I. Funding Opportunity Description

Purpose of Program: SDFSC Programs for Native Hawaiians awards grants to organizations primarily serving and representing Native Hawaiians to plan, conduct, and administer programs to prevent or reduce violence, the use, possession and distribution of illegal drugs, or delinquency.

Note: On January 22, 2009, we published a notice in the **Federal Register** inviting applications for a competition, using FY 2008 funds, under the SDFSC Programs for Native Hawaiians. (A copy of that notice is available at: <http://www.ed.gov/legislation/FedRegister/announcements/2009-1/012209c.html>.) None of the applications we received for the SDFSCA Native Hawaiians competition announced in that notice was successful. Accordingly, through this notice, we are inviting applications for another competition using the following priority.

Priority: In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from

sections 4115(b)(1)(C)(i) and 4117(c)(1) of the Elementary and Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 7115 and 7117).

Absolute Priority: For FY 2009 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Projects to plan, conduct, and administer programs for Native Hawaiian youth to prevent or reduce violence, the use, possession and distribution of illegal drugs, or delinquency.

Definition: The following definition is from section 4117(b) of the ESEA and applies to this competition:

Note: In accordance with section 4117(b) of the ESEA, **Native Hawaiian** means any individual any of whose ancestors were natives, prior to 1778, of the area that now comprises the State of Hawaii.

2. Cost Sharing or Matching: This competition does not require cost sharing or matching.

3. Other: a. Equitable Participation by Private School Children and Teachers: Section 9501 of the (ESEA) (20 U.S.C. 7881), requires that State educational agencies (SEAs), local educational agencies (LEAs), or other entities receiving funds under the Safe and Drug-Free Schools and Communities Act provide for the equitable participation of private school children, their teachers, and other educational personnel in private schools located in areas served by the grant recipient. In order to ensure that grant program activities address the needs of private school children, applicants must engage in timely and meaningful consultation with private school officials during the design and development of the program. This consultation must take place before any decision is made that affects the opportunities of eligible private school children, teachers, and other educational personnel to participate.

In order to ensure equitable participation of private school children, teachers, and other educational personnel, an applicant must consult with private school officials on preventing or reducing violence, the use, possession and distribution of illegal drugs, or delinquency, and related issues for private schools in the applicant's service area.

V. Application Review Information

Selection Criteria: The selection criteria for this competition are from 34 CFR 75.210 and are listed in the application package.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditures information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. Performance Measures: The Secretary has established the following key performance measures for assessing the effectiveness of SDFSC Programs for Native Hawaiians:

(1) The percentage of students annually served by the Grant who show a decrease in violent or disruptive behavior, or delinquency; and

(2) The percentage of students annually served by the Grant who show a decrease in the use of illegal drugs.

These measures constitute the Department's indicators of success for this program. Consequently, we advise an applicant for a grant under this program to give careful consideration to these measures in conceptualizing the approach and evaluation for its proposed project. Each grantee will be required to provide in its annual and final performance reports data about its progress in meeting these measures.
