DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Clean Water Act

Notice is hereby given that on August 28, 2009, a proposed Consent Decree ("Decree") in *United States v. Charleswood, Inc.*, Civil Action No. 3:09-CV-00080 (RRE-KKK), was lodged with the United States District Court for the District of North Dakota, Southeastern Division. The case was brought under Section 402 of the Clean Water Act ("CWA"), 33 U.S.C. 1342, and involves the applicable permits governing discharge of storm water from the Charleswood Development in West Fargo, North Dakota.

The Consent Decree requires that Charleswood (1) achieve and maintain compliance with the CWA and its implementing regulations, including applicable permits; (2) pay a civil penalty of \$37,500 to redress the company's past violations of the CWA and its implementing regulations, including applicable permits; and (3) establish a compliance and oversight program that must be implemented by the company to reduce the discharge of storm water from the Charleswood Development.

The United States filed a Complaint with the Consent Decree which alleges that Charleswood failed to comply with the conditions of two general permits issued to it under Section 402 of the Act, 33 U.S.C. 1342, relating to the Charleswood Development. The Consent Decree would resolve the claims against Charleswood as described in the Complaint. The ultimate entry of the Consent Decree by the District Court of North Dakota would end this litigation.

The Department of Justice will receive for a period of thirty (30) days from the

date of this publication comments relating to the Decree.
