Abstract of Proposed Collection

When an approved immigrant visa petition is received at the National Visa Center (NVC) and is determined to be current for processing, NVC will send the petition beneficiary Form DS-3032, which allows the beneficiary to choose an agent to receive mailings from NVC and assist in the paperwork or paying required fees. The applicant is not required to choose an agent and may have all mailings sent to an address abroad. However, the alien's case will be held at NVC until the signed form is returned. If the form is not returned within one year, NVC will begin the case termination process. DS-3032 is not required if a G-28 (Notice of Entry of Appearance as Attorney or Representative) is received from DHS and the attorney is the agent, the alien is self-petitioning, or a child is being adopted. Once the form has been signed and returned to NVC the applicant process will proceed.

Methodology

DS-3032 will be submitted via mail to the National Visa Center.
