SUPPLEMENTARY INFORMATION:

What Information Is GSA Particularly Interested in?

Pursuant to section 3506(c)(2)(A) of the PRA, GSA specifically solicits comments and information to enable it to:

(i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including

whether the information will have practical utility;

(ii) evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) enhance the quality, utility, and clarity of the information to be collected; and

(iv) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. In particular, GSA is requesting comments from very small businesses (those that employ less than 25) on examples of specific additional efforts that GSA could make to reduce the paperwork burden for very small businesses affected by this collection.

What Should I Consider When I Prepare My Comments for GSA?

You may find the following suggestions helpful for preparing your comments.

1. Explain your views as clearly as possible and provide specific examples.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. If you estimate potential burden or costs, explain how you arrived at the estimate that you provide.
5. Offer alternative ways to improve the collection activity.
6. Make sure to submit your comments by the deadline identified under **DATES**.
7. To ensure proper receipt by GSA, be sure to identify the ICR title on the first page of your response. You may also provide the **Federal Register** citation.

What Information Collection Activity or ICR Does This Apply to?

Title: Data.gov Information Collection.

OMB Control Number: 3090-0284.

Abstract: Data.gov is inspired by the President's program for "Open Government" and "Transparency". In response to the President's direction to improve the transparency of government, the Federal Chief Information Officer (CIO) Council has created a Web site/portal that will improve public access to a wide variety of U.S. Government data. Data.gov is a public-friendly website that provides descriptions of the Federal datasets, information on how to access the

datasets, points of contact information, metadata information, and links to publicly accessible applications that leverage the datasets. This information collection request for a generic clearance is a replacement of the emergency ICR approved by OMB. It is being submitted in order to fulfill the public feedback aspects of this important initiative. Data.gov visitors will be provided opportunities to provide feedback and ratings in the spirit of the President's open government and transparency initiative. Examples of feedback mechanisms are:

(1) A five-star rating system to give visitors information about which datasets other visitors found most useful and interesting on the Data.gov Web page;

(2) a "Suggest Other Datasets" entry page for the public to submit ideas for datasets with an optional contact e-mail address provided for those visitors wishing to identify themselves;

(3) a "Contact Us" entry page with an optional contact e-mail address for those visitors wishing to identify themselves;

(4) pages for visitors to advise how they leverage the datasets in new and different ways to build applications, conduct analysis, and perform research;

(5) pages for visitors to rate the benefit of the reported new solutions, etc.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average up to 500 hours per year. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

The estimated annual burden request is summarized here:

Affected entities: Visitors to Data.gov.

Estimated total number of potential respondents: 22,500.

Estimated total number of potential responses: 22,500.

Frequency of response: Occasionally.

Estimated total annual burden hours: 500 hours.

Estimated total annual costs: No cost to the public; no additional government resources.

What Is the Next Step in the Process for This ICR?

GSA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval pursuant to 5 CFR 1320.12. At that time, GSA will issue another **Federal Register** notice pursuant to 5 CFR 1320.5(a)(1)(iv) to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB. If you have any questions about this ICR or the approval process, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**.

Dated: June 12, 2009.

Chief Information Officer.

GENERAL SERVICES ADMINISTRATION

[OMB Control NO. 3090-00XX]

Office of Facilities Management and Program Services; Submission for OMB Review; Background Check Investigations for Child Care Workers

AGENCY: Office of Facilities Management and Program Services, Public Building Service (PBS), U.S. General Services Administration (GSA).

ACTION: Notice of request for comments regarding a new OMB information collection.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the General Services Administration will be submitting to the Office of Management and Budget (OMB) a request to review and approve the new information collection requirement regarding the collection of personal data for background check investigations for child care workers accessing GSA owned and leased controlled facilities.

Public comments are particularly invited on: Whether this collection of information is necessary and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected.

DATES: Submit comments on or before: July 20, 2009.

FOR FURTHER INFORMATION CONTACT: Ms. Layna Koentopf, Program Analyst, Building Security and Policy Division, GSA, 1800 F Street, NW., Washington, DC 20405; or telephone (202) 208-1585. Please cite OMB Control No. 3090-00XX, Background Check Investigations for Child Care Workers.

ADDRESSES: Submit comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the GSA Desk Officer, OMB, Room 10236, NEOB, Washington, DC 20503, and a copy to the Regulatory Secretariat (VPR), U.S. General Services Administration, 1800 F Street, NW., Room 4041, Washington, DC 20405. Please cite Background Check Investigations for Child Care Workers, in all correspondence.

SUPPLEMENTARY INFORMATION:

A. Purpose

Homeland Security Presidential Directive (HSPD) 12 "Policy for a Common Identification Standard for Federal Employees and Contractors" requires the implementation of a governmentwide standard for secure and reliable forms of identification for Federal employees and contractors. OMB's implementing instructions requires all contract employees requiring routine access to Federally controlled facilities for greater than six (6) months to receive a background investigation. The minimum background investigation is the National Agency Check with Written Inquiries or NACI.

However, there is no requirement in the law or HSPD-12 that requires child care employees to be subject to the NACI since employees of child care providers are neither government employees nor government contractors. Instead, the child care providers are required to complete the criminal history background checks mandated in the Crime Control Act of 1990, Public Law 101-647, dated November 29, 1990, as amended by Public Law 102-190, dated December 5, 1991. These statutes require that each employee of a child care center located in a Federal building or in leased space must undergo a background check.

According to GSA policy, child care workers (as described above) will need to submit the following:

1. An original signed copy of a *Basic National Agency Check Criminal History*, GSA Form 176; and
2. Two sets of fingerprints on FBI Fingerprint Cards, for FD-258.
