BILLING CODE 4910-15-P

POSTAL REGULATORY COMMISSION

39 CFR Part 3020

[Docket No. CP2009-50; Order No. 290]

New Postal Product

AGENCY: Postal Regulatory Commission.

ACTION: Final rule.

SUMMARY: The Commission is adding Global Expedited Package Services 1 (CP2008-4) to the Competitive Product List. In addition, Global Expedited Package Services 2 will also be included as a new category. This action is consistent with changes in a recent law governing postal operations. Republication of the lists of market dominant and competitive products is also consistent with new requirements in the law.

DATES: Effective September 29, 2009 and is applicable beginning August 28, 2009.

FOR FURTHER INFORMATION CONTACT: Stephen L. Sharfman, General Counsel, 202-789-6820 or stephen.sharfman@prc.gov.

SUPPLEMENTARY INFORMATION: *Regulatory History*, 74 FR 36538 (July 23, 2009).

I. Introduction

II. Discussion

III. Ordering Paragraphs

I. Introduction

In Order No. 262, the Commission authorized the inclusion of an additional Global Expedited Package Service (GEPS) contract within the Global Expedited Package Services 1 (GEPS 1) product.¹ The Postal Service seeks clarification of that order.² In its

¹ See PRC Order No. 262, Order Concerning Filing of Additional Global Expedited Package Services 1 Negotiated Services Agreement, July 29, 2009 (Order No. 262).

² United States Postal Service Response to Order No. 262 Concerning Termination Date of Additional

initial filing in this docket, the Postal Service sought to have the instant contract designated as the new baseline agreement for purposes of determining the functional equivalence of future GEPS contracts.³ The issue was not addressed substantively in Order No. 262. Noting that the GEPS 1 contract currently serving as the baseline will terminate and be removed from the Competitive Product List, the Postal Service requests clarification “concerning the contract and docket number that it should use for future filings of additional contracts to be added to the GEPS 1 product.” Request at 2. By this order, the Commission grants clarification.

II. Discussion

In its initial Notice, the Postal Service asserts the new GEPS 1 contract is functionally equivalent to previous GEPS contracts, that it should be included within the GEPS 1 product, “and it should become the new baseline agreement for determining whether future contracts are functionally equivalent.” Notice at 2. In support of its contention that the instant contract is functionally equivalent, the Postal Service states that it shares similar cost and market characteristics with previously filed GEPS 1 contracts. *Id.* at 4. It also contends that the contract meets the criteria established in Governors’ Decision 08-7. Furthermore, the Postal Service identifies various similarities with other GEPS 1 contracts, *e.g.*, mailers are small and medium-sized businesses, the contract is for one year, and payment by permit imprint, as well as various differences, *e.g.*, volume or postage commitments. *Id.* at 4-5. In addition, the Postal Service identifies various provisions, which it characterizes as minor or incidental, which differ from those contained in the initial GEPS 1 contract. These include, for example, clarifying the availability of other postal products, simplifying notice of mailing requirements, and changes not related to either party’s obligation under the agreement. *Id.* at 5-7.

In its Notice, the Postal Service does not expand on its request that the instant contract “be considered the baseline agreement for determining functional equivalence for additional

Global Expedited Package Services 1 Negotiated Service Agreement and Request for Clarification, July 30, 2009, at 2 (Request). No party filed a response to the Request.

³ Notice of United States Postal Service Filing of Functionally Equivalent Global Expedited Package Services 1 Negotiated Service Agreement, July 16, 2009, at 2, 7 (Notice).

agreements.” *Id.* at 7.⁴ Apparently, because the initial GEPS 1 contract is terminating and provisions have been added to subsequent GEPS 1 contracts, the Postal Service suggests that the instant GEPS 1 contract be designated as the baseline for purposes of determining the functional equivalence of future GEPS contracts.

The Commission’s expectation in labeling the initial GEPS contract (in Docket No. CP2008-5) as GEPS 1 was that it would be followed sequentially by additional GEPS contracts, *e.g.*, GEPS 2, GEPS 3, etc., that exhibited sufficient variation from the initial contract to warrant being classified as a new product. Given that the initial GEPS 1 contract is expiring and that the instant contract contains additional provisions, the Commission will label the latter as GEPS 2.⁵ Following the current practice, the Postal Service shall identify all significant differences between any new GEPS contract and the GEPS 2 product. Such differences would include terms and conditions that impose new obligations or new requirements on any party to the contract. The docket referenced in the caption should be Docket No. CP2009-50, in lieu of Docket No. CP2008-4. Following the current practice, a redacted copy of Governors’ Decision 08-7 should be included in the new filing along with an electronic link to it.⁶

Future requests to implement a new baseline agreement should be filed as an MC docket since it will result in adding a new product to the product list and may result in removing a product from the product list.⁷

III. Ordering Paragraphs

It is ordered:

1. The GEPS contract filed in Docket No. CP2009-50 is added to the Competitive Product List as a new product, Global Expedited Package

⁴ The Postal Service references PRC Order No. 227 issued in Docket No. CP2009-35 and states that “[t]he only additional difference between the agreement currently presented in this instant docket and the one presented in Docket No. CP2009-35 is the tender provision, which is described further below. *Id.* at 4, n.6.

⁵ This designation would also apply to GEPS contracts filed subsequent to the one in Docket No. CP2009-50, namely Docket Nos. CP2009-51, CP2009-52, CP2009-53, CP2009-58, and CP2009-59.

⁶ The Postal Service requests that the Inbound Direct Entry (IDE) contract filed in Docket No. CP2009-62 be considered the new baseline agreement for future IDE contracts. Absent a showing otherwise, the Commission intends to act on this request in a similar manner.

⁷ See *e.g.*, Docket Nos. MC2009-34 and CP2009-24, Request of the United States Postal Service to Add Express Mail Contract 4 to Competitive Product List and Notice of Establishment of Rates and Class Not of General Applicability, July 6, 2009.

Services 2 (Docket No. CP2009–50) under Negotiated Service Agreements, International.

2. The additional GEPS contracts filed in Docket Nos. CP2009–51, CP2009–52, CP2009–53, CP2009–58, and CP2009–59 will be classified as GEPS 2 contracts and be included within the Global Expedited Package Services 2 product (Docket No. CP2009–50).

3. The Secretary shall arrange for publication of this order in the **Federal Register**.

List of Subjects in 39 CFR Part 3020

Administrative practice and procedure; Postal Service.

By the Commission.

Shoshana M. Grove,
Secretary.

■ For the reasons stated in the preamble, under the authority at 39 U.S.C. 503, the Postal Regulatory Commission amends 39 CFR part 3020 as follows:

PART 3020—PRODUCT LISTS

■ 1. The authority citation for part 3020 continues to read as follows:

Authority: 39 U.S.C. 503; 3622; 3631; 3642; 3682.

■ 2. Revise Appendix A to Subpart A of Part 3020—Mail Classification Schedule to read as follows:

Appendix A to Subpart A of Part 3020—Mail Classification Schedule
