SUPPLEMENTARY INFORMATION:

I. Background

The National Apprenticeship Act of 1937, Section 50 (29 U.S.C. 50), authorizes and directs the Secretary of Labor "to formulate and promote the furtherance of labor standards necessary to safeguard the welfare of apprentices, to extend the application of such standards by encouraging the inclusion thereof in contracts of apprenticeship, to bring together employers and labor for the formulation of programs of apprenticeship, to cooperate with State agencies engaged in the formulation and promotion of standards of apprenticeship, and to cooperate with the Secretary of Education in accordance with Section 17 of Title 20." Section 50a of the Act authorizes the Secretary of Labor to "publish information relating to existing and proposed labor standards of apprenticeship," and to "appoint national advisory committees * * *" (29 U.S.C. 50a).

Title 29 CFR Part 30 sets forth policies and procedures to promote equality of opportunity in apprenticeship programs registered with the U.S. Department of Labor and recognized State Apprenticeship Agencies. These policies and procedures apply to

recruitment and selection of apprentices, and to all conditions of employment and training during apprenticeship. The procedures provide for review of apprenticeship programs, for registering apprenticeship programs, for processing complaints, and for deregistering non-complying apprenticeship programs. This part also provides policies and procedures for continuation or withdrawal of recognition of State agencies which register apprenticeship programs for Federal purposes.
