## DEPARTMENT OF LABOR

### Employment & Training Administration [SGA/DFA-PY 08-18]

#### Solicitation for Grant Applications (SGA); Amendment One—Energy Training Partnership Grants

**AGENCY:** Employment and Training Administration (ETA), Labor.

**ACTION:** Notice: Amendment to SGA/DFA-PY 08-18.

**SUMMARY:** The Employment and Training Administration published a document in the **Federal Register** on June 24, 2009, announcing the availability of funds and solicitation for grant applications (SGA) for Energy Training Partnerships awarded through a competitive process. This amendment to the SGA clarifies items related to: (1) Eligible applicants (Section III.A); (2) Statewide and local entities that are eligible applicants (Section III.A.2); (3) participants eligible to receive training (Section III.E.1); (4) correction to formatting of “Other Eligibility Requirements” section; (5) Attachment 1 for the list of auto-impacted communities; and (6) supplementary information in Section B “Green Industries and Occupations.” The document is hereby amended.

1. *Section III.A., “Eligible Applicants”:* (page 30154) Is revised to confirm that Local Workforce Investment Boards and One Stop Career Centers are not eligible applicants, confirm that the applicant in the proposed project must be clearly designated, and provide information on the definition of non-profit entities. In the SGA, the language designated below as “old text” is replaced with the language designated as “new text,” as follows:

a. **Old Text**—“Under this announcement, eligible applicants are private nonprofit organizations that must apply under one of two categories: (1) National labor-management organizations with local networks; or (2) Statewide or local nonprofit partnerships. All applicants are expected to work in conjunction with partnerships consisting of labor organizations, employers, Workforce Investment Boards (WIBs), and other organizations as defined in section 171(e)(2)(B)(ii) of WIA. These categories create two applicant pools, which will compete separately for funding under this SGA.”

b. **New Text**—“Under this announcement, eligible applicants are private nonprofit organizations that must apply under one of two categories: (1) National labor-management organizations with local networks; or (2) Statewide or local nonprofit partnerships. All applicants are expected to work in conjunction with partnerships consisting of labor organizations, employers, Workforce Investment Boards, and other organizations as defined in section 171(e)(2)(B)(ii) of WIA. While the SGA indicates required and suggested partners, the proposal must designate a lead applicant. These categories create two applicant pools, which will compete separately for funding under this SGA. Local Workforce Investment Boards and One Stop Career Centers are not eligible applicants under this SGA. A private nonprofit entity is an organization that is legally organized for the purposes of tax exempt nonprofit status under the Internal Revenue Service (IRS), or is actively pursuing IRS nonprofit tax exempt status.”

2. *Section III.A.2., “Statewide and Local Entities”:* (page 30154) Is revised to confirm that eligible applicants for the State and local category are Statewide or local private nonprofit entities, including private nonprofit entities that serve American Indian reservations. In the SGA, the language designated below as “old text” is replaced with the language designated as “new text,” as follows:

a. **Old Text**—“Statewide and Local Entities: Applicants for the State and local category are local or Statewide non-profit entities with a joint partnership of labor organizations, employers or industry organizations, Workforce Investment Boards and One Stop Career Centers. A Statewide or local entity that receives an award under category 2 of this SGA may not receive sub-grant or sub-contract funding from a national organization that receives an award under category 1.

For the purposes of this SGA, the term ‘State’ means each of the 50 States of the United States, the District of Columbia, and U.S. territories as defined in Section VI.B.”

b. **New Text**—“Statewide and Local Entities: Applicants for the State and local category are Statewide or local private nonprofit entities, including private nonprofit entities that serve American Indian reservations, with a joint partnership of labor organizations, employers or industry organizations, Workforce Investment Boards and One Stop Career Centers. A Statewide or local private nonprofit entity that receives an award under category 2 of this SGA may not receive sub-grant or sub-contract funding from a national organization that receives an award under category 1. For the purposes of this SGA, the term ‘State’ means each of the 50 States of the United States, the District of Columbia, and U.S. territories as defined in Section VI.B.”

3. *Section III.E.1, “Participants Eligible to Receive Training”:* (page 30156) Is revised to clarify that individuals with disabilities are among the populations that can be served through grants awarded through this SGA by replacing the language designated below as “old text” with the language designated as “new text,” as follows:

a. **Old Text**—“Projects may also serve individuals with a criminal record; and populations that have not traditionally been employed in construction and skilled trade occupations, such as women and minorities.”

b. **New Text**—“Projects may also serve other types of individuals that may not be a part of the categories above, such as: individuals with a criminal record; individuals with disabilities; and populations that have not traditionally been employed in construction and skilled trade occupations, such as women and minorities.”

4. *Correction to formatting of “Other Eligibility Requirements” section:* The “Other Eligibility Requirements” section of the SGA is currently listed as section “D. Other Eligibility Requirements” on p. 30155. The section was formatted incorrectly, and the SGA is revised so that the “Other Eligibility Requirements” section is now listed as “C. Other Eligibility Requirements” instead of “D. Other Eligibility Requirements”. With this correction, “Other Eligibility Requirements” is now correctly listed as Section III.C. of the SGA.

5. *Attachment I—Counties Impacted By Automotive-Related Restructuring:* This notice is to provide “Attachment I”

as referenced on p. 30154, Section II.A which is a list of 281 counties impacted by automotive-related restructuring from the Center for Automotive Research. In addition to the 281 counties, an additional 31 counties have been included on the list due to an inadvertent omission on the original list. This is the complete and final list and there will be no further changes to this list.

BILLING CODE 4510-FN-P

**NUCLEAR REGULATORY COMMISSION**

[Docket Nos. 50-445 and 50-446 NRC-2009-0318]

**Luminant Generation Company LLC; Notice of Consideration of Issuance of Amendment to Facility Operating License, Proposed No Significant Hazards Consideration Determination, and Opportunity for a Hearing and Order Imposing Procedures for Access to Sensitive Unclassified Non-Safeguards Information (SUNSI) for Contention Preparation**

The U.S. Nuclear Regulatory Commission (NRC, the Commission) is considering issuance of an amendment to Facility Operating License Nos. NPF-87 and NPF-89 issued to Luminant Generation Company LLC for operation of the Comanche Peak Steam Electric Station (CPSES), Units 1 and 2, located in Somervell County, Texas.

The proposed amendment would revise Technical Specification (TS) 5.5.9.2, "Unit 1 Model D76 and Unit 2 Model D5 Steam Generator (SG) Program," to exclude portions of the CPSES, Unit 2 Model D5 SG below the top of the SG tubesheet from periodic SG tube inspections. In addition, the proposed amendment would revise TS 5.6.9, "Unit 1 Model D76 and Unit 2 Model D5 Steam Generator Tube Inspection Report," to include reporting requirements specific to the permanent alternate repair criteria for CPSES, Unit 2. The amendment request is supported by Westinghouse WCAP-17072-P, "H\*: Alternate Repair Criteria for the Tube Sheet Expansion Region in Steam Generators with Hydraulically Expanded Tubes (Model D5)," May 2009. The amendment application dated June 8, 2009, contains sensitive unclassified non-safeguards information (SUNSI).

Before issuance of the proposed license amendment, the Commission will have made findings required by the Atomic Energy Act of 1954, as amended (the Act), and the Commission's regulations.

The Commission has made a proposed determination that the amendment request involves no significant hazards consideration. Under

**6. Supplementary Information Section B "Green Industries and Occupations":**

Is revised to provide further information on the industries on which applicants may focus by adding the language designated below as "new text" to the existing language in that section:

a. New Text: "We will also evaluate applications for projects that include emerging green occupations from industries that have not been discussed in this section."
