RETENTION AND DISPOSAL:

The records are used to provide a centralized system within the Department of Defense to assess manpower trends, support personnel functions, perform longitudinal statistical analyses, and conduct scientific studies or medical follow-up programs and other related studies/analyses. Records are retained as follows:

(1) Input/source records are deleted or destroyed after data have been entered into the master file or when no longer needed for operational purposes, whichever is later. Exception: Apply NARA-approved disposition instructions to the data files residing in other DMDC data bases.

(2) The Master File is retained permanently. At the end of the fiscal year, a snapshot is taken and transferred to the National Archives in accordance with 36 CFR part 1228.270 and 36 CFR part 1234.

(3) Outputs records (electronic or paper summary reports) are deleted or destroyed when no longer needed for operational purposes. **Note:** This disposition instruction applies only to record keeping copies of the reports retained by DMDC. The DoD office requiring creation of the report should maintain its record keeping copy in accordance with NARA approved disposition instructions for such reports.

(4) System documentation (codebooks, record layouts, and other system documentation) are retained permanently and transferred to the National Archives along with the master file in accordance with 36 CFR part 1228.270 and 36 CFR part 1234.
