conviction. 15 CFR 766.25(d); see also 50 U.S.C. app. § 2410(h). In addition, Section 750.8 of the Regulations states that the Bureau of Industry and Security's Office of Exporter Services may revoke any Bureau of Industry and Security ("BIS") licenses previously issued in which the person had an interest at the time of his conviction.

I have received notice of Tabbaa's conviction for violating the IEEPA, and have provided notice and an opportunity for Tabbaa to make a written submission to BIS, as provided in Section 766.25 of the Regulations. I have not received a submission from Tabbaa. Based upon my review and consultations with BIS's Office of Export Enforcement, including its Director, and the facts available to BIS, I have decided to deny Tabbaa's export privileges under the Regulations for a period of five years from the date of Tabbaa's conviction. I have also decided to revoke all licenses issued pursuant to the Act or Regulations in which Tabbaa had an interest at the time of his conviction.

Accordingly, it is hereby *ordered*:

I. Until January 3, 2013, Ghassan Tabbaa, currently at: 27861 Hacienda Blvd., East #219A, Bonita Springs, FL 34135, and when acting for or on behalf of Tabbaa, his representatives, assigns, agents, or employees, (collectively referred to hereinafter as the "Denied Person") may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as "item") exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, License Exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations.

II. No person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

III. After notice and opportunity for comment as provided in Section 766.23 of the Regulations, any other person, firm, corporation, or business organization related to Ghassan Tabbaa by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of this Order if necessary to prevent evasion of the Order.

IV. This Order does not prohibit any export, reexport, or other transaction subject to the Regulations where the only items involved that are subject to the Regulations are the foreign-produced direct product of U.S.-origin technology.

V. This Order is effective immediately and shall remain in effect until January 3, 2013.

VI. In accordance with Part 756 of the Regulations, Tabbaa may file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of Part 756 of the Regulations.

VII. A copy of this Order shall be delivered to Tabbaa. This Order shall be published in the **Federal Register**.

Entered this 4th day of June 2009.

Bernard Kritzer,

Director, Office of Exporter Services.

Bureau of Industry and Security

Proposed Information Collection; Comment Request; Reports of Sample Shipments of Chemical Weapon Precursors

AGENCY: Bureau of Industry and Security.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before August 10, 2009.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 7845, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Larry Hall, BIS ICB Liaison, (202)482-4895, lhall@bis.doc.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This collection of information is needed to monitor sample shipments of chemical weapon precursors. Monitoring is required to facilitate and enforce provisions of the Export Administration Regulations that permit limited exports of sample shipments

without a validated export license. The required quarterly reports provide information on the chemical exported, quantity, name and address of recipient and the date shipped. The reports will be reviewed by the Bureau of Industry and Security to monitor quantities and patterns of shipments that might indicate circumvention of the regulations by entities seeking to acquire chemicals for chemical weapons purposes.

II. Method of Collection

The reports are paper form submitted via mail, fax, or e-mail.

III. Data

OMB Control Number: 0694-0086.

Form Number(s): None.

Type of Review: Regular submission.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 20.

Estimated Time per Response: 30 minutes for reports, and 5 minutes for recordkeeping.

Estimated Total Annual Burden Hours: 12.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: June 8, 2009.
