Title; Associated Form; and OMB Number: Active Duty Dental Program Claim Form; OMB Control Number 0720-TBD.

Needs and Uses: The information collection requirement is necessary to obtain and record the dental readiness of Service Members using the Active Duty Dental Program and at the same time submit the claim for the dental procedures provided so that claims can be processed and reimbursement made to the provider. Many of these Service Members are not located near a military dental treatment facility and receive their dental care in the private sector. The new form is needed to update the dental readiness of all Service Members so that they can maintain worldwide deployment status and reduces paperwork by combining the dental claim and dental readiness into one form.

Affected Public: Private Sector Dentists participating in the Active Duty Dental Program.

Annual Burden Hours: 737,500.

Number of Respondents: 59,000 (ADDP network is 59,000 dentists).

Responses per Respondent: 1-500.

Average Burden per Response: 3 minutes.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

Respondents are dental professionals who are participating providers in the Active Duty Dental Program (ADDP). The ADDP Claim form allows civilian dental providers to submit the claim for dental procedures provided to active duty service members and to update their dental readiness classification at the same time. The completed form is forwarded to the ADDP contractor, United Concordia Companies, Inc. for reimbursement and the electronic update of the dental readiness. If the form is not available, civilian providers will not have a mechanism to update dental readiness for this dental program. Dental readiness classification allows the Services to ensure that all Service Members are ready for worldwide deployment. Dental readiness is an integral part of medical readiness, and medical readiness is fundamental to the readiness of our forces.
