Assessment

The Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries. For importers/customers of the respondent where the respondent did not report entered values, we have calculated importer/customer-specific antidumping duty assessment amounts based on the ratio of the total amount of antidumping duties calculated for the examined sales of subject merchandise to the total quantity of subject merchandise sold in those transactions. For importers/customers of the respondent where the respondent reported entered values, we have calculated an *ad valorem* rate for that importer/customer by dividing the total amount of antidumping duties calculated in the examined sales of subject merchandise by the total entered value of those transactions. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of NSR.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of these final results of NSR for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: 1) for the exporter/producer combination listed above, the cash deposit rate will be the rates shown for these companies;

2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate or combination rate published for the most recent period; 3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 216.01 percent; and 4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements shall remain in effect until further notice.

Notification of Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Disclosure

We will disclose the calculations performed for these final results within five days of the date of publication of this notice to interested parties in accordance with 19 CFR 351.224(b).

We are issuing and publishing these final results and notice in accordance with sections 751(a)(2)(B), 751(a)(2)(C), and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

The period of review ("POR") of this new shipper review is January 23, 2008, - July 31, 2009.

FOR FURTHER INFORMATION CONTACT: Matthew Renkey, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2312.

SUPPLEMENTARY INFORMATION:

Background

The antidumping duty order on certain steel nails from the PRC was published in the **Federal Register** on August 1, 2008. *See Notice of Antidumping Duty Order: Certain Steel Nails From the People's Republic of China*, 73 FR 44961 (August 1, 2008) ("Order"). On August 24, 2009, we received a timely request for a new shipper review from Maanshan Leader Metal Products Co., Ltd. ("Maanshan Leader") in accordance with 19 CFR 351.214(c) and 351.214(d)(2). Maanshan Leader has certified that it is both the producer and exporter of the subject merchandise upon which the request for the new shipper review is based.

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B)(i)(I) of the Tariff Act of 1930, as amended ("Act"), and 19 CFR 351.214(b)(2)(i), Maanshan Leader certified that it did not export certain steel nails to the

United States during the period of investigation (“POI”). Pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Maanshan Leader certified that, since the initiation of the investigation, it has never been affiliated with any exporter or producer who exported certain steel nails to the United States during the POI, including those not individually examined during the investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), Maanshan Leader has also certified that its export activities are not controlled by the central government of the PRC.

In addition to the certifications described above, Maanshan Leader submitted documentation establishing the following: (1) the date on which it first shipped certain steel nails for export to the United States and the date on which the certain steel nails first entered, or withdrawn from warehouse, for consumption; (2) the volume of its first shipment; and (3) the date of its first sales to an unaffiliated customer in the United States.

Pursuant to section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(d)(1), we are initiating this new shipper review for shipments of certain steel nails from the PRC produced and exported by Maanshan Leader.

We intend to issue preliminary results of this review no later than 180 days from the date of initiation, and final results of these reviews no later than 270 days from the date of initiation. *See* section 751(a)(2)(B)(iv) of the Act.

We will instruct U.S. Customs and Border Protection to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from Maanshan Leader in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because Maanshan Leader certified that it both produced and exported the subject merchandise, the sale of which is the basis for this new shipper review request, we will apply the bonding privilege to Maanshan Leader only for subject merchandise which Maanshan Leader both produced and exported.

Interested parties requiring access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306. This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: September 21, 2009.

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
