

designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The proposed rule change supports these principles in that it serves to increase the liquidity available at the NBBO. The Exchange believes that increased liquidity at the NBBO will lead to enhanced market quality which ultimately serves to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹² normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)¹³ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the

30-day operative delay¹⁴ is consistent with the protection of investors and the public interest because such waiver will permit the Exchange to immediately apply the new enhanced quoting requirements.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

September 1, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹, and Rule 19b-4 thereunder,² notice is hereby given that on August 27, 2009, NASDAQ OMX PHLX, Inc. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

Filings/, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to rebate monies previously assessed for the Cancellation Fee in July 2009 to all member organizations. During the month of July 2009, member organizations were assessed \$2.10 per order for each cancelled electronically-delivered³ order in excess of the number of orders executed on the Exchange by a member organization in a given month.⁴ The Exchange calculates the Cancellation Fee by aggregating all orders and cancels received by the Exchange and totaling those orders by member organization. The Exchange aggregates and counts as one executed customer⁵ option order all customer orders from the same member organization that are executed in the same series on the same side of the market at the same price within a 300 second period.⁶ The following order

activity is exempt from the Cancellation Fee: (i) Pre-market cancellations⁷ (ii) Complex Orders⁸ that are submitted electronically; (iii) unfilled Immediate-or-Cancel⁹ customer orders; and (iv) cancelled customer orders that improved the Exchange's prevailing bid or offer (PBBO) market at the time the customer orders were received by the Exchange.

The Exchange assessed the applicable Cancellation Fee of \$2.10 per order on member organizations, as specified above, during the month of July 2009. The Exchange believes that recent changes to the Cancellation Fee may have created confusion among its members as to the applicability of the fee and/or its calculation. The Exchange has explained the current fee applicability to its member organizations¹⁰ and as a result would propose to retroactively waive the Cancellation Fee for the month of July 2009 and issue a rebate to all member organizations for Cancellation fees assessed in July 2009. The Exchange believes that member organizations have been adequately educated as to the Exchange's current Cancellation Fee and its applicability for future assessments.

Simple cancels and cancel-replacement orders are the types of orders that are counted when calculating the number of electronically-delivered orders. (A cancel-replacement order is a contingency order consisting of two or more parts which require the immediate cancellation of a previously received order prior to the replacement of a new order with new terms and conditions. If the previously placed order is already filled partially or in its entirety the replacement order is automatically canceled or reduced by such number.) See Exchange Rule 1066(c)(7). Also, pre-market cancellations are not included in the calculation of the Cancellation Fee as well as Complex Orders that are submitted electronically. See Securities Exchange Act Release Nos. 53226 (February 3, 2006), 71 FR 7602 (February 13, 2006) (SR-Phlx-2005-92); and 53670 (April 18, 2006), 71 FR 21087 (April 24, 2006) (SR-Phlx-2006-21).

⁷ See Securities Exchange Act Release Nos. 53226 (February 3, 2006), 71 FR 7602 (February 13, 2006) (SR-Phlx-2005-92); and 53670 (April 18, 2006), 71 FR 21087 (April 24, 2006) (SR-Phlx-2006-21). See also Securities Exchange Act Release No. 60046 (June 4, 2009), 74 FR 28083 (June 12, 2009) (SR-Phlx-2009-44).

⁸ A Complex Order is composed of two or more option components and is priced as a single order (a "Complex Order Strategy") on a net debit or net credit basis.

⁹ An Immediate-or-Cancel (IOC) order is a limit order that is to be executed in whole or in part upon receipt. Any portion not so executed shall be cancelled.

¹⁰ NASDAQ OMX PHLX staff contacted all member organizations who were assessed a Cancellation Fee in July 2009 concerning the applicability and calculation of this fee prior to August 1, 2009. Additionally, the Exchange produces a daily cancellation fee reconciliation report as a tool for member organizations to monitor their cancel volume and potential charges.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act¹¹ in general, and furthers the objectives of Section 6(b)(4) of the Act¹² in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes that the proposal to retroactively waive the Cancellation Fee for the month of July 2009 and issue a rebate to all member organizations for fees previously assessed in July 2009 is fair and equitable in that the waiver will apply to all member organizations. The Exchange believes that it has educated its members as to the applicability of the current Cancellation Fee and any confusion has been remedied for future assessment of this fee.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹³ and paragraph (f)(2) of Rule 19b-4¹⁴ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

⁵ See e.g. Exchange Rule 1080(b)(i)(A) which defines customer order as " * * * is any order entered on behalf of a public customer, and does not include any order entered for the account of a broker-dealer, or any account in which a broker-dealer or an associated person of a broker-dealer has any direct or indirect interest."

⁶ See Securities Exchange Act Release No. 60188 (June 29, 2009), 74 FR 32986 (July 9, 2009) (SR-Phlx-2009-48) (aggregating options orders within a specified time period for the purpose of assessing the Cancellation Fee). At least 500 cancellations must be made in a given month by a member organization in order for a member organization to be assessed the Cancellation Fee. The Cancellation Fee is not assessed in a month in which fewer than 500 electronically-delivered orders are cancelled.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60603; File No. SR-BX-2009-049]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Correct an Error in Rule 7018

September 1, 2009

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 17, 2009, NASDAQ OMX BX, Inc. ("BX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

BX is filing a proposed rule change to correct a typographical error in Rule 7018. The text of the proposed rule change is attached as Exhibit 5³ and is available at <http://nasdaqomxbx.cchwallstreet.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. BX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX is submitting this filing to correct a typographical error in Rule 7018.⁴ In

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ The Commission notes that Exhibit 5 is attached to the filing, but is not attached to this Notice.

⁴ The Commission notes that, as with all filings submitted under Section 19(b)(3)(A) of the Act, the filing is effective on the date it was filed, in this case August 17, 2009.

SR-BX-2009-018,⁵ BX modified its pricing for execution of orders in securities listed on The NASDAQ Stock Market ("NASDAQ") and the New York Stock Exchange ("NYSE") by, among other things, replacing a charge to access liquidity of \$0.0014 per share executed with a credit of \$0.0006 per share executed. This change was accurately described in the "Purpose" section of BX's Form 19b-4 filing,⁶ in the Commission's notice of the filing on the SEC Web site⁷ and in the **Federal Register**,⁸ in widely disseminated announcements of the pricing change,⁹ and in the pricing schedule that appears on BX's market Web site.¹⁰ However, due to a typographical error, the credit incorrectly appeared as "\$0.006" in Exhibit 5 to the filing. Accordingly, BX is submitting this filing to correct the typographical error. BX has been billing members in accordance with the correct fee since the effective date of the change in April 2009, and accordingly believes that all of its members that trade on the NASDAQ OMX BX Equities System are cognizant of the correct fee.

2. Statutory Basis

BX believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,¹¹ in general, and with Section 6(b)(5) of the Act,¹² in particular, in that it is designed to remove impediments to and perfect the mechanism of a fee [sic] and open market and a national market system. The proposed rule change corrects a typographical error in BX Rule 7018.

B. Self-Regulatory Organization's Statement on Burden on Competition

BX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.
