

beyond. The St. Lawrence River and its tributaries were continually used as part of Native American hunting and fishing grounds. During the French and Indian War, Native Americans who occupied the Oswegatchie River region (Oswegatchie is a tributary of the St. Lawrence River), which included the Oneida, Mohawk, Cayuga, and Onondaga, were dislocated as a result of the war. Many Native Americans were forced to abandon their settlements, which included the abandonment of La Presentation in 1759. Many Iroquoian families were forced to migrate to present-day St. Regis where they were adopted by the Mohawk. Consultation with tribal representatives of the Mohawks of Akwesasne (which is composed of the Saint Regis Mohawk Tribe, New York; Mohawk Council of Akwesasne; and Mohawk Nation Council of Chiefs) provided additional lines of evidence.

Through ongoing consultation with Native American groups and Lauren French, examination of the human remains, and review of the available literature, officials of St. Lawrence University have determined that the human remains are Native American and most likely share common Iroquoian identity with the Cayuga Nation of New York; Oneida Nation of New York; Oneida Tribe of Indians of Wisconsin; Onondaga Nation of New York; and the Mohawks of Akwesasne (which is composed of the Saint Regis Mohawk Tribe, New York; Mohawk Council of Akwesasne; and Mohawk Nation Council of Chiefs).

Officials of the St. Lawrence University, Department of Anthropology have determined that, pursuant to 25 U.S.C. 3001 (9–10), the human remains described above represents the physical remains of one individual of Native American ancestry. Officials of the St. Lawrence University, Department of Anthropology have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Cayuga Nation of New York; Oneida Nation of New York; Oneida Tribe of Indians of Wisconsin; Onondaga Nation of New York; and Saint Regis Mohawk Tribe, New York. Lastly, officials of the St. Lawrence University, Department of Anthropology have determined that there is a cultural relationship between the human remains and the Mohawk Council of Akwesasne and Mohawk Nation Council of Chiefs.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the human remains

should contact Dr. Richard A. Gonzalez, Department of Anthropology, St. Lawrence University, Canton, NY 13617, telephone (315) 229–5745, before September 2, 2009. Repatriation of the human remains to the Cayuga Nation of New York; Oneida Nation of New York; Oneida Tribe of Indians of Wisconsin; Onondaga Nation of New York; and Saint Regis Mohawk Tribe, New York (which also represents the Mohawk Council of Akwesasne and the Mohawk Nation Council of Chiefs), may proceed after that date if no additional claimants come forward.

St. Lawrence University is responsible for notifying the Cayuga Nation of New York; Oneida Nation of New York; Oneida Tribe of Indians of Wisconsin; Onondaga Nation of New York; Saint Regis Mohawk Tribe, New York; Mohawk Council of Akwesasne; and Mohawk Nation Council of Chiefs that this notice has been published.

SUPPLEMENTARY INFORMATION:

Background.—On November 13, 1985, the Department of Commerce issued an antidumping duty order on imports of barbed wire and barbless wire strand from Argentina (50 FR 46808). Following five-year reviews by Commerce and the Commission, effective May 12, 1999, Commerce issued a continuation of the antidumping duty order on imports of barbed wire and barbless fencing wire from Argentina (64 FR 42653). Following second five-year reviews by Commerce and the Commission, effective September 20, 2004, Commerce issued a continuation of the antidumping duty order on imports of barbed wire and barbless fencing wire from Argentina (69 FR 56190). The Commission is now conducting a third review to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full

review or an expedited review. The Commission's determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to this review:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year review, as defined by the Department of Commerce.

(2) The *Subject Country* in this review is Argentina.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determination and in its expedited first and second five-year review determinations, the Commission defined the *Domestic Like Product* as barbed wire and barbless wire strand, consistent with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determination and in its expedited first and second five-year review determinations, the Commission defined the *Domestic Industry* as producers of barbed wire and barbless wire strand.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the review and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the review as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the review.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation. The

Commission's designated agency ethics official has advised that a five-year review is not considered the "same particular matter" as the corresponding underlying original investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b)(19 CFR 201.15(b)), 73 FR 24609 (May 5, 2008). This advice was developed in consultation with the Office of Government Ethics. Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202–205–3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this review available to authorized applicants under the APO issued in the review, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the review. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this review must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions.—Pursuant to section 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is September 2, 2009. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as

specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct an expedited or full review. The deadline for filing such comments is October 19, 2009. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the review you do not need to serve your response).

Inability to provide requested information.—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determination in the review.

BILLING CODE 4410-12-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Amendment to Consent Decrees Under the Clean Water Act

Under 28 CFR 50.7, notice is hereby given that on July 28, 2009, the Department of Justice lodged with the United States District Court for the Southern District of Ohio a proposed First Amendment to the Interim Partial Consent Decree on Sanitary Sewer Overflows and Consent Decree on

Combined Sewer Overflows, Wastewater Treatment Plants and Implementation of Capacity Assurance Program Plan ("Global Decree"), which were entered by the Court on June 9, 2009 in *United States and State of Ohio v. Board of County Commissioners of Hamilton County and the City of Cincinnati*, Civil Action Nos. C-1-02-107 and C-1-02-108. The proposed First Amendment to the Consent Decrees conforms certain paragraphs of the Consent Decrees to the scheduling approach and certain other requirements set forth in the defendants' Wet Weather Improvement Program (WWIP), which was developed pursuant to the Consent Decrees and conditionally approved by the United States, the State of Ohio, and the Ohio River Valley Water Sanitation Commission on June 5, 2009, subject to the Court's approval of the proposed modifications to the Consent Decrees.

The proposed First Amendment would change Paragraph IX.B of the Global Decree to allow a phased approach to the schedule for implementation of the program, instead of requiring a fixed end date for all projects specified in advance in the WWIP. The first phase of work is estimated to cost \$1.145 billion (in 2006 dollars) and, under the proposed First Amendment, must be completed by December 31, 2018. The WWIP and the First Amendment set forth the projects that must be completed in one or more subsequent stages and the process for establishing the remainder of the schedule, which must be as expeditious as practicable. The proposed First Amendment would also make a few technical and schedule changes to specific capital improvement projects required by the Consent Decrees.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed First Amendment to the Consent Decrees. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611. In either case, the comments should refer to *United States et al. v. Board of County Commissioners of Hamilton County and the City of Cincinnati*, D.J. Ref. 90-5-1-6-341A.

The First Amendment to the Consent Decrees may be examined at the Office of the United States Attorney for the Southern District of Ohio, 221 E. 4th
