## Notification to Interested Parties

This notice serves as the final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and in the subsequent assessment of double antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply is a violation of the APO.

This notice of final results is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 6, 2009.

#### SUPPLEMENTARY INFORMATION:

#### Background

On February 4, 2009, the Department published in the **Federal Register** its notice of opportunity to request an administrative review of the antidumping duty order on certain preserved mushrooms from the People's

On March 2, 2009, Yu Xing requested an administrative review in accordance with 19 CFR 351.213(b)(1). No other interested party requested an administrative review for this period.

On April 27, 2009, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review of certain preserved mushrooms from the PRC for the period February 1, 2008, through January 31, 2009, with respect to Yu Xing. *See Initiation Notice*.

Yu Xing filed its section A response on June 2, 2009 and its section C and D responses on June 16, 2009. On July 24, 2009, pursuant to 19 CFR 351.213(d)(1), Yu Xing withdrew its requests for an administrative review.

#### Rescission of Administrative Review

Section 351.213(d)(1) of the Department's regulations provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. The Department initiated the administrative review of the antidumping duty order on April 27, 2009. Yu Xing withdrew its request for an administrative review on July 24, 2009. This notice serves as a reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

**Notification Regarding APO's**

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. **DEPARTMENT OF COMMERCE****National Institute of Standards and Technology****Freedom of Information Act Requests for Photographs and Videos Collected by the National Institute of Standards and Technology for Its Investigation Into the Failures of the World Trade Center Buildings**

**AGENCY:** National Institute of Standards and Technology, Department of Commerce.

**ACTION:** Notice.

**SUMMARY:** Photographers whose photographs and videos were provided to NIST for use in its investigation into the failures of World Trade Center (WTC) Buildings 1, 2 and 7 must provide NIST with a written response explaining how disclosure of their images would likely cause substantial competitive harm to their competitive position and/or impair the Government's ability to obtain similar information in the future if you believe that some or all of the images you submitted to NIST should be withheld in response to requests received by NIST under the Freedom of Information Act.

**DATES:** All written responses must be received by NIST by c.o.b., August 24, 2009.

**ADDRESSES:** All written responses must be sent to NIST Freedom of Information Act Officer, 100 Bureau Drive, Mail Stop

1710, Gaithersburg, Maryland 20899-1710 or by e-mail to [Catherine.fletcher@nist.gov](mailto:Catherine.fletcher@nist.gov).

**FOR FURTHER INFORMATION CONTACT:** NIST FOIA Officer by telephone at (301) 975-4074, or by e-mail at [Catherine.fletcher@nist.gov](mailto:Catherine.fletcher@nist.gov).

**SUPPLEMENTARY INFORMATION:** The National Institute of Standards and Technology (NIST) has received requests made under the Federal Freedom of Information Act (Title 5 U.S.C. 552) (FOIA) for the photographs and videos NIST collected as part of its investigation of the collapse of the World Trade Center Towers (Buildings 1 and 2) and World Trade Center Building 7. The FOIA requests are located at: [http://wtc.nist.gov/FOIA/FOIArequests09\\_15\\_42\\_63\\_88.pdf](http://wtc.nist.gov/FOIA/FOIArequests09_15_42_63_88.pdf). During the course of its investigation NIST received thousands of photographic and video images from hundreds of photographers.

Under the FOIA, the Government is required to release to a requester copies of documents it maintains that are not otherwise protected by an exemption to the FOIA. One particular exemption, exemption (b)(4), protects from disclosure any records, or portions thereof, which contain "trade secrets and commercial or financial information obtained from a person and privileged or confidential." 5 U.S.C. § 552(b)(4).

If you submitted photographic or video images to NIST for its World Trade Center investigation and if you believe that some or all of the images should be withheld, you must notify NIST in writing within ten (10) working days (*i.e.*, excluding Saturday, Sunday, and legal public holidays) from the date of publication of this **Federal Register** notice. Your written response must specifically identify which images you submitted to NIST for which you are asserting privilege under exemption (b)(4). You should include copies of your images with your written response to help identify your images. If you do not positively identify your image(s), your written response will not be considered. Your written response must indicate that you are responding to this **Federal Register** notice. Your written response must explain why the images are commercial or financial information that is privileged or confidential. In order to protect information under exemption (b)(4), your written response must explain, in detail, how disclosure of your images would likely cause substantial harm to your competitive position and/or how disclosure of your images will impair the Government's ability to obtain similar information in the future. A conclusory statement, to

the effect that the information is confidential because releasing it could cause substantial competitive harm, will not suffice. Your written response must include your full name and complete address. You may notify the NIST FOIA Officer of your position by sending an e-mail to [Catherine.fletcher@nist.gov](mailto:Catherine.fletcher@nist.gov) or by mailing a letter to: NIST Freedom of Information Act Officer, 100 Bureau Drive, Mail Stop 1710, Gaithersburg, Maryland 20899-1710.

NIST does not have current contact information for all of the photographers whose images were submitted for the NIST WTC Investigation. If you know a photographer whose images were submitted to NIST, please notify them of this notice.

FOIA lawsuits were filed for these records on May 28, 2009 and June 15, 2009. Therefore, time is of the essence in processing this request. If we do not receive a response from you within 10 working days from the date of publication of this **Federal Register** notice, your images might be released to the FOIA requester.
