

for another two years, effective June 12, 2009.

The NPAFC was established by the Convention for the Conservation of Anadromous Stocks in the North Pacific Ocean, signed on February 12, 1992, by Canada, Japan, the Russian Federation, and the United States, and entered into force on February 16, 1993. The U.S. Advisory Panel will continue to work with the U.S. Section to promote the conservation of anadromous fish stocks, particularly salmon, throughout their migratory range in the North Pacific Ocean, as well as ecologically related species.

The U.S. Section of the Commission is composed of three Commissioners who are appointed by the President. Each Commissioner is appointed for a term not to exceed 4 years, but is eligible for reappointment. The Secretary of State, in consultation with the Secretary of Commerce, may designate alternate commissioners. The Advisory Panel to the U.S. Section is composed of 14 members, 11 of whom are appointed by the Secretary, in consultation with the Secretary of Commerce. Advisory Panel members serve for a term not to exceed 4 years, and may not serve more than two consecutive terms.

The Advisory Panel will continue to follow the procedures prescribed by the Federal Advisory Committee Act (FACA). Meetings will continue to be open to the public unless a determination is made in accordance with Section 10 of the FACA, 5 U.S.C. Secs. 552b(c)(1) and (4), that a meeting or a portion of the meeting should be closed to the public. Notice of each meeting will continue to be provided for publication in the **Federal Register** as far in advance as possible prior to the meeting.

For further information on the renewal of the Advisory Panel, please contact John Field, Office of Marine Conservation in the Department of State, (202) 647-3263.

Dated: May 5, 2009.

David A. Balton,

Deputy Assistant Secretary for Oceans and Fisheries, Department of State.

BILLING CODE 4710-09-P

DEPARTMENT OF TRANSPORTATION

Office of the Secretary

Application of Air Excursions, LLC for Certificate Authority

AGENCY: Department of Transportation.

ACTION: Notice of Order to Show Cause (Order 2009-6-11), Docket DOT-OST-2008-0318.

SUMMARY: The Department of Transportation is directing all interested persons to show cause why it should not issue an order finding Air Excursions, LLC, fit, willing, and able to engage in interstate scheduled air transportation of persons, property, and mail.

DATES: Persons wishing to file objections should do so no later than June 26, 2009.

ADDRESSES: Objections and answers to objections should be filed in Docket DOT-OST-2008-0318 and addressed to U.S. Department of Transportation, Docket Operations, (M-30, Room W12-140), 1200 New Jersey Avenue, SE., West Building Ground Floor, Washington, DC 20590, and should be served upon the parties listed in Attachment A to the Order to Show Cause.

FOR FURTHER INFORMATION CONTACT: Lauralyn J. Remo, Chief, Air Carrier Fitness Division (X-56, Room W86-307), U.S. Department of Transportation, 1200 New Jersey Avenue, SE., Washington, DC 20590, (202) 366-9721.

Dated: June 12, 2009.

Christa Fornarotto,

Acting Assistant Secretary for Aviation and International Affairs.

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Notice of Final Federal Agency Actions on Proposed Highway in California

AGENCY: Federal Highway Administration (FHWA), U.S. DOT.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by FHWA and other Federal agencies: Shasta-Trinity National Forest (Forest Service), and U.S. Bureau of Reclamation, Mid-Pacific Region (Bureau of Reclamation).

SUMMARY: This notice announces actions taken by the FHWA and other Federal agencies that are final within the meaning of 23 U.S.C. 139(J)(1). These actions relate to a proposed highway project, replacement of the Antlers Bridge (Bridge No. 06-0089) and realignment of a 0.42-mile segment of Interstate 5, in the County of Shasta, State of California. Those actions grant licenses, permits, and approvals for the project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(J)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before December 16, 2009. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT:

Lanh Phan, Transportation Engineer, Federal Highway Administration, 650 Capitol Mall, Suite 4-100, Sacramento, CA 95814, weekdays between 7 a.m. and 4 p.m., telephone 916-498-5046, lanh.phan@dot.gov. For Forest Service: Stacy Smith, Shasta-Trinity National Forest, 204 West Alma, Mount Shasta, CA 96067, Telephone: (530) 926-9643, e-mail: slsmith01@fs.fed.us. For Bureau of Reclamation: Buford Holt, Bureau of Reclamation, Northern California Area Office, 16349 Shasta Dam Boulevard, Shasta Lake, CA 96019, Telephone: (530) 276-2047, e-mail: bholt@mp.usbr.gov. For California Department of Transportation: Edward Espinoza, Chief, Caltrans Environmental Planning Office, 1657 Riverside Drive, Redding, CA 96001, during normal office hours 7:30 a.m.-4:15 p.m. Monday-Friday, Telephone: (530) 225-3308, e-mail: ejespino@dot.ca.gov.

SUPPLEMENTARY INFORMATION: Notice is hereby given that the FHWA and other Federal agencies have taken final agency actions subject to 23 U.S.C. 139(J)(1) by issuing licenses, permits, and approvals for the following highway project in the State of California: Replacement of the Antlers Bridge (Bridge No. 06-0089) and realignment of a 0.42-mile segment of Interstate 5, in Shasta County, near the community of Lakehead. The existing steel truss bridge was constructed in 1941 and exhibits signs of structural fatigue. Additionally, the section of highway abutting the south end of the bridge includes a series of curves and has an accident rate higher than average for similar highways statewide. The proposed project entails construction of a new bridge on an alignment immediately east of the existing bridge. The existing bridge will be removed once the new bridge is operational. A 0.42-mile section of highway south of the bridge will be reconstructed to improve the alignment. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Assessment (EA) for the project, approved on September 29, 2006, in the FHWA Finding of No
