**DEPARTMENT OF COMMERCE****Bureau of the Census**

[Docket Number 090429803-9711-01]

**Procedures for Participating in the 2010 Decennial Census New Construction Program**

**AGENCY:** Bureau of the Census, Department of Commerce.

**ACTION:** Notice and request for comments.

**SUMMARY:** The Bureau of the Census (Census Bureau) requests public comment on the New Construction Program, which allows tribal and local governments to submit lists of addresses for newly constructed housing units to the Census Bureau. The purpose of this program is to ensure that the Census Bureau's address list is as complete and accurate as possible for the conduct of the Decennial Census on April 1, 2010.

**DATES:** To ensure consideration during the decision-making process, the Census Bureau must receive all comments in writing on or before July 31, 2009.

**ADDRESSES:** Comments concerning the proposed 2010 Census New Construction Program should be submitted to Arnold A. Jackson, Associate Director for Decennial Census, U.S. Census Bureau, through one of the following methods:

*FAX:* Comments may be faxed to (301) 763-8867.

*E-mail:* Comments may be e-mailed to [Arnold.A.Jackson@census.gov](mailto:Arnold.A.Jackson@census.gov).

**FOR FURTHER INFORMATION CONTACT:** Correspondence about the Census Bureau's 2010 Census New Construction Program in general should be directed to Timothy F. Trainor, Chief, Geography

Division, U.S. Census Bureau, through one of the following methods:

*FAX:* Correspondence may be faxed to (301) 763-4710.

*E-mail:* Correspondence may be e-mailed to

[Timothy.F.Trainor@census.gov](mailto:Timothy.F.Trainor@census.gov).

**SUPPLEMENTARY INFORMATION:** As part of its objective to produce a complete and accurate population count, the Census Bureau proposes to implement the 2010 Decennial Census New Construction Program to capture the addresses of newly constructed housing units. Specifically, the purpose is to utilize tribal and local knowledge of recent and in-progress construction to identify, and add to the census address list, the addresses for housing units not yet existent at the time of the Address Canvassing Operation, a nationwide check during the Spring/Summer of 2009 in which the Census Bureau verified the census address list that will be used to deliver questionnaires for the Decennial Census. During address canvassing, census workers systematically canvassed all census blocks looking for living quarters and add, delete, and correct entries on the census address list to ensure its completeness and accuracy. The Address Canvassing Operation is expected to conclude on July 17, 2009. In order to account for any housing units whose construction began after the start of the Address Canvassing Operation, the Census Bureau is proposing to implement the New Construction Program.

The 2010 Decennial Census New Construction Program is conducted by the Census Bureau under the authority of Title 13, United States Code (U.S.C.), Section 141(a), and is separate and distinct from the Local Update of Census Addresses Program (*see* 73 FR 12369) in that its only purpose is to identify addresses for housing units newly constructed starting in March 2009 that are expected to be closed to the elements (final roof, windows and doors) by Census Day, April 1, 2010. The New Construction Program was conducted for the first time as part of Census 2000.

**Proposed 2010 Decennial Census New Construction Program**

The 2010 Census New Construction Program is offered to Federally Recognized American Indian tribal governments with reservations and/or trustlands, and local governments (counties, incorporated places, and functioning minor civil divisions) with jurisdictions where the Census Bureau will deliver the census questionnaires
