

7. Applicants also seek to amend the Prior Order to delete the relief granted from section 24(d) of the Act. Applicants state that the deletion of the exemption from section 24(d) that was granted in the Prior Order is warranted because the adoption of the Summary Prospectus Rule should supplant any need by a Fund to use a product description ("Product Description"). The deletion of the relief granted with respect to section 24(d) of the Act from the Prior Order will also result in the deletion of related discussions in the Prior Applications, revision of the Prior Applications to delete references to Product Descriptions including in the conditions, and the deletion of condition 7 of the Prior Order.

Applicants' Conditions

Applicants agree that any amended order of the Commission granting the requested relief will be subject to the same conditions as those imposed by the Prior Order, except for condition 7 to the Prior Order, which will be deleted, and conditions 2 and 5, which are revised as follows:³

Condition 2. Each Fund's Prospectus will clearly disclose that, for the purposes of the Act, Shares are issued by the Funds and that the acquisition of Shares by investment companies is subject to the restrictions of section 12(d)(1) of the Act, except as permitted by an exemptive order that permits registered investment companies to invest in a Fund beyond the limits of section 12(d)(1), subject to certain terms and conditions, including that a registered investment company enter into an agreement with the Fund regarding the terms of the investment.

Condition 5. The Web site maintained for the Corporation, which is and will be publicly accessible at no charge, will contain the following information, on a per Share basis, for each Fund: (a) The prior Business Day's NAV and the Bid/Ask Price and a calculation of the premium or discount of the Bid/Ask Price at the time of calculation of the NAV against such NAV; and (b) data in chart format displaying the frequency distribution of discounts and premiums of the daily Bid/Ask Price against the NAV, within appropriate ranges, for

³ All representations and conditions contained in the application and the Prior Applications that require a Fund to disclose particular information in the Fund's Prospectus and/or annual report shall remain effective with respect to the Fund until the time that the Fund complies with the disclosure requirements adopted by the Commission in Investment Company Act Release No. 28584 (Jan. 13, 2009). Defined terms used in the following conditions that are not otherwise defined in this notice or the application have the same meanings as in the Prior Applications.

[File No. 500-1]

Hunt Gold Corporation, F/K/A Prime Time Group, Inc.; Order of Suspension of Trading

June 15, 2009.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Hunt Gold Corporation, f/k/a Prime Time Group, Inc. ("Hunt Gold") because questions have been raised about the accuracy and adequacy of publicly disseminated information concerning, among other things, Hunt Gold's gold mining exploration business.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of Hunt Gold.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in Hunt Gold securities is suspended for the period from 9:30 a.m. EDT on June 15, 2009, through 11:59 p.m. EDT on June 26, 2009.

By the Commission.

Jill M. Peterson,

Assistant Secretary.
