RECOVERY ACCOUNTABILITY AND TRANSPARENCY BOARD

4 CFR Part 202

RIN 0430-AA02

Official Seal

AGENCY: Recovery Accountability and Transparency Board.

ACTION: Direct final rule.

SUMMARY: The Recovery Accountability and Transparency Board (Board) is adopting regulations to establish its chapter and to adopt requirements on the use of its official seal. Use by any person or organization may be made only with the Board's prior written approval. Wrongful use of an official seal is subject to administrative action and/or criminal penalty.

The Board believes that this rule is non-controversial, and the Board anticipates no significant adverse comment. If the Board receives a significant adverse comment, it will withdraw the rule.

DATES: This rule is effective September 3, 2009 without further action, unless adverse comment is received by August 24, 2009. If adverse comment is received, the Board will publish a timely withdrawal of the rule in the *Federal Register*.

ADDRESSES: You may submit comments by Mail/Hand Delivery/Courier: Jennifer Dure, Office of General Counsel, Recovery Accountability and Transparency Board, 1717 Pennsylvania Avenue, NW., Suite 700, Washington, DC 20006.

FOR FURTHER INFORMATION CONTACT: Kristen Fernandez, Records Manager, telephone (202) 254-7900.

SUPPLEMENTARY INFORMATION: The Board is adopting regulations (4 CFR part 202) on the use of its official seal. The Board has developed a seal that signifies the authoritativeness of the item or document to which it is affixed as an official endorsement of the Board. The seal is to be used for official Board business or as approved under the Board's regulations.

The Board believes there is good cause to bypass notice and comment and proceed to a direct final rule pursuant to 5 U.S.C. 553(b). The rule is non-controversial and merely provides who may use the Board's official seal and for what purpose. Because this rule only impacts Board procedure and practice, notice and comment is unnecessary. Although the Board believes this direct final rule will not elicit any significant adverse comments, if such comments are received, the Board will publish a timely notice of withdrawal in the *Federal Register*.

Irish Potatoes Grown in Colorado; Modification of the Handling Regulation for Area No. 2

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Affirmation of interim final rule as final rule.

SUMMARY: The Department of Agriculture (USDA) is adopting, as a final rule, without change, an interim final rule that modified the minimum size requirement under the Colorado potato marketing order, Area No. 2. For most long potato varieties, the interim final rule changed the minimum size requirement from 2 inches in diameter to 1⁷/₈ inches in diameter and removed the minimum weight requirement. The change is expected to improve the marketing of Colorado Area No. 2 potatoes while increasing returns to producers and potato supplies to consumers.

DATES: *Effective Date:* Effective August 5, 2009.

SUPPLEMENTARY INFORMATION: This rule is issued under Marketing Agreement No. 97 and Marketing Order No. 948, both as amended (7 CFR part 948), regulating the handling of Irish potatoes

grown in Colorado, hereinafter referred to as the "order." The order is effective under the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674), hereinafter referred to as the "Act."

The Department of Agriculture (USDA) is issuing this rule in conformance with Executive Order 12866.

An interim final rule was published in the **Federal Register** on April 16, 2009, and was effective on April 17, 2009 (74 FR 17589, Doc. No AMS-FV-0094, FV09-948-1 IFR). The interim final rule amended § 948.386 by modifying the minimum size requirement for most long varieties of potatoes handled under the marketing order. The exceptions to these requirements are for potatoes handled under the size designations referred to in the U.S. Standards as "Size B" and "creamers." The revisions described in the interim final rule were made to the handling regulations for all regulated potatoes except those potatoes considered "Size B" or "creamers." The current size requirements for "Size B" and "creamers" remain unchanged.

Except as explained above, for long potato varieties, the interim final rule changed the minimum size requirement from 2 inches in diameter to 1⁷/₈ inches in diameter and removed the minimum weight requirement.

This action did not impact imported potatoes covered by section 608(e) of the Act.
