AGENCY: Fish and Wildlife Service, Interior.

ACTION: Receipt of application for enhancement of survival permit; notice of availability of programmatic safe harbor agreement.

SUMMARY: The Oregon Department of Forestry (ODF) has applied to the U.S. Fish and Wildlife Service (Service) for an enhancement of survival permit (permit) pursuant to the Endangered Species Act of 1973, as amended. We request comments from the public on the permit application, proposed Agreement, and related documents, which are available for review (see **ADDRESSES** below).

DATES: Comments must be received from interested parties on or before August 20, 2009.
