

(Pub. L. 104–13), NARA invites the general public and other Federal agencies to comment on proposed information collections. NARA published a notice of proposed collection for this information collection on May 4, 2009 (74 FR 20504 and 20505). No comments were received. NARA has submitted the described information collections to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) Whether the proposed information collections are necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collections; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of information technology; and (e) whether small businesses are affected by this collection. In this notice, NARA is soliciting comments concerning the following information collections:

Abstract: In the past, the National Archives has made use of various lists of independent researchers who perform freelance research for hire in the Washington, DC, area. We have sent these lists upon request to researchers who could not travel to the metropolitan area to conduct their own research. To better accommodate both the public and NARA staff, the Customer Services Division (NWCC) of the National Archives maintains a listing of independent researchers for the public. All interested independent researchers provide their contact information via this form. Collecting contact and other key information from each independent researcher and providing such information to the public when deemed appropriate will only increase business. This form is not a burden in any way to any independent researcher who voluntarily submits a completed form. Inclusion on the list will not be viewed or advertised as an endorsement by the National Archives and Records Administration (NARA). The listing is compiled and disseminated as a service to the public.

Dated: July 23, 2009.

Assistant Archivist for Information Services.
