#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The International Trade Administration's (ITA) Advocacy Center marshals federal resources to assist U.S. firms competing for foreign government procurements worldwide. The Advocacy Center works closely with the Trade Promotion Coordination Committee, which is chaired by the Secretary of Commerce, and includes 19 federal agencies involved in Export Promotion. Advocacy assistance is wide and varied, but most often it is used to assist U.S. companies that must deal with foreign governments or government-owned entities to win or maintain business transactions in foreign markets. The Advocacy Center's goal is to ensure opportunities for American companies in the international marketplace.

The purpose of the Advocacy questionnaire is to collect the information necessary to evaluate whether it would be appropriate to provide U.S. Government (USG) advocacy assistance on a given transaction. The Advocacy Center, appropriate ITA officials, officers/Ambassadors at U.S. Embassies/Consulates worldwide and other federal agencies that provide advocacy support to U.S. companies, request companies seeking USG advocacy support to complete the questionnaire. The information derived from a completed questionnaire is critical in helping the Advocacy Center determine whether it is in the U.S. national interest to advocate on a specific transaction.
