SUPPLEMENTARY INFORMATION: On July 8, 2009, NTIA published a Notice of Funds Availability (NOFA) in the **Federal Register** to announce the availability of funds for the State Broadband Data and Development Grant Program pursuant to the authority provided in the American Recovery and Reinvestment Act of 2009 (Recovery Act), Public Law 111-5, 123 Stat. 115 (2009), and the Broadband Data Improvement Act (BDIA), Title I, Public Law 110-385, 122 Stat. 4096 (2008).¹ In the NOFA, NTIA provided that the period of performance for awards under the Program would be five years from the date of award.²

NTIA's highest priority with respect to this Program is to facilitate the development and maintenance of a national broadband map. The Agency seeks to develop the map in such a way that encourages continually improved data collection efforts while maintaining fiscal responsibility, resulting in a map that meets the requirements of Congress and the needs of all stakeholders, including policymakers and consumers. To that end, NTIA has determined that it will at this time fund mapping and data collection efforts for two years and will assess lessons learned, determine best practices, and investigate opportunities for improved data collection prior to obligating funding for subsequent years. NTIA now clarifies that the initial period of performance for funds allocated to Broadband Mapping purposes will be two (2) years from the date of award and any subsequent funding will be subject to and contingent upon the agency's review of program priorities and the availability of funds.

NTIA will review and negotiate awards based on the five-year budget that applicants have already submitted. In light of this clarification, however, NTIA will allow an applicant to submit a new budget on SF 424A reflecting any revisions necessary for the first two years of the award period (2009-2010, 2010-2011). Any revised budget must be submitted no later than 11:59 p.m. on September 15, 2009, through the online

Grants.gov system. NTIA requests that Applicants also submit a courtesy copy to broadbandmapping@ntia.doc.gov.

The period of performance for funds allocated to Broadband Planning purposes will remain five (5) years from the date of award. All other requirements provided in the Notice published on July 8, 2009, remain unchanged.

Dated: September 4, 2009.

Assistant Secretary for Communications and Information.
