SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60258; File No. SR-CHX-2009-07]

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Participant Fees and Credits

July 7, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 29, 2009, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. CHX filed the proposal pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CHX proposes to amend its Schedule of Participant Fees and Assessments (the "Fee Schedule"), effective July 1, 2009, to provide for an increased rebate for trade executions of one-sided orders in Tape A and C securities which execute within the Exchange's Matching System. The Exchange also proposes to delete obsolete text from the Fee Schedule. The text of this proposed rule change is available on the Exchange's Web site at http://www.chx.com/rules/proposed_rules.htm and in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Through this filing, the Exchange would amend its Fee Schedule, effective July 1, 2009, to provide for an increased rebate for trade executions of one-sided orders in Tape A and C securities which execute within the Exchange's Matching System. The Fee Schedule would be amended to provide for an increased Rebate of \$0.0029 per share in Tape A and C securities if liquidity was provided to the Matching System. The Exchange believes that the increased rebate will help attract additional orders to be displayed and executed on our trading facilities. The Exchange notes that some of our competitors have recently raised their provide rebates, and that our proposed increase will help us remain competitive with these entities. While an increase in transaction volume would not increase the amount of direct transaction revenue in Tape A and C securities to the Exchange (since the provide credit would equal the take fees), the Exchange believes that an increase in market data revenue arising from the execution of such transactions would provide additional revenue.

Finally, the Exchange proposes to make certain minor corrections and updates to the Fee Schedule. These corrections and updates include the deletion of certain obsolete sections of the Fee Schedule which refer to Specialist Credits and the Specialist Fixed Fee. The Exchange discontinued its Specialist program as part of the transition to its New Trading Model in late 2006 and early 2007, and such fees are no longer being assessed.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act⁶ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members. Among other things, the change to the fee schedule would increase the amount of credits paid to liquidity providers and may contribute to an increase in trading volume on the Exchange's facilities and

therefore in the income derived therefrom. The deletion of the obsolete references to Credits paid to Specialists and Fixed Fees charged to Specialists will eliminate a source of potential confusion about the operations of the Exchange and the application of its Fee Schedule.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is effective upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act⁷ and Rule 19b-4(f)(2) thereunder.⁸ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
