

categories of customer orders for which the Exchange charges broker-dealer execution fees: Voluntary Professional orders;³ and Professional Orders.⁴ Each of these order categories is also treated the same as broker-dealer orders for the purposes of specified Exchange execution priority rules. The ISE currently is the only market center that has these order categories for non-broker-dealer orders, and charging broker-dealer execution fees makes it more costly to execute these orders on the ISE as compared to the other options exchanges. Therefore, in order to remain competitive, the Exchange proposes to amend its fee schedule⁵ and rules⁶ so that all non-broker-dealer orders are subject to the same execution fee. This fee change will effectively result in a fee decrease for the execution of these orders.⁷

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(4) that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. In particular, this proposed rule change would lower fees

³ Voluntary Professional orders are orders for a customer that has elected to be treated in the same manner as a broker-dealer in securities for purposes of specified execution priority rules and with respect to the ISE fee schedule. ISE Rule 100(a)(37A).

⁴ Earlier this year the SEC approved an ISE rule change to distinguish between priority customers and professional customers for purposes of specified execution priority rules and with respect to the ISE fee schedule. Securities Exchange Act Release No. 59287 (Jan. 23, 2009), 74 FR 5694 (Jan. 30, 2009) ("Professional Order Filing"). Professional Orders are orders for the account of a non-broker-dealer that enters more than 390 orders per day on average during a month during a calendar quarter. To assure member firms are given sufficient time to implement any necessary systems changes, this rule change is being implemented in two stages: (1) Members are required to start measuring the number of orders their customers enter on average per day during the third quarter 2009; and (2) members are required to start identifying professional customer orders entered on the ISE at the beginning of the fourth quarter 2009.

⁵ The Exchange adopted definitional changes to its fee schedule that resulted in Professional Orders being charged the same fees as broker-dealer orders. However, because the rule change is being phased-in, and to avoid confusion in the interim, the ISE fee schedule posted on the Exchange's Web site does not yet reflect these definitional changes.

⁶ The imposition of broker-dealer fees is imbedded in the definition of a Voluntary Professional rather than being separately identified on the ISE fee schedule. Therefore, the Exchange proposes to modify the definition of Voluntary Professional in order to accomplish the fee change.

⁷ The Exchange notes that Voluntary Professional orders and Professional Orders currently are not subject to the Exchange's cancellation fee. The Exchange is not proposing to change this aspect of the fee schedule. Such orders will not be subject to the cancellation fee.

for the execution of Voluntary Professional orders and Professional Orders.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act⁸ and Rule 19b-4(f)(2)⁹ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-ISE-2009-47 on the subject line.

[Release No. 34-60338; File No. SR-CBOE-2009-051]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend Two Pilot Programs Related to the Exchange's Automated Improvement Mechanism

July 17, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 16, 2009, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission")

the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend two pilot programs related to the Exchange's Automated Improvement Mechanism. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/Legal>), at the Exchange's Office of the Secretary, and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

In February, 2006, CBOE obtained approval of a filing adopting the AIM auction process.⁵ AIM exposes certain orders electronically to an auction process to provide such orders with the opportunity to receive an execution at an improved price. The AIM auction is available only for orders that an Exchange member represents as agent and for which a second order of the same size as the "Agency Order" (and on the opposite side of the market) is also submitted (effectively stopping the Agency Order at a given price).

Two components of AIM were approved on a pilot basis: (1) that there is no minimum size requirement for orders to be eligible for the auction, and (2) that the auction will conclude prematurely anytime there is a quote lock on the Exchange pursuant to Rule 6.45A(d).⁶ In connection with the pilot programs, the Exchange has submitted to the Commission reports providing detailed AIM auction and order execution data. In July 2006, the Exchange extended the pilot program until July 18, 2007.⁷ In July 2007, the Exchange extended the pilot program until July 18, 2008.⁸ In July 2008, the Exchange extended the pilot program until July 18, 2009.⁹ The proposed rule change merely extends the duration of the pilot programs until July 17, 2010. Extending the pilots for an additional year will allow the Commission more time to consider the impact of the pilot programs on AIM order executions.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Act in general¹⁰ and furthers the objectives of Section 6(b)(5)¹¹ in particular in that by allowing the Commission additional time to evaluate the AIM pilot programs, it should serve to remove impediments to and perfect the mechanism of a free and open market and a national market system, and protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)¹² of the Act and Rule 19b-4(f)(6) thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay, which would make the rule change operative upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver would allow the AIM pilot programs to continue without interruption.¹⁴ Accordingly, the Commission designates the proposed rule change operative upon filing with the Commission.

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

¹² 15 U.S.C. 78s(b)(3)(A).

¹³ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to provide the Commission with written notice of its intention to file the proposed rule change along with a brief description of the text of the proposed rule change, at least five business days prior to filing the proposal with the Commission, or such shorter time as designated by the Commission. The Exchange has fulfilled this requirement.

¹⁴ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

⁶ That rule relates to situations where a Market-Maker's quote interacts with the quote of another CBOE Market-Maker (*i.e.* when internal quotes lock).

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend a Pilot Program That Allows for No Minimum Size Order Requirement for the Price Improvement Period Process on the Boston Options Exchange Facility

July 17, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 13, 2009 NASDAQ OMX BX, Inc. (the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Supplementary Material to Section 18 (the Price Improvement Period "PIP") of Chapter V of the Rules of the Boston Options Exchange Group, LLC ("BOX") to extend a pilot program that permits BOX to have no minimum size requirement for orders entered into the PIP and under certain circumstances permits the premature termination of the PIP process ("PIP Pilot Program"). The text of the proposed rule change is available from the principal office of the Exchange, at the Commission's Public Reference Room and also on the

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to extend the PIP Pilot Program under the BOX Rules for twelve (12) additional months. The PIP Pilot Program allows BOX to have no minimum size requirement for orders entered into the PIP process and under certain circumstances permits the premature termination of the PIP process.⁵ The proposed rule change reflects change to the text of Supplementary Material .01 to Section 18 of Chapter V of the BOX Rules and seeks to extend the operation of the PIP Pilot Program until July 17, 2010.

The Exchange notes that the PIP Pilot Program provides small customer orders with benefits not available under the rules of some other exchanges. One of the important factors of the PIP Pilot Program is that it guarantees Participants the right to trade with their customer orders that are less than 50 contracts. In particular, any order

⁵ The Pilot Program is currently set to expire on July 18, 2009.
