

membership or association with the member notwithstanding a statutory disqualification. When the Exchange exercises this waiver authority, Rule 3.18.01 currently provides that the Exchange Department of Financial and Sales Practice Compliance shall determine whether the Exchange will concur in any the Exchange Act Rule 19h-1 filing made by another SRO. The Exchange proposed to make two clarifying changes to this provision. First, the Exchange proposed to replace the reference to the "Department of Financial and Sales Practice Compliance" with the "Exchange" because the Exchange no longer has a department by that name. Second, the Exchange proposed to include the words "member or" in the last sentence of Rule 3.18.01 to clarify that the Exchange may concur in any Exchange Act Rule 19h-1 filing made by another SRO with respect to a member or an associated person. This change is consistent with the rest of Rule 3.18.01.

III. Discussion

The Commission has carefully reviewed the proposed rule change and finds that it is generally consistent with Section 6(b)⁹ of the Exchange Act and the rules and regulations thereunder applicable to a national securities exchange.¹⁰ In particular, the Commission finds that the proposal is consistent with Section 6(b)(5) of the Exchange Act,¹¹ which requires the rules of a national securities exchange to, among other things, be designed to remove impediments to and perfect the mechanism of a free and open market and, in general, to protect investor and the public interest. The Commission believes that the proposed rule change will enable CBOE to more efficiently administer its statutory disqualification program while at the same time protecting investors and the public interest by allowing CBOE to reallocate resources that would otherwise be spent on unnecessary statutory disqualification hearings.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Exchange Act,¹² that the proposed rule change (SR-CBOE-2009-033) be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹³

Florence E. Harmon,

Deputy Secretary.

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Request for Comments Concerning Free Trade Agreement With the Republic of Colombia

AGENCY: Office of the United States Trade Representative.

ACTION: Notice and request for comments.

SUMMARY: The United States Trade Representative (USTR) is conducting a review of labor-related issues in the context of the free trade agreement (FTA) between the United States and the Republic of Colombia (Colombia) signed on November 22, 2006, and amended on June 28, 2007. The FTA has not yet entered into effect. As part of that review, the interagency Trade Policy Staff Committee (TPSC) seeks comment from the public to assist the USTR in working with the Colombian government to secure continued progress in ensuring that Colombia's workers can fully exercise their fundamental labor rights.

DATES: Written comments are due by noon, September 15, 2009.

ADDRESSES: Comments should be submitted electronically via the Internet at <http://www.regulations.gov>. For alternatives to on-line submissions please contact Gloria Blue, Executive Secretary, Trade Policy Staff Committee, at (202) 395-3475.

FOR FURTHER INFORMATION CONTACT: For procedural questions concerning written comments, contact Gloria Blue, Executive Secretary, Trade Policy Staff Committee, at (202) 395-3475. All other questions should be directed to Bennett Harman, Deputy Assistant U.S. Trade Representative for Latin America, at (202) 395-9446.

SUPPLEMENTARY INFORMATION: On November 18, 2003, in accordance with section 2104(a)(1) of the Trade Act of 2002, the USTR notified Congress of the President's intent to enter into negotiations on an FTA with Colombia, identified specific objectives for the negotiations, and solicited comment from interested persons on matters relevant to the FTA. 69 FR 7532. On June 23, 2004, the U.S. Department of Labor with the USTR and U.S.

Department of State, issued a request for comments from the public regarding labor rights in Andean countries, including Colombia. 69 FR No. 120. On August 24, 2006, the President notified Congress of his intent to enter into an FTA with Colombia, and representatives of the two governments signed the FTA on November 22, 2006. On June 28, 2007, the Parties amended the FTA to reflect the provisions of the May 10, 2007 Congressional-Executive Agreement on Trade Policy. The full text of the FTA is available at <http://www.ustr.gov/trade-agreements/free-trade-agreements/colombia-fta/final-text>.

Issues have been raised about the extent to which Colombians are able to exercise their fundamental labor rights, as referenced in the FTA. In that light, the President has asked the USTR to assess what steps can be taken, along with the government of Colombia, to secure continued progress in ensuring that Colombia's workers can exercise their fundamental labor rights. To assist the USTR in fulfilling this task, the Chairman of the TPSC invites interested persons to provide written comments on these questions and requests. Specific questions for comment are:

(1) Are there gaps in Colombia's labor law regime, including its enforcement mechanisms, with respect to providing for the fundamental labor rights of its citizens? If there are gaps, please identify them and provide specific suggestions for improvement.

(2) Is the Colombian government taking adequate steps to protect Colombia's workers from acts of intimidation or violence that impede the exercise of their fundamental labor rights? If there are gaps, please identify them and provide specific suggestions for improvement.

(3) Has the government of Colombia made sufficient progress in its efforts to prosecute the perpetrators of violence and intimidation against unionists exercising their fundamental labor rights? If there are gaps, please identify them and provide specific suggestions for improvement.

The public is also invited to comment on other issues they believe relevant to the FTA, including the potential benefits of the agreement.

Interested persons may submit written comments by noon, September 15, 2009 (see requirements for submission below). Written comments should be submitted in English and must state clearly the position taken and describe with particularity the supporting rationale.
