

The CPSC staff estimates that the annualized cost to all respondents is approximately \$2,300.84 based on an hourly wage of \$47.44 per hour (\$47.44 × 48.5). (Bureau of Labor Statistics (“BLS”), December 2008, all workers, service, management, professional, and related).

The CPSC staff estimates that it will take an average of 2.5 hours to review the information collected from the oral communications with pool owners/operators or staff. The annual cost to the Federal government of the collection of information in these regulations is estimated to be \$19,361.21. This is based on an average wage rate of \$55.97 (the equivalent of a GS-14 Step 5 employee). This represents 70.1 percent of total compensation with an additional 29.9 percent coming from benefits (BLS, September 2008, percentage total benefits for all civilian management, professional, and related employees), or \$79.84 × 242.5 hours.

C. Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- Whether the collection of information described above is necessary for the proper performance of the Commission’s functions, including whether the information would have practical utility;
- Whether the estimated burden of the proposed collection of information is accurate;
- Whether the quality, utility, and clarity of the information to be collected could be enhanced; and
- Whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

Dated: September 16, 2009.

Todd A. Stevenson,
Secretary, Consumer Product Safety Commission.

BILLING CODE 6355–01–P

CONSUMER PRODUCT SAFETY COMMISSION

Submission for OMB Review; Comment Request—Safety Standard for Walk-Behind Power Lawn Mowers

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Consumer Product Safety Commission (Commission) announces that it has submitted to the Office of Management and Budget (OMB) a request for extension of approval of a collection of information associated with the Commission’s safety standard for walk-behind power lawn mowers.

DATES: Written comments on this request for extension of approval of information collection requirements should be submitted by October 21, 2009.

ADDRESSES: Written comments on this request for extension of approval of information collection requirements should be captioned “Walk-Behind Power Lawn Mowers” and submitted by October 21, 2009 to (1) The Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for CPSC, Office of Management and Budget, Washington DC 20503; telephone: (202) 395–7340, and (2) the Office of the Secretary, Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814, by e-mail at cpsc-os@cpsc.gov, or by mail or by facsimile at (301) 504–0127.

FOR FURTHER INFORMATION CONTACT: Copies of this request for extension of the information collection requirements and supporting documentation are available from Linda Glatz, Division of Policy and Planning, Office of Information Technology and Technology Services, Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814; telephone: (301) 504–7671 or by e-mail to lglatz@cpsc.gov.

SUPPLEMENTARY INFORMATION: In the **Federal Register** of July 13, 2009 (74 FR 33417), the Consumer Product Safety Commission published a notice in accordance with provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) to announce the agency’s intention to seek extension of approval of the collection of information required in the Safety Standard for Walk-Behind Power Lawn Mowers (16 CFR part 1205). One comment was received in support of the proposed collection of information in response to that notice.

The Safety Standard for Walk-Behind Power Lawn Mowers establishes performance and labeling requirements for mowers to reduce unreasonable risks of injury resulting from accidental contact with the moving blades of mowers. Certification regulations implementing the standard require

manufacturers, importers and private labelers of mowers subject to the standard to test mowers for compliance with the standard, and to maintain records of that testing. The records of testing and other information required by the certification regulations allow the Commission to determine that walk-behind power mowers subject to the standard comply with its requirements. This information also enables the Commission to obtain corrective actions if mowers fail to comply with the standard in a manner that creates a substantial risk of injury to the public.

Additional Information About the Request for Extension of Approval of a Collection of Information

Agency address: Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814.

Title of information collection: Safety Standard for Walk-Behind Power Lawn Mowers, 16 CFR part 1205.

Type of request: Extension of approval without change.

General description of respondents: Manufacturers, importers, and private labelers of walk-behind power lawn mowers.

Estimated number of respondents: 20 per year.

Estimated average number of hours per respondent: 390 per year.

Estimated number of hours for all respondents (testing and recordkeeping): 7,800 per year.

Estimated number of hours for all respondents (labeling): 2,600 per year.

Estimated cost of collection for all respondents (testing, recordkeeping, and labeling): \$498,626 per year.

Dated: September 16, 2009.

Todd A. Stevenson,
Secretary, Consumer Product Safety Commission.

CONSUMER PRODUCT SAFETY COMMISSION

Submission for OMB Review; Comment Request—Safety Standard for Cigarette Lighters

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Consumer Product Safety Commission (Commission) announces that it has submitted to the Office of Management and Budget (OMB) a request for extension of

approval of a collection of information associated with the Commission's safety standard for cigarette lighters.

DATES: Written comments on this request for extension of approval of information collection requirements should be submitted by October 21, 2009.

ADDRESSES: Written comments on this request for extension of approval of information collection requirements should be captioned "Cigarette Lighters" and submitted by October 21, 2009 to (1) the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for CPSC, Office of Management and Budget, Washington, DC 20503; telephone: (202) 395-7340, and (2) the Office of the Secretary, by e-mail at cpsc-os@cpsc.gov or sent to the Office of the Secretary, Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814. Written comments may also be sent by facsimile at (301) 504-0127.

FOR FURTHER INFORMATION CONTACT:

Copies of this request for extension of the information collection requirements and supporting documentation are available from Linda Glatz, Division of Policy and Planning, Office of Information Technology and Technology Services, Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814; telephone: (301) 504-7671 or by e-mail to lglatz@cpsc.gov.

SUPPLEMENTARY INFORMATION: In the *Federal Register* of July 8, 2009 (74 FR 32573), the Consumer Product Safety Commission published a notice in accordance with provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) to announce the agency's intention to seek extension of approval of the collection of information in the Safety Standard for Cigarette Lighters (16 CFR Part 1210). One comment was received in response to the July 8, 2009 notice, stating that the continued testing and data collection should not be collected annually since it is unlikely that new lighters are manufactured differently than existing lighters.

The regulations at 16 CFR part 1210, subpart B, do not require annual testing or certification of each new lighter. The Safety Standard for Cigarette Lighters requires disposable and novelty lighters to be manufactured with a mechanism to resist operation by children younger than five years of age. Certification regulations implementing the standard require manufacturers and importers to submit to the Commission a description of each model of lighter, results of prototype qualification tests for

compliance with the standard, and a physical specimen of the lighter before the introduction of each model of lighter in commerce. Moreover, the regulations at 16 CFR 1210.14, allows for testing purposes, the comparison of a new model to a previously tested model, as long as the differences between the two do not adversely affect the child-resistance feature or design of the lighter.

The Commission uses the records of testing and other information required by the certification regulations to determine that disposable and novelty lighters have been tested and certified for compliance with the standard by the manufacturer or importer. The Commission also uses this information to obtain corrective actions if disposable or novelty lighters fail to comply with the standard in a manner that creates a substantial risk of injury to the public.

Additional Information About the Request for Extension of Approval of a Collection of Information

Agency address: Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814.

Title of information collection: Safety Standard for Cigarette Lighters, 16 CFR Part 1210.

Type of request: Extension of approval without change.

General description of respondents: Manufacturers and importers of disposable and novelty cigarette lighters.

Estimated number of respondents: 20 per year.

Estimated average number of hours for testing, recordkeeping, and reporting per respondent: 5,500 per year.

Estimated cost of collection for all respondents: \$200,000 to \$501,000 per year.

Dated: September 16, 2009.

Todd A. Stevenson,

Secretary, Consumer Product Safety Commission.

CONSUMER PRODUCT SAFETY COMMISSION

Submission for OMB Review; Comment Request—Safety Standard for Automatic Residential Garage Door Operators

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C.

Chapter 35), the Consumer Product Safety Commission (Commission) announces that it has submitted to the Office of Management and Budget (OMB) a request for extension of approval of a collection of information associated with the Commission's safety standard for automatic residential garage door operators.

DATES: Written comments on this request for extension of approval of information collection requirements should be submitted by October 21, 2009.

ADDRESSES: Written comments on this request for extension of approval of information collection requirements should be captioned "Residential Garage Door Operators" and submitted by October 21, 2009 to (1) the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for CPSC, Office of Management and Budget, Washington DC 20503; telephone: (202) 395-7340, and (2) the office of the Secretary, 4330 East West Highway, Bethesda, MD 20814 by e-mail at cpsc-os@cpsc.gov or sent to that address. Written comments may also be sent to the Office of the Secretary by facsimile at (301) 504-0127.

FOR FURTHER INFORMATION CONTACT:

Copies of this request for extension of the information collection requirements and supporting documentation are available from Linda Glatz, Division of Policy and Planning, Office of Information Technology and Technology Services, Consumer Product Safety Commission, Washington, 4330 East West Highway, Bethesda, MD 20814; telephone: (301) 504-7671 or by e-mail to lglatz@cpsc.gov.

SUPPLEMENTARY INFORMATION: The Consumer Product Safety Improvement Act of 1990 (Pub. L. 101-608, 104 Stat. 3110) requires all automatic residential garage door openers manufactured after January 1, 1993, to comply with the entrapment protection requirements of UL Standard 325 that were in effect on January 1, 1992. In 1992, the Commission codified the entrapment protection provisions of UL Standard 325 in effect on January 1, 1992, as the Safety Standard for Automatic Residential Garage Door Operators, 16 CFR part 1211, subpart A. Certification regulations implementing the standard require manufacturers, importers and private labelers of garage door operators subject to the standard to test their products for compliance with the standard, and to maintain records of that testing. Those regulations are codified at 16 CFR part 1211, subparts B and C.
