AGENCY: Securities and Exchange Commission.

ACTION: Final rule.

SUMMARY: The Securities and Exchange Commission (the Commission) is adopting revisions to the Electronic Data Gathering, Analysis, and Retrieval System (EDGAR) Filer Manual to reflect updates to the EDGAR system. The revisions were made primarily to support the 2009 US GAAP Taxonomy, the Schedule of Investments (SOI) Taxonomy and to communicate a change in the Filer Support hours to 9 a.m. to 5:30 p.m. The revisions to the Filer Manual reflect changes within Volume I entitled EDGAR Filer Manual, Volume I: "General Information," Version 7 (July 2009) and Volume II entitled EDGAR Filer Manual, Volume II: "EDGAR Filing," Version 12 (July 2009). The updated manual will be incorporated by reference into the Code of Federal Regulations.

DATES: *Effective Date:* August 4, 2009. The incorporation by reference of certain publications listed in the rule is approved by the Director of the Federal Register as of August 4, 2009.

SUPPLEMENTARY INFORMATION: We are adopting an updated EDGAR Filer Manual, Volume I and Volume II. The Filer Manual describes the technical formatting requirements for the preparation and submission of electronic filings through the EDGAR system.¹ It also describes the requirements for filing using EDGARLink² and the Online Forms/XML Web site.

The Filer Manual contains all the technical specifications for filers to submit filings using the EDGAR system. Filers must comply with the applicable provisions of the Filer Manual in order to assure the timely acceptance and processing of filings made in electronic format.³ Filers may consult the Filer Manual in conjunction with our rules governing mandated electronic filing when preparing documents for electronic submission.⁴

The EDGAR system will be upgraded to Release 9.16 on July 20, 2009 and will introduce the following changes: *Interactive Data/XBRL Changes:* The existing US GAAP Taxonomy will be upgraded to the 2009 US GAAP Taxonomy; the US GAAP Beta 2.0 Taxonomy will no longer be supported; and, the system will support the Schedule of Investments Taxonomy 2008. Taxonomy details can be found on the SEC public Web site's "EDGAR Standard Taxonomies" Web page (<http://www.sec.gov/info/edgar/edgartaxonomies.shtml>). Chapter 6 (Interactive Data) of the EDGAR Filer Manual, Volume II: "EDGAR Filing" has been updated to make minor clarifications to the instructions on XBRL/Interactive Data Tagging.

New Filer Support Hours: The updated EDGAR Filer Manual makes the business hours for all EDGAR Filer Support branches uniform and conforms them to the Commission's official business hours of 9 a.m. to 5:30 p.m. Eastern Time. The manual notes that for

¹ We originally adopted the Filer Manual on April 1, 1993, with an effective date of April 26, 1993. Release No. 33-6986 (April 1, 1993) [58 FR 18638]. We implemented the most recent update to the Filer Manual on April 23, 2009. See Release No. 33-9027 (April 16, 2009) [74 FR 18465].

the first time filers may leave voice mail for calls placed outside of the official business hours.

Filer Management: Filers will be required to provide the printed name and title or position of the authorized person signing on both the Update Passphrase and Convert Paper Only Filer to Electronic Filer requests, which are faxed to the SEC.

A new fax line will be added for submitting Form ID notarized authentication documentation. The new fax line number will be (703) 813-6961.

The EDGAR Filing Web site will be updated to allow filers to change their investment company type (ICT) from the "Enter Series and Classes (Contracts) Information" option under the Retrieve/Edit Data menu.

Minor description changes were made to submission form types DEFM14A and PREM14A.

Along with adoption of the Filer Manual, we are amending Rule 301 of Regulation S-T to provide for the incorporation by reference into the Code of Federal Regulations of today's revisions. This incorporation by reference was approved by the Director of the Federal Register in accordance with 5 U.S.C. 552(a) and 1 CFR Part 51.

You may obtain paper copies of the updated Filer Manual at the following address: Public Reference Room, U.S. Securities and Exchange Commission, 100 F Street, NE., Room 1520, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. We will post electronic format copies on the Commission's Web site; the address for the Filer Manual is <http://www.sec.gov/info/edgar.shtml>.

Since the Filer Manual relates solely to agency procedures or practice, publication for notice and comment is not required under the Administrative Procedure Act (APA).⁵ It follows that the requirements of the Regulatory Flexibility Act⁶ do not apply.

The effective date for the updated Filer Manual and the rule amendments is August 4, 2009. In accordance with the APA,⁷ we find that there is good cause to establish an effective date less than 30 days after publication of these rules. The EDGAR system upgrade to Release 9.16 is scheduled to be available on July 20, 2009. The Commission believes that establishing an effective date less than 30 days after publication of these rules is necessary to coordinate the effectiveness of the updated Filer Manual with the system upgrade.

District Eight Safety Zones and Special Local Regulations

AGENCY: Coast Guard, DHS.

ACTION: Notice of expired temporary rules issued.

SUMMARY: This document provides required notice of substantive rules issued by the Coast Guard and temporarily effective between May 2006 and January 2009, that expired before they could be published in the **Federal Register**. This notice lists safety zones and special local regulations issued in the Eighth Coast Guard District, all of very limited duration and for which timely publication in the **Federal Register** was not possible.

DATES: This document lists temporary Coast Guard rules that became effective and were terminated between May 15, 2006 and January 9, 2009.

ADDRESSES: Documents listed in this preamble under the USCG–200#–#### format are available for electronic viewing under their individual docket numbers at <http://www.regulations.gov>. All other document formats are available for viewing online under

Notice USCG–2009–0677 at <http://www.regulations.gov>. These documents are also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590 between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

FOR FURTHER INFORMATION CONTACT: For questions on this notice contact Yeoman First Class Denise Johnson, Office of Regulations and Administrative Law, telephone (202) 372–3862. For questions on viewing, or on submitting material to the docket, contact Ms. Angie Ames, Docket Operations, telephone 202–366–5115.

SUPPLEMENTARY INFORMATION: Coast Guard District Commanders and Captains of the Port (COTP) must be immediately responsive to the safety and security needs within their jurisdiction; therefore, District Commanders and COTPs have been delegated the authority to issue certain local regulations. Safety zones may be established for safety or environmental purposes. A safety zone may be stationary and described by fixed limits or it may be described as a zone around a vessel in motion. Special local regulations are issued to enhance the safety of participants and spectators at regattas and other marine events. Timely publication of these rules in the **Federal Register** is often precluded when a rule responds to an emergency, or when an event occurs without sufficient advance notice. The affected public is, however, informed of these rules through Local Notices to Mariners, press releases, and other means. Moreover, actual notification is provided by Coast Guard patrol vessels enforcing the restrictions imposed by the rule. Because **Federal Register** publication was not possible before the beginning of the effective period, mariners were personally notified of the contents of these safety zones by Coast Guard officials’ on-scene prior to any enforcement action. However, the Coast Guard, by law, must publish in the **Federal Register** notice of substantive rules adopted. To meet this obligation without imposing undue expense on the public, the Coast Guard is publishing a list of expired temporary regulations pertaining to the Eighth Coast Guard District, which is headquartered in New Orleans, Louisiana. Permanent rules are not included in this list because they are published in their entirety in the **Federal Register**. Temporary rules are also published in their entirety if
