Finally, in its changed circumstances review request the Rubicon Group requested that any resulting revocation for PFF and Sea Wealth be effective as of January 16, 2009 (the effective date of the *Section 129 Implementation*). Consistent with our treatment of companies excluded from antidumping duty orders which are subject to subsequent successor-in-interest determinations, we will apply this successor-in-interest determination retroactively to the dates PFF and Sea Wealth were formed and became part of the Rubicon Group (*i.e.*, August 31, 2005, for PFF and July 24, 2003, for Sea Wealth). *See, e.g., Stainless Steel Wire Rod From Italy: Notice of Final Results of Changed Circumstances Antidumping Duty Review*, 71 FR 24643, 24644 (Apr. 26, 2006). Because these dates are prior to January 16, 2009, we find that it is appropriate to revoke the antidumping duty order with respect to frozen warmwater shrimp produced and exported by PFF and Sea Wealth as of January 16, 2009, consistent with our treatment of the other members of the Rubicon Group.² *See Section 129 Implementation*, 74 FR at 5639.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Martha Douthit, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-5050.

SUPPLEMENTARY INFORMATION:

Background

On February 2, 2009, the Department of Commerce ("Department") published a notice of initiation of an administrative review of Welded ASTM A-312 Stainless Steel Pipe from the Republic of Korea covering the period December 1, 2007 through November 30, 2008. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 5821 (February 2, 2009). The preliminary results of this administrative review are currently due no later than September 2, 2009.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the "Act"), the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the order for which the administrative review was requested. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2) allow the Department to extend the 245-day period to 365 days.

Pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we determine that it is not practicable to complete the results of this review within the original time limit. The Department needs additional time to analyze a significant amount of information the parties submitted, and to determine whether any additional information is required. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department has decided to extend the time limit for the preliminary results from 245 days to 365 days. The preliminary results will now be due no later than December 31, 2009. Unless extended, the final results continue to be due 120 days after the publication of the preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1) of the Department's regulations.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: July 27, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
