Student Assistance General Provisions, Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, Federal Work-Study, Federal Perkins Loan, Federal Pell Grant, Leveraging Educational Assistance Partnership, William D. Ford Federal Direct Loan, Academic Competitiveness Grant, National Science and Mathematics Access To Retain Talent Grant, and Teacher Education Assistance for College and Higher Education Programs

ACTION: Notice of deadline dates for receipt of applications, reports, and other records for the 2008-2009 award year.

SUMMARY: The Secretary announces deadline dates for the receipt of documents and other information from institutions and applicants for the Federal student aid programs authorized under Title IV of the Higher Education Act of 1965, as amended, for the 2008-2009 award year. The Federal student aid programs include the Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, Federal Work-Study, Federal Perkins Loan, Federal Pell Grant, Leveraging Educational Assistance Partnership, William D. Ford Federal Direct Loan, Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent Grant (National SMART Grant), and Teacher Education Assistance for College and Higher Education (TEACH) programs.

These programs, administered by the U.S. Department of Education (Department), provide financial assistance to students attending eligible postsecondary educational institutions to help them pay their educational costs.

Deadline and Submission Dates: See Tables A and B at the end of this notice.

Table A—Deadline Dates for Application Processing and Receipt of Student Aid Reports (SARs) or Institutional Student Information Records (ISIRs) by Institutions

Table A provides information and deadline dates for application processing, including receipt of the Free Application for Federal Student Aid (FAFSA) and corrections to and signatures for the FAFSA, receipt of

SARs and ISIRs, and receipt of verification documents.

The single date for the receipt of a FAFSA is June 30, 2009, regardless of the method that the applicant uses to submit the FAFSA. The deadline date for the receipt of a signature page for the FAFSA (if required), corrections, changes of addresses or schools, or requests for a duplicate SAR is September 21, 2009. Verification documents must be received by the institution no later than the earlier of 120 days after the student's last date of enrollment or September 28, 2009.

For all Federal student aid programs except Parent PLUS, a SAR or ISIR with an official expected family contribution must be received by the institution no later than the earlier of the student's last date of enrollment or September 28, 2009. For purposes of only the Federal Pell Grant, ACG, or National SMART Grant programs, a valid SAR or valid ISIR for a student not meeting the conditions for a late disbursement must be received no later than the earlier of the student's last date of enrollment or September 28, 2009. A valid SAR or valid ISIR for a student meeting the conditions for a late disbursement under the Federal Pell Grant, ACG, or National SMART Grant programs must be received according to the deadline dates provided in Table A.

In accordance with the regulations in 34 CFR 668.164(g)(4)(i), an institution may not make a late disbursement later than 180 days after the date of the institution's determination that the student withdrew or, for a student who did not withdraw, 180 days after the date the student otherwise became ineligible. Table A provides that an institution must receive a valid SAR or valid ISIR no later than 180 days after its determination of a student's withdrawal or, for a student who did not withdraw, 180 days after the date the student otherwise became ineligible, but not later than September 28, 2009.

Table B—Federal Pell Grant, ACG, and National SMART Grant Programs Submission Dates for Disbursement Information by Institutions

Table B provides the earliest submission and deadline dates for institutions to submit Federal Pell Grant, ACG, and National SMART Grant disbursement records to the Department's Common Origination and Disbursement (COD) System and deadline dates for requests for administrative relief if the institution cannot meet the established deadline for specified reasons.

In general, an institution must submit Federal Pell Grant, ACG, or National

SMART Grant disbursement records no later than 30 days after making a Federal Pell Grant, ACG, or National SMART Grant disbursement or becoming aware of the need to adjust a student's previously reported Federal Pell Grant, ACG, or National SMART Grant disbursement. In accordance with the regulations in 34 CFR 668.164, we consider that Federal Pell Grant, ACG, and National SMART Grant funds are disbursed on the date that the institution: (a) Credits those funds to a student's account in the institution's general ledger or any subledger of the general ledger, or (b) pays those funds to a student directly. We consider that Federal Pell Grant, ACG, and National SMART Grant funds are disbursed even if an institution uses its own funds in advance of receiving program funds from the Department. An institution's failure to submit disbursement records within the required 30-day timeframe may result in an audit or program review finding. In addition, the Secretary may initiate an adverse action, such as a fine or other penalty for such failure.
