SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60779; File No. SR-CBOE-2009-73]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend on CBSX the Taker Fees and Maker Rebates

October 2, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 1, 2009, the Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. CBOE has designated this proposal as one establishing or changing a due, fee, or other charge applicable only to a member under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The

Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its CBOE Stock Exchange ("CBSX") Fees Schedule. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's Office of the Secretary, and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

CBSX proposes to make fee modifications in order to better attract business to the exchange. Specifically, CBSX proposes to change to \$0.0010 per share its Taker Fee applicable to transactions of securities priced at \$1 or greater (including for ISO and IOC orders). CBSX proposes to change to 0.29% its Taker Fee for transactions in securities priced less than \$1. CBSX proposes to change to \$0.0005 per share the rebate for Makers, applicable to transactions in securities priced at \$1 or greater.

CBSX also proposes to eliminate its enhanced Maker rebate for Market-Makers when Liquidity Provider Guidelines ("LPGs") are met regarding transactions in securities priced at \$1 or greater. Indeed, CBSX proposes to eliminate from its Fees Schedule all references to LPGs, including current footnote 2 and the LPG table. Without the enhanced rebate, the LPG table is no longer necessary.

CBSX also proposes to change its Maker rebate for transactions in securities priced less than \$1 to 0.20% of the dollar value of the transaction. CBSX proposes to change the fee for the sweep portion of cross and sweep orders

for transactions in securities priced less than \$1 to 0.40% of the dollar value of the sweep portion. CBSX proposes to change the fees for orders routed away to \$0.0029 per share for transactions in securities priced at \$1 or greater and 0.29% of the dollar value of the transaction for transactions in securities priced less than \$1.

Finally, CBSX also proposes to modify its pricing for NBBO Step-Up trades. The order that is flashed will be charged \$0.0005 per share executed, and there will be no Maker rebates.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 ("Act"),⁵ in general, and furthers the objectives of Section 6(b)(4)⁶ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change is designated by the Exchange as establishing or changing a due, fee, or other charge, thereby qualifying for effectiveness on filing pursuant to Section 19(b)(3)(A)(ii) of the Act⁷ and subparagraph (f)(2) of Rule 19b-4 thereunder.⁸ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60776; File No. SR-NASDAQ-2009-086]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of a Proposal To Amend NASDAQ Rule 11890 Governing Clearly Erroneous Executions

October 2, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 1, 2009, The NASDAQ Stock Market LLC ("Exchange" or "NASDAQ") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. NASDAQ has designated the proposed rule change as constituting a rule change under Rule 19b-4(f)(6) under the Act,³ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASDAQ is proposing to amend NASDAQ Rule 11890 governing clearly erroneous executions. The text of the filing is available at <http://nasdaqomx.cchwallstreet.com> and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at

the places specified in Item IV below. NASDAQ has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ proposes to amend NASDAQ Rule 11890 in order to improve the exchange's rule regarding clearly erroneous executions. The proposed changes are part of a market-wide effort designed to provide transparency and finality with respect to clearly erroneous executions. This effort seeks to achieve consistent results for participants across U.S. equities exchanges while maintaining a fair and orderly market, protecting investors and protecting the public interest. In addition, NASDAQ has attempted to shorten and combine existing sections of Rule 11890 and has incorporated all of the prior Interpretive Materials into the body of the rule. NASDAQ believes this will create a clearer and more concise rule that will assist market participants in complying with its terms. The proposed changes are more fully discussed below.

Definition

NASDAQ will amend the meaning of the definition of a clearly erroneous execution, to add clarifying language with respect to cancelled trades. The proposed change identifies that a transaction made in error and agreed to be canceled by both parties or determined by NASDAQ to be clearly erroneous will be removed from the Consolidated Tape. A trade will only be removed from the Consolidated Tape when the determination is deemed final and any applicable appeals have been exhausted.

Member Initiated Review Requests

NASDAQ proposes to amend Rule 11890 to update the procedures for requesting a review of a clearly erroneous transaction. NASDAQ proposes that requests for review must be received by the exchange within 30 minutes of the execution time for orders initially routed to and executed on NASDAQ. This is consistent with NASDAQ's current practice and will be applied uniformly by other markets to provide a level of consistency and certainty across market centers. As is the case under the current rule, NASDAQ proposes that members submit certain essential identifying information with the request including the time of the transaction(s), security
