

Assessment

The Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries.

We have calculated importer-specific per unit duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., less than 0.50 percent). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

The Department clarified its "automatic assessment" regulation on May 6, 2003. See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003). This clarification will apply to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know their merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate established in the less-than-fair-value (LTFV) investigation if there is no rate for the intermediate company(ies) involved in the transaction.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, consistent with section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the reviewed company, Aragonesas, will be the rate shown above; (2) if the exporter is not a firm covered in this review, but was covered in a previous review or the original LTFV investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review

conducted by the Department, the cash deposit rate will continue to be the "All Others" rate established in the original LTFV investigation, which is 24.83 percent. See *Chlorinated Isos Order*. These deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these final results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: September 24, 2009.

Ronald K. Lorentzen,

Acting Assistant Secretary for Import Administration.

Barbed Wire and Barbless Fencing Wire From Argentina: Final Results of Sunset Review and Revocation of Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On August 3, 2009, the Department of Commerce (Department) initiated the sunset review of the antidumping duty order on barbed wire and barbless fencing wire from Argentina. Because the domestic interested parties did not participate in this sunset review, the Department is revoking this antidumping duty order.

FOR FURTHER INFORMATION CONTACT: Steve Bezirgianian, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1131.

SUPPLEMENTARY INFORMATION:

Background

On November 13, 1985, the Department issued an antidumping duty order on barbed wire and barbless fencing wire from Argentina. See *Antidumping Duty Order: Barbed Wire and Barbless Fencing Wire From Argentina*, 50 FR 46808 (Nov. 13, 1985). On September 20, 2004, the Department published its most recent continuation of the order. See *Continuation of Antidumping Duty Order: Barbed Wire and Barbless Fencing Wire From Argentina*, 69 FR 56190 (Sep. 20, 2004). On August 3, 2009, the Department initiated a sunset review of this order. See *Initiation of Five-Year ("Sunset") Review*, 74 FR 38401 (Aug. 3, 2009).

We did not receive a notice of intent to participate from domestic interested parties in this sunset review by the

deadline date. As a result, in accordance with 19 CFR 351.218(d)(1)(iii)(A), the Department determined that no domestic interested party intends to participate in the sunset review, and on August 21, 2009, we notified the International Trade Commission, in writing, that we intended to issue a final determination revoking this antidumping duty order. See 19 CFR 351.218(d)(1)(iii)(B)(2).

Scope of the Order

The merchandise covered by this order is barbed wire and barbless fencing wire from Argentina, which is currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) item number 7313.00.00. The HTSUS number is provided for convenience and customs purposes. The written product description remains dispositive.

Determination To Revoke

Pursuant to section 751(c)(3)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall, within 90 days after the initiation of the review, issue a final determination revoking the order. Because the domestic interested parties did not file a notice of intent to participate in this sunset review, the Department finds that no domestic interested party is participating in this sunset review. Therefore, consistent with 19 CFR 351.222(i)(1)(i) and section 751(c)(3)(A) of the Act, we are revoking this antidumping duty order. The effective date of revocation is September 20, 2009, the fifth anniversary of the date of publication in the **Federal Register** of the most recent notice of continuation of this antidumping duty order.

Effective Date of Revocation

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.222(i)(2)(i), the Department will issue instructions to U.S. Customs and Border Protection, 15 days after publication of the notice, to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after September 20, 2009. Entries of subject merchandise prior to the effective date of revocation will

continue to be subject to suspension of liquidation and antidumping duty deposit requirements. The Department will complete any pending administrative reviews of this order and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

This five-year (sunset) review and notice are in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: September 24, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
