Comments received will be available to the public on the FTC Website, to the extent practicable, at (<http://www.ftc.gov/os/publiccomments.shtml>). As a matter of discretion, the FTC makes every effort to remove home contact information for individuals from the public comments it receives before placing those comments on the FTC Website. Section 6(f) of the FTC Act, 15 U.S.C. § 46(f), bars the Commission from publicly disclosing trade secrets or confidential commercial or financial information it receives from persons pursuant to, among other methods, special orders authorized by Section 6(b) of the FTC Act, 15 U.S.C. § 46(b). Such information also would be exempt from disclosure under the Freedom of Information Act, 5 U.S.C. § 552(b)(4). Moreover, under Section 21(c) of the FTC Act, 15 U.S.C. § 57b-2(c), a submitter who designates a submission as confidential is entitled to 10 days' advance notice of any anticipated public disclosure by the Commission, assuming that the Commission has determined that the information does not, in fact, constitute 6(f) material. Although materials covered under one or more of these various sections are protected by stringent confidentiality constraints, the FTC Act and the Commission's rules authorize disclosure in limited circumstances (*e.g.*, official requests by Congress, requests from other agencies for law enforcement purposes, and administrative or judicial proceedings). Even in those limited contexts, however, the Commission's rules may afford protections to the submitter, such as advance notice to seek a protective order in litigation. *See* 15 U.S.C. § 57b-2; 16 CFR 4.9-4.11.

By direction of the Commission.

### General Services Administration

[FMR Bulletin 2009-B3]

Real Property

TO: Heads of Federal Agencies.

SUBJECT: Federal Real Property Report.

1. *Purpose.* This bulletin announces the FY 2008 release of the Federal Real Property Report, an overview of the U.S. Government's owned and leased real property as of September 30, 2008.

2. *Expiration Date.* This bulletin contains information of a continuing nature and will remain in effect until canceled.

3. *Background.*

(1) On February 4, 2004, the President issued Executive Order (EO) 13327, "Federal Real Property Asset Management," and established the Federal Real Property Council (FRPC) to oversee the Federal Government's asset

management planning process and to improve governmentwide real property performance. The EO requires the Administrator of General Services, in consultation with the FRPC, to develop and maintain a centralized inventory database, incorporating all key elements identified by the FRPC.

(2) The goals of the centralized database are to: (1) Improve decision making with more accurate and reliable data; (2) provide the ability to benchmark federal real property asset performance; and (3) centralize collection of key real property data elements into one federal inventory database. The Federal Real Property Profile (FRPP) system was re-engineered in FY 2005 and further enhanced in subsequent years to meet the FRPC's information technology requirements.

(3) The FY 2008 report marks the fourth reporting year for the governmentwide data elements designated by the FRPC as required by EO 13327. All executive branch agencies are required to submit constructed asset-level data to the FRPP on an annual basis. The FRPP is a secure, password-protected Web-based database that allows federal real property managers to update real property data online and in real time, perform historical benchmarking, produce ad hoc reports, measure performance of real property assets, and identify unneeded and underutilized assets for disposal. The Federal Real Property Report provides information regarding federal real property holdings.

4. *How to Obtain a Copy of the Federal Real Property Report.* The FY 2008 version of the Federal Real Property Report is posted on the GSA Web site at [http://www.gsa.gov/graphics/ogp/FY\\_2008\\_Real\\_Property\\_Report.pdf](http://www.gsa.gov/graphics/ogp/FY_2008_Real_Property_Report.pdf). A limited number of hard copies of the report can be obtained by contacting the Asset Management Division (MPA), Office of Governmentwide Policy, General Services Administration, 1800 F Street, NW., Washington, DC 20405.

5. *Further Information.* For further information, contact Stanley C. Langfeld, Director, Regulations Management Division (MPR), Office of Governmentwide Policy, General Services Administration, at (202) 501-1737, or [stanley.langfeld@gsa.gov](mailto:stanley.langfeld@gsa.gov).
