Class Deviation From Federal Acquisition Regulation 32.905 Electronic Submission of Invoices

AGENCY: Department of Veterans Affairs (VA).

ACTION: Notice.

SUMMARY: This is to notify interested parties of a class deviation to the Federal Acquisition Regulation (FAR) regarding the submission of electronic invoices for payment. VA intends to deviate from FAR 32.905 in order to add an interim clause to the VA Acquisition Regulation (VAAR).

The electronic invoicing clause allows vendors to voluntarily submit invoices electronically which will improve the accuracy and efficiency of payment processing. This service will apply to all Government contracts managed by VA’s Financial Services Center in Austin, Texas. A proposed and final rule to make this service mandatory will be published in the **Federal Register** in the coming months.

FOR FURTHER INFORMATION CONTACT: Marcia Rodrigues, Procurement Analyst, Office of Acquisition and Logistics, (001AL–P1A), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420. *Telephone:* (202) 461–6864 (This is not a toll-free number).

SUPPLEMENTARY INFORMATION: The authority for the electronic invoicing clause is the E–Government Act of 2002. The interim clause will allow VA to comply with the findings, purposes, and responsibilities of the Act. The interim clause gives contractors a choice to submit for invoice payment in electronic form using one of three transmission methods: (1) Electronic Invoice Presentment and Payment System; (2) American National Standards Institute (ANSI) X.12
