

The exemption conditions relief on compliance with a number of information collection requirements. These information collections are to be provided or made available to plan participants and fiduciaries in order to inform them about investments in Qualifying REIT Shares and the conditions of the exemption permitting share transactions. Records sufficient to allow them to determine whether the exemption conditions are met must also be maintained, and made available to them upon request, for a period of six years. These records must also be made available on request to employers and employee organizations with employees and members covered by a Plan of the Trust REIT or one of its employer affiliates, and to authorized employees and representatives of the Department and the Internal Revenue Service. For additional information, see related notice published at 74 FR 17987 on April 20, 2009.

#### **Belcher-Robinson Foundry, Alexander City, AL; Notice of Affirmative Determination Regarding Application for Reconsideration**

By application dated June 25, 2009, the petitioner requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) applicable to workers and former workers of the subject firm. The determination was issued on June 17, 2009. The Notice of Determination was published in the **Federal Register** on July 14, 2009 (74 FR 34038).

The initial investigation resulted in a negative determination based on the finding that imports of automotive drive train components did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

In the request for reconsideration, the petitioner provided additional information regarding customers of the subject firm and imports of automotive drive train components.

The Department has carefully reviewed the request for reconsideration and the existing record and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

#### **Conclusion**

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 15th day of July 2009.

**Elliott S. Kushner,**

### Employment and Training Administration

[TA-W-64,401]

#### **Qimonda 200MM Facility, Including On-Site Leased Workers From Tokyo Electron America, Nikon Precision, Inc., Ebara Technologies, Inc., Air Products and Chemicals, Inc., PSI Repair Services, Exel Logistics, Xperts, Inc., KLA-Tencor Craftscorps, Inc. and Colonial Webb, and Qimonda North America Corporation, Qimonda Richmond, a Subsidiary of Qimonda AG, Sandston, VA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on December 11, 2008, applicable to workers of Qimonda 200MM Facility, Sandston, Virginia. The notice was published in the **Federal Register** on December 30, 2008 (73 FR 79914). The certification was amended on February 10, 2009, March 3, 2009, March 31, 2009 and June 12, 2009 to include on-site leased workers of Tokyo Electron America, Nikon Precision, Ebara Technologies, Air Products and Chemicals, Inc., PSI Repair Services, Exel Logistics, Xperts, Inc. and KLA/Tencor and Qimonda North America

Corp., Qimonda Richmond, an on-site subsidiary of the subject firm. These notices were published in the **Federal Register** on February 23, 2009 (74 FR 8111), March 11, 2009 (74 FR 10619), April 7, 2009 (74 FR 15752) and June 24, 2009 (74 FR 30112), respectfully.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of DRAM semiconductor wafers.

The company reports that workers leased from Craftscorps, Inc., and Colonial Webb were employed on-site at the Sandston, Virginia location of Qimonda 200MM Facility. The Department has determined that these workers were sufficiently under the control of Qimonda 200MM Facility to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from Craftscorps, Inc., and Colonial Webb working on-site at the Sandston, Virginia location of the subject firm.

The intent of the Department's certification to include all workers employed at Qimonda 200MM Facility, Sandston, Virginia who were adversely affected by a shift in production to a foreign country followed by increased imports of articles like or directly competitive with DRAM semiconductor wafers produced by the subject firm.

The amended notice applicable to TA-W-64,401 is hereby issued as follows:

All workers of Qimonda 200MM Facility, including on-site leased workers from Tokyo Electron America, Nikon Precision, Inc., Ebara Technologies, Inc., Air Products and Chemicals, Inc., PSI Repair Services, Exel Logistics, Xperts, Inc., KLA-Tensor, Craftscorps, Inc., and Colonial Webb and including on-site workers of Qimonda North America Corp., Qimonda Richmond, a subsidiary of Qimonda AG, Sandston, Virginia, who became totally or partially separated from employment on or after November 11, 2007 through December 11, 2010, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC, this 15th day of July 2009.
